Notes					

¹ PSYC 1300 General Psychology must be taken prior to other PSYC courses. We recommend that PSYC 2330 (Statistics) be taken during the 2nd or 3rd semester. PSYC 2330 must be taken prior to PSYC 3332. PSYC 3332 must be taken prior to PSYC 3340.

² This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

³ See appropriate choices, alternative, or substitutions under "General Education Program" in the Undergraduate Bulletin.
