To be completed by the advisor when an Eight-Semester Plan is accepted by the student:					
If applicable, has student selected a minor?	No 🗌	Yes [(Specify)			
Notes					

¹ While this program requires no minor, students completing the requirements for the program complete the requirements for a minor in mathematics.

² See appropriate choices, alternatives, or substitutions under "General Education Program" in the Undergraduate Bulletin. General Education requirements in Writing, Mathematics, and Natural Sciences are explicitly satisfied by the requirements detailed in the program of study; courses should be chosen to satisfy the remaining requirements.
