### **Notes**

<sup>1</sup> PSCI 1330 satisfies either the American History & Government or the Behavioral & Social Sciences General Education requirement and it is strongly recommended.

<sup>2</sup> Political Science majors must complete six hours in each of the three Political Science issue areas: (1) American Government & Public Administration; (2) International Relations and Comparative Politics; and (3) Political Theory & Methods. The degree program also requires one additional issue-area course as an elective.

<sup>3</sup> This Program Completion Plan includes 24 hours in a minor field of study. Minor requirements range from 18-27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field.
