**Notes**

<sup>1</sup> The program is 120 semester credit hours if the student tests out of the Foreign Language prerequisites. The degree requires 45 hours of art (including 12 hours of art history), 21 hours of art education, 14 hours of professional education, 35 hours of UCA Core courses (no additional course in the Fine Arts/Humanities section of the Core is required—ART 2335 or ART 2336 fulfills the LD UCA Core requirement in Critical Analysis, Fine Arts/Humanities), and 3 hours of foreign language at the 2000 level. Art courses must follow a prerequisite structure.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in either the Diversity or the Responsible Living section of the UCA Core.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. An approved UCA Core lab science and an approved UCA Core math course should be taken in the first two years if possible. The student will also need to complete major courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. See annotations in this Academic Map and consult your academic advisor for courses that will satisfy these upper-division requirements – Diversity (D), Responsible Living (R), Communication (C), Critical Inquiry (I), and the capstone experience (Z).

<sup>3</sup> Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

<sup>4</sup> Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

<sup>5</sup> Prerequisites for Portfolio I are ART 1310, 1321, 2312, 2322, and 3 hours from 2335 or 2336.

<sup>6</sup> Educational Technology Competency exam must be completed prior to admission to Level I of the Teacher Education Program. Students may choose to take CSC1 1300 or MIS 2343 for Level I admittance but should be aware that this adds one additional hour to the total number of hours for the degree.

<sup>7</sup> Only the 2000-level Foreign Language is required (fall, Year 3); however, students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction in order to complete the 2000-level course. The hours for these lower-level courses are not included as part of the 120 hours required for the degree. Students with prior experience in a foreign language should contact the Department of Languages, Linguistics, Literatures, and Cultures to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of Languages, Linguistics, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.
