Notes begin on page 2. Notes

¹The First-Year Experience course (FYFS 1320) or another appropriate course may be taken as a General Elective during the first semester.

²Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

³SOC 1300 counts as a Behavioral and Social Sciences General Education requirement.

⁴This Program Completion Plan includes 24 credit hours in the Minor fields of study. Minor requirements range from 18 to 27 credit hours, so students will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

⁵General elective hours must bring total to a minimum of 124 hours.
