Notes

¹ The program includes 48 hours of art (39 credit hours in studio and 9 hours in art history), 44 hours of general education credit (the fine arts requirement is not required for art majors - completion of the major fulfills the requirement), 3 hours of foreign language at the 2000 level, and a minor. Art courses must follow a prerequisite structure. To fulfill the minimum required 120 hours needed for the degree, students may use 6 hours of foreign language prerequisites, if needed, and minor or elective courses to equal 120 hours. See additional information about minors and foreign language prerequisites below.

² Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

³ Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

⁴ Prerequisites for Portfolio I are ART 1310, 1321, 2312, 2322, and 3 hours from 2325, 2335, or 2336.

⁵ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. Students with prior experience in a foreign language should contact the Department of World Languages, Literatures, and Cultures to take the departmental placement test before enrolling in their first course. If a student has not completed the six hours of lower-level instruction by this time, please note that the Eight-Semester Plan will be voided.

⁶ This Program Completion Plan requires a minor field of study. Please note - art history may not serve as a minor for this degree. Depending on the program, minor requirements range from 18 to 27 credit hours. Students will need to adjust the number of minor credit hours in this PCP as needed depending upon the chosen minor field of study and whether they need to take the foreign language prerequisites. Example #1: If a student needs to take both foreign language prerequisites, and selects a minor requiring 18 hours, then the student will need to take an additional 1 hour of elective credit to complete the required minimum 120 hours. Example #2: If a student does not need to take both foreign language prerequisites and selects a minor requiring 21 hours, then the student will need to take an additional 4 hours of elective credit to complete 120 hours. Depending on a student's choice of courses to satisfy special degree and minor requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree plan.
