To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*.

- During Year 1, students must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS).
- During Year 1, an approved LD UCA Core math course should be taken.
- During Year 1 or 2, an approved LD UCA Core lab science should be taken. Students may take their UCA Core Science classes in any space designated UCA Core course.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Upper-Division (UD) Core. Accounting majors will satisfy the UCA Core Upper Division Requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UD UCA Core: I], MGMT 3340 Managing People and Work [UD UCA Core: D], ACCT 3320 Accounting Information System [UD UCA Core: R], ACCT 4317 Auditing [UD UCA Core: C], and MGMT 4347 Managing Policy and Strategy [UD UCA Core: Z (Capstone)].

² A student who places into MATH 1395 does not have to take MATH 1390, but takes one additional 3-hour elective. If approved by the student’s advisor, QMTH 2330 may be interchanged with MATH 1395. Both courses are required.

³ Students must select one course from each of the following seven categories to meet LD UCA Core requirements. At least one of the seven must have a Humanities designation (HUM) and at least one of the seven must have a Fine Arts designation (FA).

- Physical Science
- Life Science

Notes – *continued*

- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*

*First Year Seminar courses may be available in these areas.

⁴ FINA 3330, MGMT 3340, MKTG 3350. These courses can be interchanged in scheduling subject to the following:

- These courses have a prerequisite requirement of a 2.0 or better cumulative grade point average in the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and QMTH 2330.
- All three must be taken before MGMT 4347.

⁵ Accounting majors wishing to do an accounting internship should meet with their accounting advisor early in Year 3 to discuss sequencing of upper-division accounting courses.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a Lower-Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the Upper-Division (UD) UCA Core. General Business majors will satisfy the UCA Core Upper Division Requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UD UCA Core: I], MGMT 3340 Managing People and Work [UD UCA Core: D], MIS 3321 [UD UCA Core: R], a designated upper-division UCA Core communication course of their choice, and MGMT 4347 Managing Policy and Strategy [UCA Core: Z (Capstone)].

² Students must select one course from each category to meet UCA Core requirements.

- Physical Science
- Life Science
- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*
- ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

³ All BBA students must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements.

Notes – *continued*

⁴ Completion of eight (8) College of Business upper-division courses in at least three (3) degree areas is required for the General Business major.

⁵ FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350, MIS 3321. These courses have a prerequisite requirement of an average grade of C or better in the following courses ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, QMTH 2330.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “LD UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Note: Students may be able to take a LD UCA Core course required for the major as a FYS option. The student would then substitute another LD UCA Core course in its place on the AMAP. For example, if a student took ECON 2310 as a FYS, they would need to replace ECON 2310 on the AMAP with a different LD UCA Core course. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (Please see endnotes 3 and 4 for additional LD Core information related to this major.) Students will satisfy Upper Division Core requirements for Critical Inquiry, Communication, Diversity, and the Capstone by completing the following required major courses: ECON 3302 Intermediate Macroeconomics [UD UCA Core: I, C], ECON 4335 International Trade [UD UCA Core: D], and ECON 4380 Senior Seminar in Economics [UD UCA Core: CAPSTONE]. Students may choose from major electives, minor courses, or general electives to meet the UCA Core Responsible Living upper division requirement. Possible major elective alternatives with the Responsible Living Designation are: ECON 3310 Public Finance [UD UCA Core: R] or ECON 3330 Environmental Economics [UD UCA Core: R].

² Students must complete a course at the 2000 level or higher in a foreign language (or score an equivalent score on the placement exam) for a Bachelor of Arts degree. A student with no previous experience in a foreign language normally will enroll in 1310. Students with prior experience in a language are strongly encouraged to take the departmental placement test

Notes – *continued*

before enrolling in their first course. **Note:** Guided Study (i.e., correspondence) courses will not be accepted as transfer credit in fulfillment of the foreign language requirement. Students who have not previously received undergraduate credit in a given foreign language at a college or university may receive credit by examination in that language. Such credit is limited to a maximum of six hours in one language or twelve hours within the department and is granted by fulfilling the following criteria:

- Achievement of a satisfactory score on a placement examination administered by the Department of World Languages, Literatures, and Cultures.
- Satisfactory completion, with a minimum grade of B, of the next foreign language course above the level for which credit by examination is to be awarded.
- In cases of unusually thorough preparation, or in the case of international students, exemption may be sought from the Department of World Languages, Literatures, and Cultures.

A student who has met the foreign language requirement in fewer hours than listed on the AMAP must substitute a 3-hour general elective for any foreign language course that is not needed.

³ A student must take either ECON 1310 (LD UCA Core Responsible Living) or ECON 2310 (LD UCA Core Diversity in World Cultures) from the LD UCA Core. A student will meet the LD UCA Core Critical Inquiry Social Science requirement by taking either ECON 2320 or ECON 2321.

⁴ Students may take their LD UCA Core Science classes in any space designated LD UCA Core course. However, at least one Natural Science course must be completed in the first year.

⁵ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁶ **Economics Major Global Electives Course Options:**

The student must take **three** upper division economics major elective courses.

The student must also select **two** additional classes from the following list of classes:

- **Economics courses:** Any 3000- or 4000-level Economics course not used elsewhere on the academic map
- **Finance courses:** FINA 3340, FINA 4333
- **Geography courses:** GEOG 3300, 3305, 3315, 3320, 3335, 3345, 3346, 3381, 3385
- **History courses:** HIST 3304, 3312, 3321, 4305, 4328, 4347, 4377, 4381, 4383, 4387, 4394, 4397
- **Political Science courses:** PSCI 3305, 3315, 3340, 3382, 4305, 4310, 4320, 4325, 4328, 4345, 4348, 4388, 4395
- **Sociology courses:** SOC 3398, 4341
- Global courses must have an international component and be current. A student may take other classes approved by his/her faculty major advisor (or major department chair) to meet this requirement.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Upper-Division (UD) Core. Students pursuing the BBA in Economics International Trade will satisfy the UCA Core Upper Division Requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UCA Core: I], MGMT 3340 Managing People and Work [UCA Core: D, R], ECON 3302 Intermediate Macroeconomics [UCA Core: C, I], and MGMT 4347 Managing Policy and Strategy [UCA Core: Capstone].

² Students must select one course from each category to meet UCA Core requirements.

- Physical Science
- Life Science
- American History and Government*
- Fine Arts/Humanities*

Notes – *continued*

- Diversity and Creative Works*
- Responsible Living*
- ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

Students may use either MATH 1390, MATH 1395, or any lower division UCA Core approved calculus class such as MATH 1496 to meet the lower division UCA core requirements depending upon their initial placement. Students who take MATH 1395 or MATH 1496 to meet their lower division core requirement will have an additional 3 hours of general electives.

³ All BBA students must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements. Students who initially place in MATH 1395 or MATH 1496 will be able to use the course to meet the BBA degree requirements and the UCA Core requirements.

⁴ Students may take their UCA Core Science classes in any space designated UCA Core course. However, at least one Natural Science course must be completed in the first year.

⁵ In order for a BBA-seeking student to enroll in more than nine (9) hours of upper-division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, QMTH 2330 with a 2.0 grade point average in these five courses.

⁶ BBA Economics major must select three courses from the following list:

- _____ ECON 3310 Public Finance**
- _____ ECON 3330 Environmental Economics**
- _____ ECON 3335 Econometrics**
- _____ ECON 3382 Internship in Economics**
- _____ ECON 4320 Comparative Economic Systems**
- _____ ECON 4375 Economics of Developing Nation**
- _____ ECON 4390 Independent Study in Economics**
- _____ ECON 4395 Special Problems in Economics**
- _____ FINA 3340 Money, Banking, and Financial Markets**
- _____ MGMT 3342 International Business**

** This course has prerequisites; check the *Undergraduate Bulletin* for details.

⁷ FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350, MIS 3321. These courses have a prerequisite requirement of a 2.0 GPA or higher in the following courses ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, QMTH 2330.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a LD UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Note: Students may be able to take a LD UCA Core course required for the major as a FYS option. The student would then substitute another LD UCA Core course in its place on the AMAP. For example, if a student took ECON 2320 as a FYS, they would need to replace ECON 2320 on the AMAP with a different LD UCA Core course. Students pursuing the BS Economics degree will meet the LD UCA Core Critical Inquiry Social Science requirement by taking ECON 2320 or ECON 2321.

Students pursuing a BS in Economics degree will satisfy the Upper Division Core requirements for Critical Inquiry, Communication and the Capstone by completing the following required major courses: ECON 3302 Intermediate Macroeconomics [UD UCA Core: I, C] and ECON 4380 Senior Seminar in Economics [UD UCA Core: Z (capstone)]. Students may choose from major electives, minor courses, or general electives to meet the UD UCA Core Responsible Living upper-division requirement and the UD UCA Core Diversity Requirement. Possible major elective alternatives with the Responsible Living Designation are: ECON 3310 Public Finance [UD UCA Core: R] or ECON 3330 Environmental Economics [UD UCA Core: R]. A possible major elective with the Diversity Designation is ECON 4335 International Trade [UD UCA Core: D].

² Students completing a bachelor of science in Economics must complete one additional year (2 courses) of additional MATH courses at or above the level of MATH 1496 to meet the requirements for the BS degree. Most economics majors will use MATH 1496 and MATH 2311 to meet this requirement. However, students who use MATH 1496 to meet their lower division

Notes – *continued*

UCA Core requirements will need to take MATH 2311 and an additional MATH course chosen in conjunction with their major advisor.

³ Students may take their LD UCA Core Science classes in any space designated LD UCA Core course. However, at least one Natural Science course must be completed in the first year.

⁴ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁵ A student must complete four economics major elective courses from the following list: ECON 3310 Public Finance (UD UCA Core: R), ECON 3315 Labor Economics, ECON 3330 Environmental Economics (UD UCA Core: R), ECON 3382 Internship in Economics, ECON 4320 Comparative Economic Systems, ECON 4335 International Trade (UD UCA Core: D), ECON 4340 Managerial Economics, ECON 4360 Health Care Economics, ECON 4375 Economics of Developing Nations, ECON 4382 Internship in Economics, FINA 3340 Money, Banking, and Financial Markets, FINA 4332 Investments, FINA 4333 International Finance. **Students should check the *Undergraduate Bulletin* for details about prerequisites for these courses.**

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the Upper-Division (UD) UCA Core.

Finance Majors will satisfy the UCA Core upper-division requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UD UCA Core: I], MGMT 3340 Managing People and Work [UD UCA Core: D, R], FINA 4336 Advanced Financial Management [UD UCA Core: C], and MGMT 4347 Managing Policy and Strategy [UD UCA Core: Z (capstone)].

² Students must select one course from each category to meet UCA Core requirements.

- ◆ Physical Science
- ◆ Life Science
- ◆ American History and Government*
- ◆ Fine Arts/Humanities*
- ◆ Diversity and Creative Works*
- ◆ Responsible Living*

Notes – *continued*

- ♦ ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

Students may use either MATH 1390, MATH 1395, or any lower division UCA Core approved calculus class such as MATH 1496 to meet the lower division UCA core requirements depending upon their initial placement. Students who take MATH 1395 or MATH 1496 to meet their lower division core requirement will have an additional 3 hours of general electives.

³ All BBA students must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements. Students who initially place in MATH 1395 or MATH 1496 will be able to use the course to meet the BBA degree requirements and the UCA Core requirements.

⁴ If approved by the student's academic advisor, a student may take QMTH 2330 in semester 2 and MATH 1395 in semester 3 or semester 4.

⁵ Students may take their UCA Core Science classes in any space designated UCA Core course. However, at least one Natural Science course must be completed in the first 2 years, if possible.

⁶ In order for a BBA-seeking student to enroll in more than nine (9) hours of upper division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, QMTH 2330 with a 2.0 grade point average in these five courses.

⁷ FINA 3330 (semester 5), MGMT 3340, MGMT 3344, MKTG 3350, MIS 3321. These courses have a prerequisite requirement of a 2.0 GPA or higher in the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and QMTH 2330.

⁸ Finance majors must pick two major electives from the following courses: FINA 3323, FINA 3382, FINA 4331, FINA 4334 (may not be used as a finance major elective if taken to meet quantitative tools requirement), FINA 4376, FINA 4390, FINA 4395, INSU 3324, ACCT 3311, ACCT 3312, or MGMT 4341.

⁹ Finance majors must take one of the following quantitative tools courses: QMTH 3325, ECON 3335, or FINA 4334.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No x Yes

If “yes,” specify: Computer Science

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the upper-division (UD) UCA Core. See annotations in this Academic Map for courses within the major that will fulfill these requirements.

² Fulfills the Oral Communication requirement in the LD UCA Core.

³ Fulfills the American History and Government requirement in the LD UCA Core.

⁴ Fulfills the Inquiry and Analysis/Social Science requirement in the LD UCA Core.

Notes – *continued*

⁵ Either course fulfills the Critical Inquiry/Quantitative requirement in the LD UCA Core.

⁶ Fulfills the Diversity in World Cultures requirement in the LD UCA Core.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Upper-Division (UD) Core.

Insurance Majors will satisfy the UCA Core Upper Division Requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UCA Core: I], MGMT 3340 Managing People and Work [UCA Core: D, R], INSU 4320 Corporate Risk Management [UCA Core: C], and MGMT 4347 Managing Policy and Strategy [UCA Core: Z (capstone)].

² Students must select one course from each category to meet UCA Core requirements.

- ♦ Physical Science
- ♦ Life Science
- ♦ American History and Government*
- ♦ Fine Arts/Humanities*
- ♦ Diversity and Creative Works*

Notes – *continued*

- ♦ Responsible Living*
- ♦ ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

Students may use either MATH 1390, MATH 1395, or any lower-division UCA Core approved calculus class such as MATH 1496 to meet the lower division UCA core requirements depending upon their initial placement. Students who take MATH 1395 or MATH 1496 to meet their lower division core requirement will have an additional 3 hours of general electives.

³ All BBA students must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements. Students who initially place in MATH 1395 or MATH 1496 will be able to use the course to meet the BBA degree requirements and the UCA Core requirements.

⁴ If approved by the student's academic advisor, a student may take QMTH 2330 in semester 2 and MATH 1395 in semester 3 or semester 4.

⁵ Students may take their UCA Core Science classes in any space designated UCA Core course. However, at least one Natural Science course must be completed in the first 2 years, if possible.

⁶ In order for a BBA-seeking student to enroll in more than nine (9) hours of upper division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, QMTH 2330 with a 2.0 grade point average in these five courses.

⁷ FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350, MIS 3321. These courses have a prerequisite requirement of a 2.0 GPA or higher in the following courses ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, QMTH 2330.

⁸ Insurance majors must complete two insurance elective courses from the following list:

- _____ INSU 3330 Surplus Lines and Reinsurance**
- _____ QMTH 3325 Data Analysis**
- _____ FINA 3350 Personal Financial Planning
- _____ INSU 4340 Insurance Operations and Regulations**
- _____ INSU 3382 Internship**
- _____ INSU 4310 Internship in Insurance and Risk Management**

** This course has prerequisites; check the *Undergraduate Bulletin* for details.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the requirements of the upper-division (UD) UCA Core. Logistics and Supply Chain Management majors will satisfy the upper-division UCA Core requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UD UCA Core: I], MGMT 3340 Managing People and Work [UD UCA Core: D], MIS 3321 Managing Systems & Technology [UD UCA Core: R], MGMT 4347 Managing Policy and Strategy [UCA Core: Z (Capstone)], and any elective available in the upper-division UCA core [UD UCA Core: Communication].

² Students must select one course from each category to meet LD UCA Core requirements.

- Physical Science
- Life Science
- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*
- ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

Notes – *continued*

³ MATH 1395 is no longer a prerequisite for QMTH 2330. These required courses may be interchanged in semesters where they are listed.

⁴ FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350. These courses have a prerequisite requirement of an average grade of “C” (2.0 Grade Point Average) or better in the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and QMTH 2330.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the requirements of the upper-division (UD) UCA Core. Management Information Systems Majors will satisfy the UCA Core Upper Division Requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UD UCA Core: I], MGMT 3340 Managing People and Work [UD UCA Core: D], MIS 3321 Managing Systems and Technology [UD UCA Core: R], MIS 3328 Systems Analysis and Design [UD UCA Core: C], and MGMT 4347 Managing Policy and Strategy [UD UCA Core: Z (Capstone)].

² Students must select one course from each category to meet UCA Core requirements.

- Physical Science
- Life Science
- American History and Government*

Notes – *continued*

- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*
- ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

³ All BBA students must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements.

⁴ FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350, MIS 3321. These courses have a prerequisite requirement of an average grade of C or better in the following courses ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, QMTH 2330.

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a Lower Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved LD UCA Core lab science and an approved LD UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the requirements of the upper-division (UD) UCA Core. Marketing majors will satisfy the upper-division UCA Core requirements by completing the following courses: FINA 3330 Managing Finance and Capital [UD UCA Core: I], MGMT 3340 Managing People and Work [UD UCA Core: D], MKTG 4355 Marketing Management [UD UCA Core: C], MIS 3321 Managing Systems and Technology [UD UCA Core: R] and MGMT 4347 Managing Policy and Strategy [UD UCA Core: Z (Capstone)].

² Students must select one course from each category to meet LD UCA Core requirements.

- Physical Science
- Life Science
- American History and Government*
- Fine Arts/Humanities*
- Diversity and Creative Works*
- Responsible Living*
- ECON 2310 (Diversity in World Cultures)*

*First Year Seminar courses may be available in these areas.

Notes – *continued*

³ MATH 1395 is no longer a prerequisite for QMTH 2330. These required courses may be interchanged in semesters where they are listed.

⁴ FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350. These courses have a prerequisite requirement of an average grade of “C” (2.0 Grade Point Average) or better in the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and QMTH 2330.

Course Descriptions: <http://uca.edu/ubulletin/courses/>

This degree program requires a total of 122 semester credit hours, including at least 40 upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/academicbulletins/ld-uca-core/) (http://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin's* UCA Lower-Division Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (http://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Year 1

Fall – Semester 1 (credit hours: 16)

SUBJ	NUM	TITLE	SCH	ACTS
MATH	1390	College Algebra (Critical Inquiry: Quantitative)	3	MATH1103
WRTG	1310	Introduction to College Writing (Communication: Writing Foundation)	3	ENGL1013
EDUC	1300	Education as a Profession ¹	3	
BIOL	1400	Exploring Concepts in Biology or Approved alternative (LD UCA Core: Life Science) ²	4	BIOL1004 core link
		LD UCA Core: Inquiry/Analysis: Fine Arts/Humanities	3	core link

Spring – Semester 2 (credit hours: 16)

SUBJ	NUM	TITLE	SCH	ACTS
WRTG ENGL	1320 1320	Academic Writing & Research or Interdisciplinary Writing & Research or Other approved alternative (LD UCA Core: Research/Writing)	3	ENGL1023 ENGL1023 core link
MATH	3352	Number Systems for Elementary and Middle School Teachers: Reals	3	
COMM	1300	Principles of Communication [formerly SPCH 1300] ³ (LD UCA Core: Oral Communication)	3	SPCH1003
PHYS	1400	Physical Science for General Education (LD UCA Core: Physical Science)	4	PHSC1004
		LD UCA Core: Inquiry/Analysis: American History/Government	3	core link

Year 2**Fall – Semester 3 (credit hours: 16)**

SUBJ	NUM	TITLE	SCH	ACTS
MATH	3364	Concepts of Geometry	3	
MATH	4320	Concepts of Calculus (fall only)	3	
PHYS	1401	Descriptive Astronomy	4	PHSC1204
		LD UCA Core: Responsible Living	3	core link
		LD UCA Core: Diversity/World Cultures	3	core link

Spring – Semester 4 (credit hours: 16)

SUBJ	NUM	TITLE	SCH	ACTS
MATH	3354	Concepts of Discrete Mathematics (spring only)	3	
CHEM	1450	College Chemistry I	4	CHEM1004
MSIT	3310	Development and Learning ⁴ (UD UCA Core: D, R)	3	
		LD UCA Core: Inquiry/Analysis, Social Science	3	core link
		LD UCA Core: Diversity/Creative Works ²	3	core link

Year 3**Fall – Semester 5 (credit hours: 16)**

SUBJ	NUM	TITLE	SCH	ACTS
MATH	4314	Applications of Middle Level Mathematics (fall only)	3	
SCI	3320	Advanced Science Concepts I (fall only)	3	
SCI	3410	Earth Science	4	
HIST	4355	The Role of Arkansas in the Nation	3	
MSIT	3320	Introduction to Teaching at the Middle Level ⁴ (must be completed prior to Level 1 admission to teacher education)	3	

Spring – Semester 6 (credit hours: 15)

SUBJ	NUM	TITLE	SCH	ACTS
MATH	4335	Concepts of Advanced Mathematics (spring only)	3	
SCI	4420	Advanced Science Concepts II (spring only)	4	
MSIT	4325	Disciplinary Literacy (UD UCA Core: C)	3	
EDUC	3322	Diverse Learners in Inclusive Settings ⁵	3	
EDUC	4210	Integration of Technology into Teaching and Learning ⁶	2	

Year 4**Fall – Semester 7 (Credit hours: 15)⁷**

SUBJ	NUM	TITLE	SCH	ACTS
MSIT	4305	Classroom Management	3	
MSIT	4312	Strategies for Reading and Writing Assessment and Instruction	3	
MSIT	4321	Classroom Assessment (UD UCA Core: I)	3	
MSIT	4328	Advanced Strategies for Teaching and Learning in Middle Level Content-Specific Classrooms	3	
MSIT	4311	Internship I	3	

Spring – Semester 8 (Credit hours: 12)⁸

SUBJ	NUM	TITLE	SCH	ACTS
MSIT	4612	Internship II (UD UCA Core: Z)	6	
MSIT	4613	Internship II (UD UCA Core: Z)	6	

Notes

¹ Field experience hours required. See admission to teacher education requirements. Take Praxis I. Pass technology competency exam or take EDUC 1240 during the first year.

² See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

³ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁴ Field experience hours required.

⁵ Must be admitted to teacher education and field experience hours required.

⁶ Must be admitted to teacher education and field experience hours required.

⁷ Must be admitted to teacher education to enroll in courses listed in this semester and field experience hours required in some courses. Take required Praxis II content exam(s).

⁸ Must be admitted to teacher education to enroll in courses listed in this semester and field experience hours required. Take required Praxis II pedagogy exam.

Notes

¹ The program is 120 semester credit hours if the student tests out of the Foreign Language prerequisites. The degree requires 45 hours of art (including 12 hours of art history), 21 hours of art education, 14–16 hours of professional education, 35 hours of UCA Core courses (no additional course in the Fine Arts/Humanities section of the Core is required—ART 2335 or ART 2336 fulfills the LD UCA Core requirement in Critical Analysis, Fine Arts/Humanities), and 3 hours of foreign language at the 2000 level. Art courses must follow a prerequisite structure.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map and consult your academic advisor for courses that will satisfy these upper-division requirements – Diversity (D), Responsible Living (R), Communication (C), Critical Inquiry (I), and the capstone experience (Z).

³ Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

⁴ Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

⁵ Prerequisites for Portfolio I are ART 1310, 1321, 2312, 2322, and 3 hours from 2335 or 2336.

⁶ Educational Technology Competency exam must be completed prior to admission to Level I of the Teacher Education Program. Students may choose to take CSCI 1300 or MIS 2343 for Level I admittance but should be aware that this adds one additional hour to the total number of hours for the degree.

⁷ Only the 2000-level Foreign Language is required (fall, Year 3); however, students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction in order to complete the 2000-level course. The hours for these lower-level courses are not included as part of the 120 hours required for the degree. Students with prior experience in a foreign language should contact the Department of Languages, Linguistics, Literatures, and Cultures to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

Notes – *continued*

⁸ Admittance into Level I of Teacher Education Program required to enroll in these courses. Criteria are listed here:

Criteria for Admission to Level 1 of the Teacher Education Program

- ♦ Students are responsible for initiating the admission process and ensuring all information is available for the admissions folder. Students should pay close attention to application deadlines as published by the Office of Professional Field Services. After midterm grading and prior to established interview dates, students may initiate the process of admission upon completion of the minimum requirements listed below.
- ♦ 2.7 GPA (including UCA, transfer, and cumulative).
- ♦ Grade of “C” or better in WRTG 1310 and 1320, SPCH 1300, MATH 1360 or 1390, EDUC 1300 and CSCI 1300 or MIS 2343 (unless satisfied by competency test).
- ♦ Grade of “C” or better in all major requirements (art, art education, and education courses).
- ♦ Successful completion of Praxis Core Academic Skills for Educators (or equivalent).
- ♦ Completion of 45 semester hours (or current enrollment in sufficient hours to complete 45 semester hours).
- ♦ Two completed Admission Evaluations from faculty (one being from student’s EDUC 1300 instructor the other from an art studio or art history instructor).
- ♦ Successful completion of student interview by art education faculty with recommendation for admission. Sign up in the Office of Professional Field Services.
- ♦ Successful completion of the Department of Art Sophomore Major Advancement Interview (SMAI).

⁹ Directed Teaching (Student Teaching) semester should be completed in the Spring semester when possible. Admittance to Level II of the Teacher Education Program is completed prior to and during enrollment in ART 4690 and 4690. Criteria are listed here:

Criteria for Admission to Level II of the Teacher Education Program (Directed Teaching)

- ♦ Students must take the Praxis content area exam (Art: Content and Analysis) prior to the Internship II semester.
- ♦ During the Internship II semester, teacher candidates must also take Praxis: Principles of Learning and Teaching (PLT).

Note: Completion of the degree does not satisfy all requirements for licensure from the state. Successful completion of both the content area exam and the PLT are required for Art Education (K–12) licensure.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ The program requires 45 hours of art (39 credit hours in art history and 6 credit hours in studio), 38 hours of UCA Core courses (see note 2), 3 hours of foreign language at the 2000 level, and a minor. Art courses must follow a prerequisite structure. To fulfill the minimum required 120 hours needed for the degree, students may use 6 hours of foreign language prerequisites, if needed, and minor or elective courses, or a combination of these. See additional information about minors and foreign language prerequisites below.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

² Fulfills the LD UCA Core requirement in Critical Analysis, Fine Arts/Humanities (FA).

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

⁴ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for the 2000 level course that is required for the degree (Fall, Year 3). Students with prior experience in a foreign language should contact the Department of Languages, Linguistics, Literatures, and Cultures to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

Notes – *continued*

⁵ This Academic Map (AMAP) includes 24 hours in the minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected and courses needed to meet the foreign language requirement, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP. Please note: art studio may not serve as a minor for this degree.

⁶ ART 4302 requires a written proposal submitted for departmental approval the semester prior to enrollment.

Notes

¹ The program requires 80 hours of art and art history, 35 hours of UCA Core courses (a course in the Fine Arts/Humanities section of the Core is not required – Art 2335 or 2336 fulfills the LD Core requirement in Critical Analysis, Fine Arts/Humanities), and 3 hours of foreign language at the 2000 level. Art courses must follow a prerequisite structure. Students with a 2.5 cumulative GPA and 3.25 major GPA on a minimum of 24 hours of art may apply for entrance into the BFA program after successfully completing SMAI (Sophomore Major Advancement Interview). Students should submit application for acceptance into the BFA program in the spring of the sophomore year.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

² See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication (C), Critical Inquiry (I), Diversity (D), Responsible Living (R), and a Capstone experience (Z). See the [Department of Art](#) page in the *Undergraduate Bulletin* and annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

³ Students with scholarships need to be aware of the required number of credits to maintain their scholarship eligibility. There will be 30 hours completed at the end of the sophomore year.

⁴ Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

⁵ Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

⁶ Prerequisites for ART 2140 Portfolio I are ART 1310, 1321, 2312, 2322, and 3 hours from 2335 or 2336.

⁷ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. The hours for these lower-level courses are not included as part of the 120 hours required for

Notes – *continued*

the degree. Students with prior experience in a foreign language should contact the Department of Languages, Linguistics, Literatures, and Cultures to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

⁸ ART 4675 prerequisite: Submission of written proposal and departmental approval in the semester prior to enrollment.

⁹ ART 4300 and 4301 BFA Studio Practicum are offered each fall and spring. Students should enroll in ART 4300 first. ART 4300 prerequisite: Submission of written proposal and departmental approval in the semester prior to enrollment.

¹⁰ Required only if student did not have to take lower-level foreign language prerequisites. Degree requires a minimum of 120 hours.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

³ Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.5, Bachelor of Science.

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

² Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester plan.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

³ A total of 6 elective hours are required for the major. Elective courses are listed in the *Undergraduate Bulletin* and on the Journalism checklist.

⁴ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

² Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.5, Bachelor of Science.

³ A total of 6 elective hours are required for the major. Elective courses are listed in the *Undergraduate Bulletin* and on the Journalism checklist.

⁴ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

		Minor course (UD preferably)	3	
		General Elective (UD UCA Core: R) ¹³	3	

Notes

¹ This Academic Map (AMAP) includes 18 credits in a minor field of study. Minor requirements range from 15 to 27 credit hours. Students will need to adapt the number of general elective and minor course credit hours in this plan as needed, depending upon the chosen minor. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree.

² Piano III and IV are degree requirements but many students need to take Piano I and/or Piano II prior to III and IV. Testing for piano placement is done immediately before the beginning of classes in the Fall semester of the first year of study.

³ During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major professor and the advisor.

⁴ Required before taking the PRAXIS I exam. This exam is recommended if the student anticipates teaching in public schools in the future.

⁵ See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication (C), Critical Inquiry (I), Diversity (D), Responsible Living (R), and a Capstone experience (Z). See annotations in this Academic Map for courses

Notes – *continued*

within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses. Note that if pending music courses have not been approved, a Responsible Living course will have to be found outside the major.

⁶ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

⁷ Students may wish to take some core classes, such as their science classes, in the summer due to the large number of required major courses taken each semester.

⁸ MUS 1340 is a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 fulfills the LD UCA Core requirement in Diversity in Creative Works, and is a Fine Arts (FA) course.

⁹ Students must have passed the UDQA (Upper-Division Qualifying Assessment) prior to this semester to take upper division music classes, including 4000 level lessons and ensembles. This applies to any student who enters UCA as a freshman music major in Fall 2014 or later. In working towards the required minimum 40 upper-division credit hours necessary for graduation purposes, it is important that students register in 4000-level lessons and ensembles each semester upon completion of the UDQA. Failure to do so could prevent a student from graduating in the semester in which they had planned. If a student takes only the minimum upper-division degree hours in the major, 13 additional upper-division hours will be needed. Students should review their minor requirements carefully and plan their course of study in the minor and in their general electives to account for any needed upper division hours.

¹⁰ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

¹¹ A minimum of 3 hours of UD UCA Core Critical Inquiry (I) hours are needed to fulfill this requirement. MUS 4311 fulfills the requirement if taken as an upper-division music elective, or MUS 3210 with the addition of another approved UD UCA Core I course.

¹² Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study.

¹³ This requirement may or may not be fulfilled by a course or courses in the major or minor. Students will take music or minor courses if appropriate or fulfill this requirement in another department as part of their required general electives.

Notes

¹ BM Composition majors are required to make a B or higher in MUS 1230, 1231, 1232, 1233 and 2233. Students must take care to complete any other prerequisite course in music with a passing grade before progressing to the next level course for which it is a prerequisite. Per the Undergraduate Bulletin information regarding Repeated Courses, students will not receive degree credit for a course they repeat for a higher grade if it is a prerequisite for a higher level course and they complete the higher level course before retaking the prerequisite course.

² Piano III and IV are degree requirements but many students need to take Piano I and/or Piano II prior to III and IV. Testing for piano placement is done immediately before the beginning of classes in the Fall semester of the first year of study.

³ Woodwind, brass and percussion students may participate in a university band or orchestra to fulfill the large ensemble requirement. String students must participate in the orchestra to fulfill the requirement. Students must participate in a large ensemble for a minimum of six semesters. After the third semester, students should register in 4000-level ensembles. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major professor and the advisor.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

Notes – *continued*

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication (C), Critical Inquiry (I), Diversity (D), Responsible Living (R), and a Capstone experience (Z). See annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

⁵ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

⁶ Students should apply for admission to the Composition track during the Spring semester of the Freshman year, if not sooner. Students must pass composition admission requirements before admission into the composition track. A Composition Track Application form must be completed and approved by all area faculty members at the time of the jury in which the student is applying for admission.

⁷ Students may wish to take some core classes, such as their science classes, in the summer due to the large number of required major courses taken each semester.

⁸ MUS 1340 is a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 also fulfills the LD UCA Core requirement in Diversity in Creative Works, and is a Fine Arts (FA) course.

⁹ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

¹⁰ Students must have passed the UDQA (Upper Division Qualifying Assessment) prior to this semester to take upper division music classes, including 4000 level lessons and ensembles. This applies to any student who enters UCA as a freshman music major in Fall 2014 or later. To ensure that the required minimum 40 upper division credit hours are reached by graduation, it is important that students register in 4000-level lessons and ensembles each semester upon completion of the UDQA. Failure to do so could prevent a student from graduating in the semester in which they had planned.

Notes

¹ Music education majors are required to make a C or higher in all required music and education courses. Students must take care to complete any prerequisite course in music or education with a grade of C before progressing to the next level course for which it is a prerequisite. Per the Undergraduate Bulletin information regarding Repeated Courses, students will not receive degree credit for a course they repeat for a higher grade if it is a prerequisite for a higher level course and they complete the higher level course before retaking the prerequisite course.

² Please refer to teacher education Level I admission requirements during this semester.

³ Piano III and IV are degree requirements but many students need to take Piano I and/or Piano II prior to III and IV. Testing for piano placement is done immediately before the beginning of classes in the Fall semester of the first year of study.

⁴ Students are required to participate in a large instrumental ensemble for at least seven semester (7 credit hours). If a student does not complete all requirements prior to Internship II by the seventh semester, an eight semester of a large ensemble is required. Woodwind, brass, and percussion majors must participate in a university band to fulfill the large ensemble requirement, including marching band each fall semester, excluding the Internship II semester. String majors must participate in orchestra to fulfill the requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

Notes – *continued*

⁵ Required before taking the PRAXIS Core Test. **Note:** COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁶ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication [C], Critical Inquiry[I], Diversity [D], Responsible Living [R], and a Capstone [Z]. See annotations in this Academic Map for courses in the major that will fulfill UD UCA Core requirements.

⁷ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

⁸ Students are encouraged to take the PRAXIS Core Test by the end of the freshman year, and must take it by the end of the sophomore year to stay on track for admission to teacher education program by end of the sophomore year. Please note that suitable ACT or SAT scores may substitute for all or part of this test. Please refer to teacher education admission requirements, <http://uca.edu/ocs/admission-requirements/>.

⁹ Six credits of Instrumental Methods courses are offered. Five credits of these six are required for woodwind, brass, and percussion majors, resulting in a total degree requirement of 124 hours. Four credits are required for string majors and piano majors/instrumental track, resulting in a total degree requirement of 123 hours.

¹⁰ Students may wish to take some core classes, such as their science classes, in the summer due to the large number of required major courses taken each semester.

¹¹ Student must be admitted into teacher education program (Level I Admission) by the end of this semester in order to register for MUS 3305 the following semester. The UDQA (Upper Division Qualifying Assessment) will be administered near the end of this semester.

¹² This course must be taken after completion of MUS 1230/1231. Student must have also passed the [Ed Tech Competency Exam](#) or equivalent course (e.g., EDUC 1240, CSCI 1300, or MIS 2343) prior to this semester. The competency exam is recommended.

¹³ MUS 1340 is a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 fulfills the LD UCA Core requirement in Diversity in Creative Works, and is a Fine Arts (FA) course.

¹⁴ Students must have passed the UDQA (Upper-Division Qualifying Assessment) prior to this semester to take upper-division music classes, including 4000-level lessons and ensembles. This applies to any student who enters UCA as a freshman music major in Fall 2014 or later. To ensure that the required minimum 40 upper division credit hours are reached by graduation, it is important that students register in 4000-level lessons and ensembles each semester upon completion of the UDQA. Failure to do so may prevent a student from graduating in the semester in which they had planned.

¹⁵ Student must be admitted to the teacher education program (Level I Admission) to enroll in this course.

¹⁶ Students must take the PRAXIS II (Music: Analysis, Concepts & Processes, and Continuing Knowledge) by Spring or September of this calendar year. PRAXIS II grades must be sent to student by conclusion of the fall semester of this calendar year.

¹⁷ This course number is currently in the process of being changed to MUS 3309.

¹⁸ Student must take the remaining portion of the PRAXIS II (Principles of Learning & Teaching, 5-9 or 7-12) by this semester.

Notes

¹ Music education majors are required to make a C or higher in all required music and education courses. Students must take care to complete any prerequisite course in music or education with a grade of C before progressing to the next level course for which it is a prerequisite. Per the Undergraduate Bulletin information regarding Repeated Courses, students will not receive degree credit for a course they repeat for a higher grade if it is a prerequisite for a higher level course and they complete the higher level course before retaking the prerequisite course.

² Please refer to teacher education admission requirements during this semester, <http://uca.edu/ocs/admission-requirements>.

³ BM in Music Education, piano-instrumental track students will take 2 credits of a second instrument.

⁴ Band or other large instrumental ensemble, seven to eight semesters required. If student does not complete all requirements prior to Int. II by the seventh semester, an eighth large ensemble is required. Piano majors may substitute up to three semesters of accompanying toward this requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

⁵ Required before taking the PRAXIS Core. **Note:** COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁶ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

Notes – continued

The student will also need to complete major courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication [C], Critical Inquiry[I], Diversity [D], Responsible Living [R], and a Capstone [Z]. See annotations in this Academic Map for courses in the major that will fulfill UD UCA Core requirements.

⁷ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements.

⁸ Students are encouraged to take the PRAXIS Core test by the end of the freshman year, and must pass it by the end of their third semester to be certain to stay on track for Level I Admission by the end of their sophomore year. Please note that suitable ACT or SAT scores may substitute for all or part of this test. Please refer to teacher education admission requirements, <http://uca.edu/ocs/admission-requirements/>.

⁹ Students may wish to take some core classes, such as their science classes, in the summer due to the large number of required major courses taken each semester.

¹⁰ Student must be admitted into teacher education program (Level I admission) by the end of this semester in order to register for MUS 3305 the following semester. The UDQA (Upper-Division Qualifying Assessment) will be administered near the end of this semester.

¹¹ This course must be taken after completion of MUS 1230/1231. Student must have also passed the [Ed Tech Competency Exam](#) or equivalent course (e.g., EDUC 1240, CSCI 1300, or MIS 2343) prior to this semester. The competency exam is recommended.

¹² MUS 1340 is also a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 fulfills the LD UCA Core requirement in Diversity in Creative Works, and is a Fine Arts (FA) course.

¹³ Students must pass the UDQA (Upper-Division Qualifying Assessment) prior to this semester to take upper-division music classes, including 4000-level lessons and ensembles. This applies to any student who enters UCA as a freshman music major in Fall 2014 or later. To ensure that the required minimum 40 upper division credit hours are reached by graduation, it is important that students register in 4000-level lessons and ensembles each semester upon completion of the UDQA. Failure to do so may prevent a student from graduating in the semester in which they had planned.

¹⁴ Student must be admitted to the teacher education program to enroll in this course.

¹⁵ Students must take the PRAXIS II (Music: Analysis, Concepts & Processes, and Continuing Knowledge) by Spring or September of this calendar year. PRAXIS II grades must be sent to student by conclusion of the fall semester of this calendar year.

¹⁶ This course number is currently in the process of being changed to MUS 3309.

¹⁷ Student must take the remaining portion of the PRAXIS II (Principles of Learning & Teaching, 5-9 or 7-12) by this semester.

Notes

¹ Music education majors are required to make a C or higher in all required music and education courses. Students must take care to complete any prerequisite course in music or education with a grade of C before progressing to the next level course for which it is a prerequisite. Per the Undergraduate Bulletin information regarding Repeated Courses, students will not receive degree credit for a course they repeat for a higher grade if it is a prerequisite for a higher level course and they complete the higher level course before retaking the prerequisite course.

² Please refer to teacher education admission requirements during this semester, <http://uca.edu/ocs/admission-requirements/>.

³ BM in Music Education piano-vocal track students will take 2 credits of applied voice.

⁴ Chorus or other large ensemble, seven - eight semesters required. If student does not complete all requirements prior to Int. II by the seventh semester, an eighth semester of chorus is required. MUSE 2110 and 4110 require an audition. MUSE 2111 and 4111 do not require an audition. Piano majors may substitute up to three semesters of accompanying toward this requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

⁵ Required before taking the PRAXIS Core. **Note:** COMM 1300 and SPCH 1300 are the same course. Take only one of them.

Notes – *continued*

⁶ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication [C], Critical Inquiry[I], Diversity [D], Responsible Living [R], and a Capstone [Z]. See annotations in this Academic Map for courses in the major that will fulfill UD UCA Core requirements.

⁷ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

⁸ Students are encouraged to take the PRAXIS Core test by the end of the freshman year, and must take it by the end of the sophomore year to stay on track for admission to teacher education program by end of the sophomore year. Please note that suitable ACT or SAT scores may substitute for all or part of this test. Please refer to teacher education admission requirements, <http://uca.edu/ocs/admission-requirements/>.

⁹ Students may wish to take some core classes, such as their science classes, in the summer due to the large number of required major courses taken each semester.

¹⁰ Student must be admitted into teacher education program (Level I admission) by the end of this semester in order to register for MUS 3305 the following semester. The UDQA (Upper-Division Qualifying Assessment) will be administered near the end of this semester.

¹¹ Student must have also passed the [Ed Tech Competency Exam](#) or equivalent course (e.g., EDUC 1240, CSCI 1300, or MIS 2343) prior to this semester. The competency exam is recommended.

¹² MUS 1340 is also a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 fulfills the LD UCA Core requirement in Diversity in Creative Works, and is a Fine Arts (FA) course.

¹³ Students must pass the UDQA (Upper-Division Qualifying Assessment) prior to this semester to take upper-division music classes, including 4000-level lessons and ensembles. This applies to any student who enters UCA as a freshman music major in Fall 2014 or later. To ensure that the required minimum 40 upper division credit hours are reached by graduation, it is important that students register in 4000-level lessons and ensembles each semester upon completion of the UDQA. Failure to do so may prevent a student from graduating in the semester in which they had planned.

¹⁴ Student must be admitted to the teacher education program (Level I Admission) to enroll in this course.

¹⁵ Students must take the PRAXIS II (Music: Analysis, Concepts & Processes, and Continuing Knowledge) by Spring or September of this calendar year. PRAXIS II grades must be sent to student by conclusion of the fall semester of this calendar year.

¹⁶ Student must take the remaining portion of the PRAXIS II (Principles of Learning & Teaching, 5-9 or 7-12) by this semester.

Notes

¹ Students must take care to complete any prerequisite course in music with a passing grade before progressing to the next level course for which it is a prerequisite. Per the Undergraduate Bulletin information regarding Repeated Courses, students will not receive degree credit for a course they repeat for a higher grade if it is a prerequisite for a higher level course and they complete the higher level course before retaking the prerequisite course.

² Piano III and IV are degree requirements but many students need to take Piano I and/or Piano II prior to III and IV. Testing for piano placement is done immediately before the beginning of classes in the Fall semester of the first year of study.

³ Eight hours of credit are required in a large instrumental ensemble. Woodwind, brass, and percussion majors may participate in a university band or orchestra to fulfill the large ensemble requirement. String majors must participate in orchestra to fulfill the requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

Notes – *continued*

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication (C), Critical Inquiry (I), Diversity (D), Responsible Living (R), and a Capstone experience (Z). See annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

⁵ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

⁶ Students not formally accepted into the performance track may apply for admission during this semester or during the sophomore year. Students must pass a performance track audition jury before being admitted into the performance track. A Performance Track Application form must be completed and approved by all area faculty members at the time of the jury.

⁷ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁸ MUS 1340 is a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 also fulfills the LD UCA Core requirement in Diversity in Creative Works, and is a Fine Arts (FA) course.

⁹ Students must pass the UDQA (Upper-Division Qualifying Assessment) prior to this semester to take upper-division music classes, including 4000-level lessons and ensembles. This applies to any student who enters UCA as a freshman music major in Fall 2014 or later. To ensure that the required minimum 40 upper division credit hours are reached by graduation, it is important that students register in 4000-level lessons and ensembles each semester upon completion of the UDQA. Failure to do so could prevent a student from graduating in the semester in which they had planned.

¹⁰ A minimum of 3 hours of UD UCA Core Critical Inquiry (I) hours are needed to fulfill this requirement. MUS 4311 fulfills the requirement if taken as an elective, or the addition of any other approved UD Inquiry course.

¹¹ Required, but not for credit.

¹² This requirement (UCA UD Core: R) may or may not be fulfilled by a course or courses in the major. Students will take music courses if appropriate or fulfill this requirement in another department as part of their required general electives.

¹³ In addition to the Senior Recital for credit, a non-credit Junior Recital is also required.

Notes

¹ Students must take care to complete any prerequisite course in music with a passing grade before progressing to the next level course for which it is a prerequisite. Per the Undergraduate Bulletin information regarding Repeated Courses, students will not receive degree credit for a course they repeat for a higher grade if it is a prerequisite for a higher level course and they complete the higher level course before retaking the prerequisite course.

² Students may substitute up to six semesters of accompanying for this requirement and/or choose any ensemble. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to large ensembles, as assigned by the major professor and the advisor.

³ See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication (C), Critical Inquiry (I), Diversity (D), Responsible Living (R), and a Capstone experience (Z). See annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

Notes – *continued*

⁴ Students not formally accepted into the performance track may apply for admission during this semester or during the sophomore year. Students must pass a performance track audition jury before being admitted into the performance track. A Performance Track Application form must be completed and approved by all area faculty members at the time of the jury.

⁵ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁶ The UDQA (Upper-Division Qualifying Assessment) will be administered near the end of this semester.

⁷ MUS 1340 is also a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 fulfills the LD UCA Core requirement in Diversity in Creative Works, and is a Fine Arts (FA) course.

⁸ Students must have passed the UDQA (Upper-Division Qualifying Assessment) prior to this semester to take upper-division music classes, including 4000-level lessons and ensembles. This applies to any student who enters UCA as a freshman music major in Fall 2014 or later. To ensure that the required minimum 40 upper division credit hours are reached by graduation, it is important that students register in 4000-level lessons and ensembles each semester upon completion of the UDQA. Failure to do so could prevent a student from graduating in the semester in which they had planned.

⁹ A minimum of 3 hours of UD UCA Core Critical Inquiry (I) hours are needed to fulfill this requirement. MUS 3210 combined with another UCA Core UD I course will fulfill this requirement. There are additional 2 hr. credit required upper level theory courses to be submitted for approval. MUS 4311, Linear Analysis, also fulfills the requirement, in addition to counting as a general elective.

¹⁰ Required, but not for credit.

¹¹ For graduation purposes, students take a total of two 1-hr. credit applied lessons in an area other than piano.

¹² This requirement (UCA UD Core: R) may or may not be fulfilled by a course or courses in the major. Students will take music courses if appropriate or fulfill this requirement in another department as part of their required general electives.

Notes

¹ Students must take care to complete any prerequisite course in music with a passing grade before progressing to the next level course for which it is a prerequisite. Per the Undergraduate Bulletin information regarding Repeated Courses, students will not receive degree credit for a course they repeat for a higher grade if it is a prerequisite for a higher level course and they complete the higher level course before retaking the prerequisite course.

² Piano III and IV are degree requirements but many students need to take Piano I and/or Piano II prior to III and IV. Testing for piano placement is done immediately before the beginning of classes in the Fall semester of the first year of study.

Notes – *continued*

³ Eight semester hours of a large choral ensemble are required. MUSE 2110 and 4110 require an audition. MUSE 2111 and 4111 do not require an audition. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

⁴ See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper-Division (UD) UCA Core includes Communication (C), Critical Inquiry (I), Diversity (D), Responsible Living (R), and a Capstone experience (Z). See annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

⁵ Students not already accepted into the performance track should apply for admission during this semester. Students must pass a performance track audition jury before being admitted into the performance track. A 'Performance Track Application' form must be completed and approved by all area faculty members at the time of the jury.

⁶ A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

⁷ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁸ The UDQA (Upper-Division Qualifying Assessment) will be administered near the end of this semester.

⁹ MUS 1340 is a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 fulfills the LD UCA Core requirement in Diversity in Creative Works, and is a Fine Arts (FA) course.

¹⁰ Students must pass the UDQA (Upper Division Qualifying Assessment) prior to this semester to take upper division music classes, including 4000 level lessons and ensembles. This applies to any student who enters UCA as a freshman music major in Fall 2014 or later. To ensure that the required minimum 40 upper division credit hours are reached by graduation, it is important that students register in 4000-level lessons and ensembles each semester upon completion of the UDQA. Failure to do so could prevent a student from graduating in the semester in which they had planned.

¹¹ A minimum of 3 hours of UD UCA Core Critical Inquiry (I) hours are needed to fulfill this requirement. MUS 3210 combined with another UCA Core UD I course will fulfill this requirement. There are additional 2 hr. credit required upper level theory courses to be submitted for approval which should be available for this requirement. MUS 4311, Linear Analysis, also fulfills the requirement, in addition to counting as a general elective.

¹² In addition to the Senior Recital for credit, a non-credit Junior Recital is also required.

¹³ Vocal majors are required to take one year of a foreign language. French or German is recommended as a significant part of vocal repertoire exists in these languages. The requirement is waived for students who have taken a placement exam from the UCA World Languages Department or have AP/CLEP scores to demonstrate they would test into a 2000 level or higher class.

¹⁴ MUS 4215, Choral Arranging, is the degree requirement but has been unavailable for several years due to departmental resources. MUS 4210 is the recommended substitute when it's not available. MUS 4210 is awaiting approval as a UD Core: I course. Students may if they prefer take MUS 4311, Linear Analysis, which already has approval as a UD UCA Core: I course.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. No Yes

If “yes,” specify: _____

Notes

¹ Students are required to complete a minimum of 4 hours (one at each level) but can repeat each level twice.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester plan.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ Choose from Stage Lighting, Costume Design, or Scene Design.

⁵ This Academic Map (AMAP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁶ A total of 9 elective hours are required for the major. Elective courses are listed in the *Undergraduate Bulletin* and on the Theatre checklist.

Academic Map: Theatre

Department: _____ Mass Communication and Theatre _____ **Degree:** _____ BS _____

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements (I, D, and Z). Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses to fulfill the additional requirements (C, R).

² This course fulfills the LD UCA Core requirement in Responsible Living. It is recommended that, if possible, the student enroll in an FYS section of this course to fulfill the FYS requirement.

³ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁴ BIOL 2405 and 2411 fulfill the BS special degree requirement. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.5, Bachelor of Science.

ATTR	4327	Athletic Training Clinical Experiences IV	3	

Notes

¹ A cumulative grade point average of 2.5 or higher on a 4.0 scale is required for admission, retention, and completion of the BS degree in Athletic Training. A professional GPA of 3.0 on a 4.0 scale on designated courses for admission, retention, and graduation is required. See the current *Undergraduate Bulletin* for detailed information.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

Courses may be used only once to satisfy the UCA Core. If the ACT sub-score in Reading, English, or Mathematics is below 19, remediation is required before enrolling in certain UCA Core courses. Students needing remediation in reading or writing may not enroll in a FYS until they have completed their remediation. Students must take at least one course in the Fine Arts (designated FA) and one course in Humanities (designated HUM) as part of the lower division core requirements.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

³ WRTG 1310 must be taken on initial enrollment unless the requirement was already met or remediation is required.

⁴ EXSS courses were formerly designated with the prefix KPED.

⁵ Students are recommended to complete an FYS section of EXSS 1320. If an FYS section of the course is not available, students may complete a traditional section of EXSS 1320. Students should consult their advisor to ensure they complete an FYS section of a course from either Critical Inquiry or a Social Science course (designated SS) within Diversity/World Cultures prior to the completion of 30 hours in order to meet UCA Core Requirements.

⁶ BIOL 1440 requires the following prerequisites: High school chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher or BIOL 1400 and CHEM 1301 (or above) both with a grade of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology Department Chair prior to enrollment.

⁷ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁸ Students should refer to the current *Undergraduate Bulletin* regarding course prerequisites. For students who receive transfer credit for BIOL 2406 with a grade of C or better, PHYS 1400 or PHYS 1405 or PHYS 1410 or PHYS 1441 may be completed in lieu of CHEM 1402 or CHEM 1450. A grade of C or better is required in the approved PHYS course.

⁹ Students must complete at least one (1) Humanities (HUM) and one (1) Fine Arts (FA) course as part of the lower division UCA Core requirements. These courses must be completed from the UCA Core Diversity in Creative Works category and the other from the UCA Core Critical Inquiry section - Fine Art / Humanities category. Students should note that the following humanities courses have prerequisites: CHIN 2320 Intermediate Chinese II, FREN 2320 Intermediate French II, GERM 2320 Intermediate German II, SPAN 2320 Intermediate Spanish III.

¹⁰ In addition to PSYC 1300 General Psychology, students must complete an additional Social Science course (designated SS) in either the Diversity in World Cultures or the Responsible Living category. Students in consultation with their advisor should refer to the current *Undergraduate Bulletin* and the LD UCA Core Check Sheet in selecting an appropriate SS course.

¹¹ Refer to the current *Undergraduate Bulletin* regarding BIOL 2406 for prerequisites and minimum grade requirements.

Notes – *continued*

¹² ATTR 1350 should be taken during the semester in which the student applies for admission to the program.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

General Note

A master's degree is required for licensure in speech-language pathology. To practice as a speech-language pathologist in Arkansas and other states, individuals must have a master's degree and be licensed. To be licensed, individuals must have the Certificate of Clinical Competence from the American Speech-Language-Hearing Association. To obtain this certificate, individuals must successfully complete a master's degree, pass a national examination and complete a clinical fellowship year. The clinical fellowship year is typically completed during the first year the graduate is working as a speech-language pathologist. The master's program takes two full years to complete. Applications for the UCA master's program are submitted in January of the student's senior year. The program starts in the Fall.

Notes

¹ A minor is not required. In lieu of a minor, students must complete approximately 22 hours of electives across related disciplines approved by the major academic advisor.

² The program requires a 2.75 minimum cumulative GPA and a 3.0 minimum major GPA. If a student receives a D or F in any CSD course, the course must be repeated.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first

Notes – *continued*

two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁴ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁵ Students must complete at least one Humanities (HUM) and one Fine Arts (FA) course as part of the LD UCA Core requirements.

⁶ Suggested electives: Psychology: PSYC 2350, 2370, 3310, 3325, 3351, 4320, 4325, 4351, and 4352; Physics: PHYS 1400 and 1405; Linguistics: LING 2320, 3115, and 3325; Biology: BIOL 2490 and 3370.

⁷ This degree plan assumes eight (8) hours of lab science coursework beyond the general education requirements to satisfy the BS special degree requirements.

⁸ CSD 3311 is also offered in Spring for those students who do not take it in the Fall.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ A major grade point average of 2.0 or higher on a 4.0 scale is required to complete the degree. The major consists of 53 credit hours. A grade of C or better is required in all major courses.

² This Academic Map includes 18 credit hours in the Family and Consumer Science Minor. A minor grade point average of 2.0 or higher on a 4.0 scale is required for completion of the degree. A grade of C or better is required in all minor courses.

³ EXSS courses were formerly designated with the prefix KPED.

⁴ It is recommended that students complete an FYS section of EXSS 1320. If an FYS section of the course is not available, students may complete a traditional section of EXSS 1320. Students should consult with their advisor to ensure that they complete an FYS section of a course from either Critical Inquiry or a Social Science course (designated SS) within Diversity/World Cultures. See also note 5.

⁵ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses in the major fulfilling these UD UCA Core requirements.

⁶ BIOL 1440 requires the following prerequisites: High School chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher OR BIOL 1400 and CHEM 1301 (or above), both with a grade of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology department chair prior to enrollment.

⁷ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁸ CHEM 1450 requires the following prerequisites: High school chemistry or CHEM 1301 (or above) with a C or better, and an ACT mathematics score of at least 21 or corequisite/prerequisite of MATH 1390.

⁹ Students must complete at least one Humanities (HUM) and one Fine Arts (FA) course as part of the lower-division UCA Core, one from the Diversity in Creative Works category and the other from the Critical Inquiry, Fine Arts/Humanities category. One course must be completed in the second semester and the other course must be completed in the third semester. Note that the following humanities courses have prerequisites: CHIN 2320 Intermediate Chinese II, FREN 2320 Intermediate French II, GERM 2320 Intermediate German II, SPAN 2320 Intermediate Spanish III.

Notes – *continued*

¹⁰ Prerequisite BIOL 1400/1401/1402 or 1440.

¹¹ Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this AMAP. For further details about the BS Science/Math requirement, see the Undergraduate Bulletin, "Degree Requirements." The program recommends that students complete two 4-credit hour science courses (Biology, Chemistry, or Physics) beyond the LD UCA Core requirements to fulfill the special degree requirements. It is recommended that, if students have CHEM 1402 or CHEM 1450, they complete BIOL 2406 and BIOL 2407 for their special degree requirement.

¹² In addition to PSYC 1300 General Psychology, students must complete an additional Social Science course (designated SS) in the Diversity in World Cultures category of the LD UCA Core.

¹³ Students must complete only one EXSS elective.

¹⁴ It is recommended that students complete a 3-hour upper-division course from a cognate area that supports students' career interests.

¹⁵ Students must have current CPR/First Aid Certification prior to enrolling in and during EXSS 4399 Internship in Exercise Science.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. No Yes

If “yes,” specify: _____

Notes

¹ BIOL 1401 and BIOL 1402 are equivalent to BIOL 1400 and either may be taken in its place.

² COMM 1300 and SPCH 1300 are the same course. Take only one of them.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map and consult the *Undergraduate Bulletin* and your academic advisor for courses that fulfill these UD UCA Core requirements.

Academic Map: Health Sciences, Physical Therapy

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. No Yes

If “yes,” specify: _____

Notes

¹ Either course fulfills the LD UCA Core, Physical Science requirement.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. As noted in the Academic Map, Health Sciences – Physical Therapy Emphasis majors must include the following courses in their LD UCA Core selections: MATH 1390, PSYC 1300, BIOL 1440, and CHEM 1450 or CHEM 1402.

³ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁴ EXSS courses were previously designated with the prefix KPED.

⁵ The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core (UD UCA Core). These courses must address outcomes in each of the four Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may satisfy up to two Core requirements. A student must also complete one upper-division Capstone course (Z). Consult the *Undergraduate Bulletin* and your academic advisor for appropriate courses that meet these requirements.

Notes

¹ H ED 1320 should be taken as a First-Year Seminar (FYS).

² See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. The upper-division UCA Core requirement is waived for students selectively accepted to the Medical Technology program.

³ After selective admission, the remaining hours (41) will be completed over the following 12 months at the clinical site of Baptist Health College, Little Rock. These hours will be recorded at UCA, and the Bachelor of Science in Medical Technology degree will be awarded by UCA.

NURS	4510	Community Health Nursing	5	

General Note

All courses with an asterisk (*) and all nursing courses (NURS) listed in this Academic Map (AMAP) must be completed with a minimum grade of “C.” The course requirements detailed in this AMAP are specific to the UCA BSN degree program. Students seeking admission to another nursing program are responsible for knowing the specific requirements for that program.

Notes

¹ Courses listed for Year 1 are prerequisite to the nursing major. Admission to UCA as a pre-nursing major does not guarantee admission to the nursing major, which begins in Year 2. Students must apply and be accepted to the major. Applications are available by January 15 and are due March 1 (uca.edu/nursing). See uca.edu/nursing for a complete list of major admission requirements and degree requirements.

² BIOL 1410 and 2410 or BIOL 2406 and 2407 will meet the UCA BSN degree requirements. Parts I and II must both be completed at the same institution.

³ One of these courses should be taken as a First Year Seminar (FYS).

⁴ See appropriate choices, alternatives, or substitutions for the lower-division UCA Core (LD UCA Core) under “UCA Core” in the *Undergraduate Bulletin*. The student must complete upper-division UCA Core (UD UCA Core) requirements as specified in this AMAP.

⁵ Although CHEM 1402 is preferred, CHEM 1450 will also meet the UCA BSN degree requirement and the LD UCA Core Physical Science requirement.

⁶ BIOL 2411 and NUTR 1300 are prerequisites or corequisites for the Year 2 fall semester nursing courses.

⁷ BIOL 4311 is prerequisite or corequisite for the Year 2 spring semester nursing courses.

⁸ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁹ FACS 2341 or PSYC 2370 are accepted for the UCA BSN degree. Some nursing programs which require a development course do not accept FACS 2341. If applying to another nursing program, the student should check with that program regarding its requirements. FACS 2341 or PSYC 2370 is a prerequisite or corequisite for the Year 3 fall semester nursing courses.

¹⁰ One of the statistics courses listed must be completed prior to NURS 4315.

¹¹ Prior to Year 4 spring semester, all non-nursing courses should be completed. Because of the high number of clinical hours and the variable clinical times required in this semester, students will be unable to enroll in other courses. If additional hours

Notes – *continued*

are required, an online course without any synchronous meetings should be selected. Many full-time enrollment requirements for financial aid and scholarship requirements are reduced for the last semester of a student's program. Students should see the Financial Aid office for details regarding their aid program.

SIGNED – DEPARTMENT CHAIR

DATE

SIGNED – COLLEGE DEAN

DATE

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

³ MATH 1390 is a pre-requisite for MATH 2311 and CHEM 1402.

⁴ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁵ The student will need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁶ Must be taken in last semester (fall for December graduation, spring for May or August graduation).

PETE	4691	Internship II ^{2, 14, 19}	6	

General Note

This Program Completion Plan is designed for students entering UCA as first-time freshmen. Students should consult with their advisors on a regular basis regarding their admission, retention and completion of the BSE degree. Additionally, candidates must pass the Educational Technology Competency Exam (ETCE) or successfully complete with a grade of C or better a computer literacy class emphasizing Microsoft competencies – an appropriate community college technology class, MIS 2343, or CSCI 1300. See <http://uca.edu/tlc/etce-study-materials/> for information and resources related to the ETCE. Students should be familiar with the current *Undergraduate Bulletin* related to all degree requirements.

Notes

¹ A cumulative grade point average of 2.7 or higher on a 4.0 scale is required for admission, retention, and completion of the degree.

² A major in Kinesiology and Physical Education (K-12) is required. A major grade point average of 2.7 or higher on a 4.0 scale is required for admission, retention, and completion of the degree. The major consists of 45 credit hours. A grade of C or better is required in all major courses.

³ This Academic Map includes 11 credit hours in required Health Education courses. A grade of C or better is required in all Health Education (H ED) courses. While H ED 2201 First Aid is the only required H ED pre-admission course, a student's grade point average for admission to the Physical Education Teacher Education (PETE) program will be calculated on all required H ED courses completed. First aid and CPR certificate is required until graduation. See Health Education in the current *Undergraduate Bulletin* for minor.

⁴ See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Courses may be used only once to satisfy the UCA Core. If the ACT sub-score in Reading, English, or Mathematics is below 19, remediation is required before enrolling in certain UCA Core courses. Students needing remediation in reading or writing may not enroll in an FYS until they have completed their remediation. Students must take at least one course in the Fine Arts (designated FA) and one course in Humanities (designated HUM) as part of the lower division core requirements.

⁵ WRTG 1310 must be taken on initial enrollment unless the requirement was already met or remediation is required.

⁶ This course (or an approved alternative) is a required PETE program admission course. Students must earn a C or better.

⁷ EXSS courses were formerly designated with the prefix KPED.

⁸ It is recommended that students complete an FYS section of EXSS 1320. If an FYS section of the course is not available, students may complete a traditional section of EXSS 1320. Students should consult their advisor to ensure they complete an FYS section of a course from either Critical Inquiry or a Social Science course (designated SS) within Diversity in World Cultures. An FYS course in Critical Inquiry, Diversity, or Responsible Living must be completed during the first year to meet UCA Core Requirements.

Notes – *continued*

⁹ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

¹⁰ BIOL 1440 requires the following prerequisites: High school chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher OR BIOL 1400 and CHEM 1301 (or above) with grades of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology Department Chair prior to enrollment.

¹¹ Students must submit an electronic or hardcopy of the entire score report booklet for each PRAXIS I test taken (Reading, Writing and Math) regardless of the score earned. To receive a grade in EXSS 2300, the scoring booklet must be submitted to the instructor. Failure to pass PRAXIS I tests will delay admission to the PETE program and completion of the degree.

¹² Students must earn a C or better.

¹³ In addition to PSYC 1300 General Psychology, students must complete an additional Social Science course (designated SS) in either the Diversity in World Cultures or in Responsible Living. H ED 2320 Mental Health in Responsible Living category fulfills this requirement and is required by the H ED.

¹⁴ Course requires admission to the PETE program.

¹⁵ Prerequisite required (C or better in PHYS or CHEM).

¹⁶ Prerequisite required (C or better in EXSS 2381).

¹⁷ Prerequisite required (C or better in EXSS 4300)

¹⁸ Students are required to submit a copy of their registration for PRAXIS II Subject Area Assessment tests in order to receive a grade in PETE 4380

¹⁹ Students are required to pass PRAXIS II Subject Area Assessment tests PRIOR to enrolling in PETE 4690 and PETE 4691. Students must submit an electronic or hardcopy of the entire score report booklet for each PRAXIS II tests taken regardless of the score earned.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. ____ No ____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the [Department of Psychology and Counseling](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

² PSYC 1300 General Psychology must be taken prior to other PSYC courses. We recommend that PSYC 2330 (Statistics) be taken during the 2nd or 3rd semester. PSYC 2330 must be taken prior to PSYC 3332. PSYC 3332 must be taken prior to PSYC 3340.

³ This Academic Map includes 9 credit hours of a foreign language. The Bachelor of Arts requires at least 3 credit hours at the 2300 or higher level. Depending on the students prior language experience the total number of general electives taken to complete 120 credit hours may need to be adjusted.

⁴ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this AMAP as needed depending upon the chosen minor field of study.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

² First Year Seminar (FYS) preferred.

³ See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 6.)

⁴ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester plan.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

⁵ In selection of general electives, a student should consider the need to achieve 40 hours of coursework at the upper-division level.

⁶ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. The capstone courses is AFAM 4150 Senior Interdisciplinary Capstone. Consult the *Undergraduate Bulletin* and your academic advisor for other appropriate UD UCA Core courses.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. It is strongly recommended that English majors take core courses with ENGL prefixes where possible. If that is not possible, courses with the following prefixes are recommended: ANTH, AFAM, HIST, LING, PHIL, PSCI, RELG, SOC, WLAN.

² COMM 1300 and SPCH 1300 are the same course. Take only one of them.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need may void the guaranteed Eight-Semester plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

⁵ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of English](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

Notes

¹ Satisfies “Inquiry and Analysis: Fine Arts/Humanities” UCA Core requirement. This course or a World Literature course (ENGL 2305 or 2306) should be taken as “First Year Seminar.”

² COMM 1300 and SPCH 1300 are the same course. Take only one of them.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. It is strongly recommended that English majors take core courses with ENGL prefixes where possible. If that is not possible, courses with the following prefixes are recommended: ANTH, AFAM, HIST, LING, PHIL, PSCI, RELG, SOC, WLAN.

⁵ Satisfies “Diversity in World Cultures” UCA Core requirement. This course or Film and Literature (ENGL 1355) should be taken as “First Year Seminar.”

⁶ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See this Academic Map and the [Department of English](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

⁷ Course may be in any area. However, teaching candidates are strongly advised to take LING 4330 Linguistics for Educators, WRTG 4305 Contemporary Composition: Theory and Application, or WRTG 4340 Teaching Creative Writing. These are 3-hour courses, so taking two of them may be possible for candidates, but would put them over the 120-hour threshold.

⁸ These courses require formal admission to Teacher Education program.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

³ In selection of general electives, a student should consider the need to achieve 40 hours of coursework at the upper-division level.

⁴ Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.5, Bachelor of Science.

⁵ HIST 2320 Introduction to History Research must be taken prior to enrolling in upper-division history courses.

⁶ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. Three (3) upper-division hours must be chosen from either: African, Asian, Latin American or Middle Eastern history. See the [Department of History](#) page in the *Undergraduate Bulletin* for courses within the major that fulfill the UD UCA Core requirements.

Academic Map: Interdisciplinary Liberal Studies

General Notes: Admission to the Program, Required Concentration

Students seeking to be admitted to the Interdisciplinary Studies (ILS) degree program must have completed 30 hours with a 3.0 or higher cumulative grade point average, meet with the Associate Dean of the College of Liberal Arts (ILS director), and prepare an official application for admission to the program. The ILS degree requires 21 hours of Foundation courses; see degree check sheet.

The Interdisciplinary Liberal Studies degree requires a concentration. The concentration must include a minimum of 27 hours of course work. See the [program page](#) in the *Undergraduate Bulletin* or the degree check sheet for more information.

Notes

¹ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

Students are also required to complete upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses fulfilling requirements for UD UCA Core I, R, and Z; consult the *Undergraduate Bulletin* and your academic advisor for courses fulfilling UD UCA Core C and D.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

Academic Map: International Studies

Department: Political Science **Degree:** BA

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. No Yes

If “yes,” specify: _____

Notes

¹ This Academic Map includes 24 hours in a minor field of study. Minor requirements range from 15 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student’s choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number required to complete the program.

² PSCI 1330 is a prerequisite for all upper-division Political Science courses and satisfies the American History & Government requirement in the LD UCA Core.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan. The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁵ The program in International Studies requires 3 credit hours of a foreign language beyond that required for the BA.

⁶ International Studies has been divided into three concentrations: (1) International Politics & Diplomacy, (2) International Political Economy, and (3) Regional Studies. Students must complete a minimum of eighteen hours of upper-division elective

Notes – *continued*

courses within their selected concentration: six courses at the 3000-level or above from one of the three International Studies concentrations, including at least two courses at the 3000-level or above from the political science offerings.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map (AMAP) includes 27 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this AMAP.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester plan.

⁴ MATH 1390 is a prerequisite for CSCI 1470, required in this track.

⁵ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁶ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

Academic Map: Linguistics, Track Four: General Linguistics

WLAN	4691	Internship II	6	

Notes

¹ This Academic Map includes the 18 credit hour Minor in Teaching and Learning. This minor is required for all students seeking Arkansas K–12 licensure to teach Chinese. NB: WLAN 4330 substitutes for MSIT 4321 in the minor.

² Prerequisite CHIN 1420 or departmental placement.

³ See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 5.)

⁴ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁵ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

⁶ See *Undergraduate Bulletin* for options.

Academic Map: Modern Languages, French / Traditional

¹ Prerequisite: Three or more years of high school Spanish, departmental placement, or consent of chair.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 5.)

³ Options include Spanish 2325, 2330, or 2350. See the *Undergraduate Bulletin* for more information.

⁴ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁵ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See notations in the Academic Map for courses in the major that fulfill these requirements.

⁶ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending upon the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in the plan.

⁷ See *Undergraduate Bulletin* for options.

Academic Map: Modern Languages, Spanish/Business

Department: Languages, Linguistics, Literatures, and Cultures **Degree:** BA
Program/Major: Modern Languages
Track/Emphasis: Spanish/Business
Does this program require a minor? (Yes/No) Yes – General Business

Important program information in the online *Undergraduate Bulletin*:

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type "x" as appropriate. _____ No Yes

If "yes," specify: General Business

Notes

¹ Prerequisite: Three or more years of high school Spanish, departmental placement, or consent of chair.

² See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students may complete the lower-division core classes in any semester that suits their academic needs except as specified in this document. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 4.)

³ This Academic Map includes 24 credit hours in the General Business Minor. Students planning on completing an MBA degree may wish to select as General Business minor electives two courses that are also prerequisites for admission to UCA's MBA program: FINA 3330 Managerial Finance and QMTH 2330 Business Statistics. QMTH has a prerequisite of MATH 1395.

⁴ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See notations in the Academic Map for courses in the major that fulfill these requirements.

⁵ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁶ Options include Spanish 2325, 2330 or 2350. See *Undergraduate Bulletin* for more information.

⁷ See *Undergraduate Bulletin* for options.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

² This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

³ Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Philosophy and Religion](#) page in the *Undergraduate Bulletin* and consult your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁴ Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this AMAP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.5, Bachelor of Science.

 DATE
To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This Academic Map includes 24 hours in a minor field of study. Minor requirements range from 15 to 27 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. A student’s choice of minor and special degree requirements may result in the total number of credit hours taken to exceed the total number required to complete the degree program.

² PSCI 1330 is a prerequisite for all upper-division Political Science courses and it satisfies the American History & Government requirement in the UCA Core.

³ Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. The Academic Advising Center and the Department of Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

⁴ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Department of Political Science](#) page in the *Undergraduate Bulletin* and your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁵ Political Science majors must complete one three-credit-hour course from a minimum of four of the six Political Science subfields for a total of twelve credits; and an additional nine credits from any of the six Political Science subfields.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 3.)

² Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

³ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Religious Studies](#) program page in the *Undergraduate Bulletin* and consult your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

⁴ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

Academic Map: Religious Studies

Department: Philosophy and Religion **Degree:** BS
Program/Major: Religious Studies
Track/Emphasis: _____
Does this program require a minor? (Yes/No) Yes

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. No Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core (see note 2).

² Students are required to take upper division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. See the [Religious Studies](#) program page in the *Undergraduate Bulletin* and consult your academic advisor for courses within the major that fulfill the UD UCA Core requirements.

³ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁴ Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this AMAP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.5, Bachelor of Science.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. (See note 6.)

² Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

³ For sociology majors, SOC 1300 meets both a major requirement and the LD UCA Core requirement for the Social Science category in Critical Inquiry. See the *Undergraduate Bulletin* and consult with your major advisor or the chair of the Department of Sociology for additional information on courses that may double count in this way.

⁴ This course is one of five required major courses that students should take in sequence. These five courses (SOC 1300, SOC 2321, SOC 3320, SOC 4330, and SOC 4360) are offered each fall and spring term (and in many cases during a summer term). In consultation with a departmental advisor, a student may elect to take these courses during either term.

⁵ This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁶ Sociology majors may take either SOC 3310 Racial and Ethnic Relations or SOC 3361 Gender and Society, offered each fall and spring term, and count it toward elective credits in the major and toward upper-division UCA Core (UD UCA Core) requirements in both the Diversity and Responsible Living categories. Furthermore, SOC 3320 and SOC 4360, required major courses, double count in this way (see notations in this AMAP). Students should review the [Department of Sociology](#) page in the *Undergraduate Bulletin* and the sociology major checklist or consult with their major advisor for additional information on these requirements.

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core (see note 4).

² Prerequisite for ECON 2320 Principles of Macroeconomics.

³ COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁴ Students are required to take upper-division courses that address outcomes in each of the four areas of the UCA Core: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). These courses may count as major, minor, or elective requirements, and one course may satisfy up to two Core requirements, as long as the outcomes for both areas are assessed. The UCA Core capstone requirement (Z) will, in addition to any disciplinary goals and outcomes, address certain UCA Core goals and outcomes in Critical Inquiry, Communication, and Collaboration. HIST 3310 and HIST 4392 MAY NOT be used as upper-division electives. See note 5 for courses in the major that fulfill these requirements.

⁵ Program admission required. Requirements: (1) 2.7 cumulative GPA on all coursework attempted; (2) Praxis I passing scores; (3) Technology Competency exam or acceptable technology course; (4) MATH 1390 with grade of C or better; (5) two faculty recommendations (6) admission interview with history department faculty. Application for Program Admission, including registration for faculty interview, must be completed by October 1 for Fall or March 1 for Spring.

Bachelor of Science in Education in Social Studies, History Emphasis

Persons wishing to pursue a BSE in social studies (history emphasis) must apply to the Office of Candidate Services and meet established criteria for admission to the teacher education program. The degree requires completion of (1) the UCA Core, (2) the 18-hour minor in Teaching and Learning, (3) 54 hours of History/Social Studies, and (4) 18 hours in Teacher Internship and Social Studies Methods. Licensure requirements are established by the Arkansas Department of Education, and must be

Notes – *continued*

met before a teaching license is issued. Upper-division UCA Core requirements will be met through the following required program components:

- US History Electives [UD UCA Core: I]
- MSIT 3310 [UD UCA Core: D and R]
- MSIT 4320 [UD UCA Core: C]
- HIST 4300 [UD UCA Core: Z]

Students should refer to the [College of Education](#) in the *Undergraduate Bulletin* to determine specific requirements for admission to the professional education program. Contact the Chair of the Department of History (450-3158), the Chair of the Department of Teaching and Learning (450-5466), or the Office of Candidate Services (450-3131).

⁶ Praxis II Social Studies Content and Interpretation (code #5086) test must be passed by April 30 of semester before senior year. Senior Fall Block required courses are not part of the Teaching and Learning Minor.

⁷ All other course work must be completed and Praxis II passed before enrolling in Internship II.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ If 15 semester hours are needed to comply with a scholarship, it is the student’s responsibility to add 1-3 hour(s) of a general elective course or UCA Lower Division Core course to the semester.

² MATH 1390 or equivalent is required to enroll in MATH 1491 or MATH 2311. A “C” or better in MATH 1390 and a “C” or better in MATH 1392, or a “C” or better in MATH 1580, or equivalent is required to enroll in MATH 1496. Student should take MATH 2311 Statistical Methods prior to completing 30 semester hours.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See notations in this Academic Map and the [Department of Biology](#) page in the *Undergraduate Bulletin* for courses in the major that fulfill these requirements.

⁴ This degree requires 28 hours of Biology Elective courses. The plan is designed with the minimum number of courses required to meet degree requirements. However, students may elect to take Biology elective courses that are not lab classes. The student must take a **minimum** of 4 Biology elective lab courses (16 credit hours). The remaining 12 hours of Biology elective courses may be any approved Biology elective course. See appropriate choices under the [Department of Biology](#) in the *Undergraduate Bulletin*.

⁵ If students combine the UD UCA Core Diversity (D) and Responsible Living (R) requirement into one course or if Biology elective courses are used in place of the UD UCA Core or Capstone requirements, these courses must be replaced with general electives in order to meet the minimum 120 credit hours required for graduation.

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students are encouraged to choose a course in economics to fulfill either Lower Division Core social science category (ECON 2320 or 2321) or their responsible living category (ECON 1310) requirements.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the *Undergraduate Bulletin* and consult with your academic advisor to select appropriate courses to fulfill upper-division requirements. The capstone requirement is fulfilled by successful completion of CHEM 4112.

² Must be taken in the semester offered.

³ Must be one of the following courses: CHEM 3360, CHEM 4335, CHEM 4351, or CHEM 4385.

⁴ Students must take at least two hours of research.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ This degree program requires a minimum of 12 credit hours in Lab Sciences in Biology, Chemistry, and Physics. Course sets that satisfy the requirement include BIOL 1440 and 1441 (Biology I and II), CHEM 1450 and 1451 (College Chemistry I and II), PHYS 1410 and 1420 (College Physics 1 and 2), and PHYS 1441 and 1442 (University Physics 1 and 2). A student must take a sequence (8 credits) from one of the three subject areas and one course from an area outside of the sequence.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living (one of the LD UCA Core courses in the second semester must be designated FYS).

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map and consult the *Undergraduate Bulletin* and your academic advisor for courses that fulfill these upper-division requirements.

³ See the [Department of Computer Science](#) page in the *Undergraduate Bulletin* for a list of electives.

Academic Map: Environmental Science, Biology

Department: Biology **Degree:** BS
Program/Major: Environmental Science
Track/Emphasis: Biology
Does this program require a minor? (Yes/No) No

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <http://uca.edu/ubulletin/general-policies-information/uca-core/>

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ If 15 semester hours are needed to comply with a scholarship(s), it is the student’s responsibility to add 1-3 hour(s) of a general elective course or LD UCA Core course to the semester.

² Student may choose one of the following courses to satisfy the statistics requirement: MATH 2311 (Statistical Methods), PSCI 2312 (Statistical Methods Political Analysis), PSYC 2330 (Psychological Statistics), or SOC 2321 (Social Statistics). Student should take Statistics course prior to completing 30 semester hours. MATH 1390 or equivalent is required to enroll in MATH 2311.

³ See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that fulfill these upper-division requirements; consult the *Undergraduate Bulletin* and your academic advisor to select appropriate courses to fulfill the remaining upper-division Responsible Living (R) requirement.

⁴ MATH 1390 or equivalent is required to enroll in MATH 1491. A “C” or better in MATH 1390 and a “C” or better in MATH 1392, or a “C” or better in MATH 1580, or equivalent is required to enroll in MATH 1496.

⁵ These courses cannot be from the same taxonomic grouping (vertebrate, invertebrate, plant).

⁶ This degree requires 31 hours of Biology elective courses, including taxonomic, theory, and track electives. The AMAP is designed with the minimum number of courses required to meet degree requirements. However, students may elect to take Biology elective courses that are not lab classes. The student must take a **minimum** of 4 Biology elective lab courses (16 credit hours). The remaining 15 hours of Biology elective courses may be any approved Biology elective course. See appropriate choices under the [Environment Science](#) Interdisciplinary Program in the *Undergraduate Bulletin*.

⁷ If students combine the UD UCA Core Diversity (D) and Responsible Living (R) requirement into one course or if Biology elective courses are used in place of the UD UCA Core Capstone requirements, these courses must be replaced with general electives in order to meet the minimum 120-credit hours required for graduation.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. No Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. Students are encouraged to choose a course in economics to fulfill either Lower Division Core social science category (ECON 2320 or 2321) or their responsible living category (ECON 1310) requirements.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Consult annotations in this Academic Map, the *Undergraduate Bulletin*, and your academic advisors for appropriate courses with which to fulfill UD UCA Core requirements.

² Restricted elective (at least 10 hours): Choose from either CHEM 3150, CHEM 3360, CHEM 4320, CHEM 4335, CHEM 4380, CHEM 4450, CHEM 4460, BIOL 3403, ENVR 4465, GEOG 4304, GEOG 4305, ECON 3330, and a maximum of 2 credits of research in the College of Natural Science and Mathematics, or 8 hours of courses that count toward a minor in mathematics, biology, physics, or geography.

³ CHEM 4351 and CHEM 4152 are offered spring semester, odd years. Must be taken in semester offered.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ Various lower-division Core courses are offered as First Year Seminars (FYS), but it is recommended the student take Principles of Geography, as it will prepare them for several of the upper-level courses.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See entries in this Academic Map for courses within the major that fulfill the UD UCA Core requirements.

³ The student should take PSCI 1330 (rather than HIST 2301 or 2302) in the American History/Government category, since it is a prerequisite for two PSCI courses later in the program.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the *Undergraduate Bulletin* and consult your academic advisor for appropriate courses with which to fulfill these upper-division requirements.

² This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan. Due to an overlap of programs, the minor cannot be in Biology, Chemistry, Physics, or Physical Science.

³ Major Elective, Minor Elective, and General Elective courses must be completed so that a minimum of 40 hours of credit are earned at the 3000 level or above.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the *Undergraduate Bulletin* and consult your academic advisor for appropriate courses with which to fulfill these upper-division requirements.

² This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan. Because of an overlap of programs, the minor cannot be in Biology, Chemistry, Physics, or Physical Science.

³ Major Elective, Minor Elective, and General Elective courses must be completed so that a minimum of 40 hours of credit are earned at the 3000 level or above.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. PSCI 1330 is recommended for LD UCA Core: Inquiry and Analysis: American History and Government.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that will fulfill some of these requirements. For other available courses, consult the *Undergraduate Bulletin* and your academic advisor.

² Students with strong language skills may test out of the first and/or second semester of a foreign language and take the sophomore-level course immediately. See the Department of World Languages, Literatures, and Cultures for test information. Students with no previous experience in a foreign language may need to take up to six hours of 1000-level instruction to prepare for the required course. The 1000-level courses are not included in this plan of study. It is recommended that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

³ A regional course is required. The student may choose one of the following: GEOG 3315 Latin America (Spring, even years), GEOG 3345 Geography of China and East Asia (Spring, odd years), GEOG 3380 Geography of Arkansas (Fall, even years), or GEOG 4390 Historical Geography of North America (Fall, odd years).

⁴ These courses will fulfill the requirement of 12 hours of upper-division Geography courses.

⁵ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁶ Choose 1 from GEOG 3301, GEOG 3333, GEOG 4304, GEOG 3325, or GEOG 4313.

³ Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.5, Bachelor of Science.

⁴ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁵ Choose one from GEOG 3301, GEOG 3333, GEOG 4304, GEOG 3325, or GEOG 4313.

⁶ These courses will fulfill the requirement of 12 hours of upper-division Geography courses.

⁷ Depending upon taking two science courses or two mathematics courses for the BS requirement, the student may need to complete additional credit hours to reach the 120 minimum for graduation.

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. PSCI 1330 is recommended for LD UCA Core: Inquiry and Analysis: American History and Government.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that will fulfill some of these requirements. For other available courses, consult the *Undergraduate Bulletin* and your academic advisor.

² A regional course is required. The student may use any one of the following: GEOG 3315 Geography of Latin America (Spring, even years), GEOG 3345 Geography of China and East Asia (Spring, odd years), GEOG 3380 Geography of Arkansas (Fall, even years), or GEOG 4390 Historical Geography of North America (Fall, odd years).

³ Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this AMAP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements,” § 2.2.5, Bachelor of Science.

⁴ This Academic Map includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this plan.

⁵ Choose 1 from GEOG 3301, GEOG 3333, GEOG 4304, GEOG 3325, or GEOG 4313.

⁶ Depending upon taking two science courses or two mathematics courses for the BS requirement, the student may need to complete additional credit hours to reach the 120 minimum for graduation.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. No Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Lower Division Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Lower Division Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See the annotations in this Academic Map for courses in the major that will fulfill these requirements; for others, consult the *Undergraduate Bulletin* and your academic advisor.

² This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours, so the student will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen minor field. Depending on a student’s choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.

³ The pure mathematics major requires 24 hours of upper-division courses. The additional 16 upper-division credit hours needed to complete the degree may be met by courses in the minor field and by additional math or general electives.

⁴ The BA degree requires three hours of foreign language at the 2000-level or above. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Additionally, the Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ The Computer Science minor is strongly encouraged. In this Academic Map, 20 credit hours are set aside for the minor. The Computer Science minor requires a minimum of 18 credit hours. Depending on the minor and courses selected, the number of general electives may need to be adjusted to bring the total credit hours in the program to 120.

² For the BS in Mathematics, this course fulfills the LD UCA Core Critical Inquiry – Quantitative requirement.

³ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses within the major that fulfill the UD UCA Core requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available UD UCA Core courses.

⁴ Any one of the three courses listed here fulfills the LD UCA Core requirement in American History and Government.

⁵ Any one of the three courses listed here fulfills the LD UCA Core requirement in Natural Sciences – Life Science.

⁶ Either MGMT 2301 or COMM 1300 fulfills the LD UCA Core requirement in Oral Communication. Note: COMM 1300 and SPCH 1300 are the same course. Take only one of them.

⁷ More than one instance of this course may be taken if topics differ. Special topics may include Experimental Design, Six-Sigma Analysis, and Social Network Analysis.

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a Lower-Division (LD) UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses in the major that fulfill these upper-division requirements; for others, consult the *Undergraduate Bulletin* and your academic advisor.

² This Academic Map includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 27 credit hours, so the student will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen minor field. Depending on a student’s choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.

³ The pure mathematics major requires 24 hours of upper-division courses. The additional 16 upper-division credit hours needed to complete the degree may be met by courses in the minor field and by additional math or general electives.

Does this program require a minor? (Yes/No) _____ Yes¹ _____

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <http://uca.edu/ubulletin/general-policies-information/uca-core/>
LD Core Check Sheet: <http://uca.edu/academicbulletins/ld-uca-core/>
Degree Requirements: <http://uca.edu/ubulletin/general-policies-information/degree-requirements/>
Program Description: <http://uca.edu/ubulletin/colleges-departments-programs/college-of-natural-sciences-and-mathematics/department-of-physics-and-astronomy/>
Course Descriptions: <http://uca.edu/ubulletin/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/academicbulletins/ld-uca-core/) (http://uca.edu/academicbulletins/ld-uca-core/) takes the user to the *Undergraduate Bulletin*'s UCA Lower-Division Core check sheet, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/academicbulletins/acts/) takes the user to the *Undergraduate Bulletin*'s ACTS page (http://uca.edu/academicbulletins/acts/) for additional information and a UCA-ACTS crosswalk.

Year 1

Fall – Semester 1 (credit hours: 15)

SUBJ	NUM	TITLE	SCH	ACTS
PHYS	1441	University Physics 1	4	PHYS2034
MATH	1496	Calculus I	4	MATH2405
WRTG	1310	Introduction to College Writing	3	ENGL1013
		LD UCA Core ²	3	core link
		General Elective Course ³	1	

Spring – Semester 2 (credit hours: 15)

SUBJ	NUM	TITLE	SCH	ACTS
PHYS	1442	University Physics 2	4	PHYS2044
MATH	1497	Calculus II	4	MATH2505
WRTG ENGL	1320 1320	Academic Writing and Research or Interdisciplinary Writing and Research or Other approved alternative (LD UCA Core: Research/Writing) ²	3	ENGL1023 ENGL1023 core link
CSCI	1340	Introduction to Programming	3	
		General Elective Course ³	1	

Year 2**Fall – Semester 3 (credit hours: 17)**

SUBJ	NUM	TITLE	SCH	ACTS
PHYS	2443	University Physics 3	4	
MATH	2471	Calculus III	4	MATH2603
		LD UCA Core ²	3	core link
		LD UCA Core ²	3	core link
		LD UCA Core ²	3	core link

Spring – Semester 4 (credit hours: 15)

SUBJ	NUM	TITLE	SCH	ACTS
PHYS	2320	Introductory Computational Physics	3	
PHYS	3341	Mathematical Methods in Physics	3	
MATH	3331	Ordinary Differential Equations (UD UCA Core: C)	3	
		LD UCA Core ²	3	core link
		LD UCA Core ²	3	core link

Year 3**Fall – Semester 5 (credit hours: 15)**

SUBJ	NUM	TITLE	SCH	ACTS
PHYS	3210	Experiments in Physics 1	2	
PHYS	3342	Mechanics	3	
PHYS	3360	Electromagnetism 1	3	
BIOL	1400	Exploring Concepts in Biology or Approved alternative (LD UCA Core: Life Science) ²	4	BIOL1004 core link
WRTG	3310	Technical Writing (UD UCA Core: C)	3	

Spring – Semester 6 (credit hours: 15)

SUBJ	NUM	TITLE	SCH	ACTS
PHYS	3220	Experiments in Physics 2	2	
PHYS	3343	Thermal Physics	3	
PHYS	3361	Electromagnetism 2	3	
		LD UCA Core ²	3	
PHIL	3320 3325	Ethics (UD UCA Core: I, R) or Political Philosophy (UD UCA Core: I, R)	3	
		General Elective Course ³	1	

Year 4**Fall – Semester 7 (Credit hours: 15)**

SUBJ	NUM	TITLE	SCH	ACTS
PHYS	4111	Senior Capstone 1	1	
PHYS	3353	Quantum Mechanics 1	3	
		Major Elective ^{3, 4}	3	
		General Elective Course ³ (UD UCA Core: D)	3	

SUBJ	NUM	TITLE	SCH	ACTS
		General Elective Course ³	3	
		General Elective Course ³	2	

Spring – Semester 8 (Credit hours: 13)

SUBJ	NUM	TITLE	SCH	ACTS
PHYS	4211	Senior Capstone 2 (UD UCA Core: Z)	2	
		Major Elective ^{3, 4}	3	
		General Elective Course ³	3	
		General Elective Course ³	3	
		General Elective Course ³	2

To be completed by the advisor when an Eight-Semester plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. _____ No _____ Yes

If “yes,” specify: _____

Notes

¹ Students completing the requirements for the program complete the requirements for a minor in Mathematics.

² See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map for courses in the major that fulfill these upper-division requirements. Consult the *Undergraduate Bulletin* and your academic advisor for other available courses.

³ Major Elective and General Elective courses must be selected so that a minimum of 40 hours of credit is earned at the 3000 level or above.

⁴ Major elective courses must be approved by the Chair of the Department of Physics and Astronomy.
