### Notes

<sup>1</sup> A minor is not required. In lieu of a minor, students should complete approximately 24 hours of electives across related disciplines approved by the major academic advisor. See departmental check sheet for a list of suggested electives.

<sup>2</sup> Program admission is required before a student can take SPTH courses at the 3000 and 4000 levels. Applications to the program are accepted after 60 credit hours are completed. Admission is competitive and selective.

<sup>3</sup> PHYS 1405 is recommended to complete Gen Ed (Nat Sci) for Physical Science.
