Notes

¹ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

² Piano III and IV are degree requirements but many students need to take Piano I and/or II prior to II and IV. Testing for piano placement is done on the first day of class in Harmony I or Ear Training I. Students who have had little or no piano training should start with Piano I, MUS 1131 in the first semester. Piano majors should take 2 hours of applied minor instruction in another area to substitute for class piano.

³ During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major professor and the advisor.

⁴ Required before taking the PRAXIS I exam. This exam is recommended if the student anticipates teaching in public schools in the future.

⁵ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

⁶ A substitution has been approved allowing MUS 1340 for the Fine Arts elective. MUS 1340 is a prerequisite for MUS 3302 or 3303, and should be taken the sophomore year.
