<sup>1</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

<sup>2</sup> This Program Completion Plan includes 24 hours in a minor field of study. Minor requirements range from 18-27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree.
