

## Program Completion Plans, Fall 2014

### Omnibus Collection

This omnibus document collects all Program Completion Plans (aka Academic Maps) for students entering in the Fall 2014 term. Updates/corrections will be made to this file when updates/corrections are made to any of the plans/maps collected within it.

Updated 2014-05-20 | jag

## Program Completion Plans

College of Business undergraduate Program Completion Plans follow in this order:

<b>Program Name</b>	<b>Degree</b>
Accounting	BBA
Accounting - 3 Year	BBA
Business Administration (General)	BBA
Economics	BS
Economics, International Trade	BA
Economics, International Trade	BBA
Finance	BBA
Innovation & Entrepreneurship	BBA
Insurance & Risk Management	BBA
Insurance & Risk Management, Personal Financial Planning	BBA
Management	BBA
Management, Supply Chain Management	BBA
Management Information Systems, Application Development – E-Commerce	BBA
Management Information Systems, Application Development - GIS	BBA
Management Information Systems, Application Development – Programmer/Analyst	BBA
Management Information Systems, Business Analyst	BBA
Management Information Systems, Telecommunication	BBA
Marketing	BBA
Marketing, Supply Chain Management	BBA

Sorted by Program Name and Degree

## Program Completion Plan (Eight Semester Plan)

Department: Accounting Degree: BBA  
 Program/Major: Accounting  
 Track/Emphasis: \_\_\_\_\_  
 Does this program require a minor? (Yes/No) No

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
 Degree Requirements: <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>  
 Program Description: <http://uca.edu/ubulletin2014/colleges-departments-programs/college-of-business/department-of-accounting/>  
 Course Descriptions: <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/go/ubulletin2014-ldcore/) (http://uca.edu/go/ubulletin2014-ldcore/) takes the user to the *Undergraduate Bulletin's* UCA Core page, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/go/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (http://uca.edu/go/acts) for additional information and a full UCA-ACTS crosswalk.

### Year 1

#### Fall – Semester 1 (credit hours: **15**)

SUBJ	NUM	TITLE	SCH	ACTS
WRTG	1310	Introduction to College Writing	3	<a href="#">ENGL1013</a>
MATH	1390	College Algebra	3	<a href="#">MATH1103</a>

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Note: Students may be able to take a UCA Core course required for the major as a FYS option. The student would then substitute another UCA Core course in its place on the PCP. For example, if a student took ECON 2310 as a FYS, they would need to replace ECON 2310 on the PCP with a different UCA Core course. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Students must complete a course at a 2000 level or higher in a foreign language (or score an equivalent score on the placement exam) for a Bachelor of Arts degree. A student with no previous experience in a foreign language normally will enroll in 1310. Students with prior experience in a language are strongly encouraged to take the departmental placement test before enrolling in their first course. Note: Guided Study (i.e., correspondence) courses will not be accepted as transfer credit in fulfillment of the foreign language requirement. Students who have not previously received undergraduate credit in a given

*Notes – continued*

foreign language at a college or university may receive credit by examination in that language. Such credit is limited to a maximum of six hours in one language or twelve hours within the department and is granted by fulfilling the following criteria:

- Achievement of a satisfactory score on a placement examination administered by the Department of World Languages, Literatures, and Cultures.
- Satisfactory completion, with a minimum grade of B, of the next foreign language course above the level for which credit by examination is to be awarded.
- In cases of unusually thorough preparation, or in the case of international students, exemption may be sought from the Department of World Languages, Literatures, and Cultures.

A student who has met the foreign language requirement in fewer hours than listed on the PCP must substitute a 3 hour general elective for the foreign language course that is not needed.

<sup>3</sup> A student must take either ECON 1310 or ECON 2310 from the UCA Core.

<sup>4</sup> Students may take their UCA Core Science classes in any space designated UCA Core course. However, at least one Natural Science course must be completed in the first year.

<sup>5</sup> This Program Completion Plan includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

<sup>6</sup> A student must complete five economics global major elective courses that are upper division economics classes or upper division level global courses in Geography, History, Political Science, or Sociology. Global courses must have an international component and be current. A student may take other classes approved by his/her advisor to meet this requirement.

**Economics courses:** Any 3000- or 4000-level Economics course not listed above

**Geography courses:** GEOG 3300, 3305, 3315, 3320, 3335, 3345, 3346, 3381, 3385

**History courses:** HIST 3304, 3312, 3321, 4305, 4309, 4328, 4347, 4353, 4377, 4379, 4381, 4382, 4383, 4387, 4388, 4394, 4397

**Political Science courses:** PSCI 3305, 3315, 3340, 3382, 4305, 4310, 4320, 4325, 4328, 4345, 4348, 4388, 4395

**Sociology courses:** SOC 3398, 4341

## Program Completion Plan (Eight Semester Plan)

**Department:** Economics, Finance, Insurance and Risk Management      **Degree:** BBA  
**Program/Major:** Economics  
**Track/Emphasis:** International Trade  
**Does this program require a minor? (Yes/No)** No

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>  
**Program Description:** <http://uca.edu/ubulletin2014/colleges-departments-programs/college-of-business/economics-finance-and-insurance-and-risk-management/>  
**Course Descriptions:** <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/go/ubulletin2014-ldcore/) (<http://uca.edu/go/ubulletin2014-ldcore/>) takes the user to the *Undergraduate Bulletin's* UCA Core page, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/go/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (<http://uca.edu/go/acts/>) for additional information and a full UCA-ACTS crosswalk.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type "x" as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If "yes," specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Note: Students may be able to take a UCA Core course required for the major as a FYS option. The student would then substitute another UCA Core course in its place on the PCP. For example, if a student took ECON 2310 as a FYS, they would need to replace ECON 2310 on the PCP with a different UCA Core course. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> All BBA students must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements.

<sup>3</sup> If approved by the student's academic advisor, a student may take QMTH 2330 in semester 2 and MATH 1395 in semester 3 or semester 4.

Notes – *continued*

<sup>4</sup> Students may take their UCA Core Science classes in any space designated UCA Core course. However, at least one Natural Science course must be completed in the first year.

<sup>5</sup> In order for a BBA-seeking student to enroll in more than nine (9) hours of upper division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, QMTH 2330 with a 2.0 grade point average in these five courses.

<sup>6</sup> BBA Economics major must select three courses from the following list:

- \_\_\_\_\_ ECON 3310 Public Finance\*\*
- \_\_\_\_\_ ECON 3330 Environmental Economics\*\*
- \_\_\_\_\_ ECON 3335 Econometrics\*\*
- \_\_\_\_\_ ECON 3382 Internship in Economics\*\*
- \_\_\_\_\_ ECON 4320 Comparative Economic Systems\*\*
- \_\_\_\_\_ ECON 4375 Economics of Developing Nation\*\*
- \_\_\_\_\_ ECON 4390 Independent Study in Economics\*\*
- \_\_\_\_\_ ECON 4395 Special Problems in Economics\*\*
- \_\_\_\_\_ FINA 3340 Money, Banking, and Financial Markets\*\*
- \_\_\_\_\_ MGMT 3342 International Business\*\*

**\*\* This course has prerequisites; check the Undergraduate Bulletin for details**

<sup>7</sup> FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350, MIS 3321. These courses have a prerequisite requirement of the following courses ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, QMTH 2330.

## Program Completion Plan (Eight Semester Plan)

**Department:** Economics, Finance, Insurance and Risk Management      **Degree:** BS  
**Program/Major:** Economics  
**Track/Emphasis:** \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** Yes

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> FINA 3330, MGMT 3340, MKTG 3350. These courses have a prerequisite requirement of an average grade of “C” (2.0 Grade Point Average) or better in the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and QMTH 2330.

## Program Completion Plan (Eight Semester Plan)

**Department:** Economics, Finance, Insurance and Risk Management      **Degree:** BBA  
**Program/Major:** Insurance  
**Track/Emphasis:** \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** No

Important program information in the online *Undergraduate Bulletin*:

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type "x" as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If "yes," specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Note: Students may be able to take a UCA Core course required for the major as a FYS option. The student would then substitute another UCA Core course in its place on the PCP. For example, if a student took ECON 2310 as a FYS, they would need to replace ECON 2310 on the PCP with a different UCA Core course. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> All BBA students must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements.

<sup>3</sup> If approved by the student's academic advisor, a student may take QMTH 2330 in semester 2 and MATH 1395 in semester 3 or semester 4.

Notes – *continued*

<sup>4</sup> Students may take their UCA Core Science classes in any space designated UCA Core course. However, at least one Natural Science course must be completed in the first year.

<sup>5</sup> In order for a BBA-seeking student to enroll in more than nine (9) hours of upper division courses in the College of Business, they must meet the following progression requirements:

1. Obtain a 2.0 or higher cumulative grade point average, and
2. Complete ACCT 2310, 2311, ECON 2320, 2321, QMTH 2330 with a 2.0 grade point average in these five courses.

<sup>6</sup> FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350, MIS 3321. These courses have a prerequisite requirement of the following courses ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, QMTH 2330.

<sup>7</sup> **Insurance majors must complete two insurance elective courses from the following list:**

- \_\_\_\_\_ INSU 3330 Surplus Lines & Reinsurance\*\*
- \_\_\_\_\_ QMTH 3325 Data Analysis\*\*
- \_\_\_\_\_ FINA 3350 Personal Financial Planning
- \_\_\_\_\_ INSU 4340 Insurance Operations & Regulations\*\*
- \_\_\_\_\_ INSU 3382 Internship\*\*
- \_\_\_\_\_ INSU 4310 Internship in Insurance & Risk Management\*\*

**\*\* This course has prerequisites; check the Undergraduate Bulletin for details**

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> FINA 3330, MGMT 3340, MKTG 3350. These courses have a prerequisite requirement of an average grade of “C” (2.0 Grade Point Average) or better in the following courses: ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, and QMTH 2330.

<sup>3</sup> MATH 1395 is no longer a prerequisite for QMTH 2330. These courses may be interchanged in semesters 3 and 4.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Marketing & Management \_\_\_\_\_ **Degree:** \_\_\_\_\_ BBA \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Management \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ Supply Chain Management \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ No \_\_\_\_\_

During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> All BBA students must take ECON 2310, MGMT 2301, ECON 2320, and ECON 2321 as part of their Business Foundation courses. Nine of these hours (ECON 2310, MGMT 2301, and either ECON 2320 or ECON 2321) will count towards both BBA degree requirements and the UCA Core requirements.

<sup>3</sup> FINA 3330, MGMT 3340, MGMT 3344, MKTG 3350, MIS 3321. These courses have a prerequisite requirement of an average grade of C or better in the following courses ACCT 2310, ACCT 2311, ECON 2320, ECON 2321, QMTH 2330.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Management Information Systems \_\_\_\_\_ **Degree:** \_\_\_\_\_ BBA \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ MIS \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ Business Analysis \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ No \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>

**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>

**Program Description:** <http://uca.edu/ubulletin2014/colleges-departments-programs/college-of-business/department-of-management-information-systems/>

**Course Descriptions:** <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/go/ubulletin2014-ldcore/) (<http://uca.edu/go/ubulletin2014-ldcore/>) takes the user to the *Undergraduate Bulletin's* UCA Core page, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/go/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (<http://uca.edu/go/acts/>) for additional information and a full UCA-ACTS crosswalk.

## Program Completion Plan (Four Years)

**Department:** Early Childhood and Special Education      **Degree:** BSE  
**Program/Major:** Elementary Education K-6  
**Track/Emphasis:** N/A  
**Does this program require a minor? (Yes/No)** No

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>  
<http://uca.edu/ubulletin2013/colleges-departments-programs/college-of-education/department-of-early-childhood-and-special-education/>  
**Program Description:** <http://uca.edu/ubulletin2014/courses/>  
**Course Descriptions:** <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **123** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/go/ubulletin2014-ldcore/) (<http://uca.edu/go/ubulletin2014-ldcore/>) takes the user to the *Undergraduate Bulletin's* UCA Core page, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/go/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (<http://uca.edu/go/acts/>) for additional information and a full UCA-ACTS crosswalk.

### Year 1

#### Fall – Semester 1 (credit hours: 15)

SUBJ	NUM	TITLE	SCH	ACTS
MATH	1390	College Algebra <sup>1</sup>	3	<a href="#">MATH1103</a>
PSCI	1330	U.S. Government and Politics <sup>1</sup>	3	<a href="#">PLSC2003</a>
SPCH	1300	Basic Oral Communication <sup>1</sup>	3	<a href="#">SPCH1003</a>
WRTG	1310	Introduction to College Writing <sup>1</sup>	3	<a href="#">ENGL1013</a>
		UCA Core course (Inquiry & Analysis: Fine Arts or Humanities) <sup>1</sup>	3	<a href="#">core link</a>
		EDUC 1240, CSCI 1300, MIS 2343 or Technology Proficiency Exam <sup>2</sup>		

#### Spring – Semester 2 (credit hours: 16)

SUBJ	NUM	TITLE	SCH	ACTS
BIOL	1400	Biology for General Education <sup>1</sup>	4	<a href="#">BIOL1004</a>
HIST	2301 2302	American Nation I or American Nation II <sup>1</sup>	3	<a href="#">HIST2113</a> <a href="#">HIST2123</a>

		UCA Core course (Diversity in World Cultures: Social Sciences) <sup>1</sup>	3	core link

**Spring – Semester 4 (credit hours: 16)**

SUBJ	NUM	TITLE	SCH	ACTS
ECSE	3301	Early Development and Learning Theories	3	
ECSE	3305	Integrated Approaches to Child and Young Adult Literature	3	
HIST	3310	Arkansas History	3	
MATH	3352	Number Systems: Reals	3	
SCI	3410	Earth Science	4	

**Year 3****Fall – Semester 5 (credit hours: 15)**

SUBJ	NUM	TITLE	SCH	ACTS
ECSE	3309	Development and Characteristics of Diverse Learners <sup>4</sup>	3	
ECSE	4304	Methods for Teaching Elementary Social Studies <sup>4</sup>	3	
EDUC	4210	Integration of Technology into Teaching and Learning <sup>4</sup>	2	
MATH	4310	Topics in Mathematics	3	
SCI	4410	Concepts in Science <sup>4</sup>	4	

**Spring – Semester 6 (credit hours: 15)**

SUBJ	NUM	TITLE	SCH	ACTS
ECSE	4307	Instructional Programming for Diverse Learners <sup>5</sup>	3	
ECSE	4309	Positive Classroom Environment <sup>5</sup>	3	
ECSE	4311	Foundations of Reading <sup>5</sup>	3	
ECSE	4315	Workshop Approach to Teaching Writing in the K–12 Classroom <sup>5</sup>	3	
ECSE	4330	Integrated Curriculum and Assessment Planning <sup>5</sup>	3	

**Year 4****Fall – Semester 7 (Credit hours: 18)**

SUBJ	NUM	TITLE	SCH	ACTS
ECSE	4305	Literacy Assessment and Intervention <sup>6</sup>	3	
ECSE	4316	Instructional Strategies for Math and Science <sup>6</sup>	3	
ECSE	4318	Internship I <sup>6</sup>	3	
ECSE	4319	Guidance and Management of Children <sup>6</sup>	3	
ECSE	4320	Elementary Reading Methods <sup>6</sup>	3	
ECSE	4331	Data-Driven Instructional Planning <sup>6</sup>	3	

**Spring – Semester 8 (Credit hours: 12)**

SUBJ	NUM	TITLE	SCH	ACTS
ECSE	4603	Internship II <sup>7</sup>	6	
ECSE	4604	Internship II <sup>7</sup>	6	

**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> The student must complete competency test; if not successful, EDUC 1240 may be taken.

<sup>3</sup> See admission requirements; take Praxis Core.

<sup>4</sup> Must be admitted to teacher education.

<sup>5</sup> Must be admitted to teacher education; cohorts formed: Jr. Block field T 8:00–2:00.

<sup>6</sup> Must be admitted to teacher education; take PRAXIS II content exams; INTERNSHIP I field, Tuesday 8:00–4:00 and Thursday 8:00–12:00.

<sup>7</sup> Must be admitted to teacher education; Admission to INTERNSHIP II; take remaining PRAXIS exam(s); field daily, 8:00–4:00.

SUBJ	NUM	TITLE	SCH	ACTS
ART	4690	Art Education Internship II Directed Teaching (Student Teaching)	6	
ART	4691	Art Education Internship II Directed Teaching (Student Teaching)	6	

**Notes**

<sup>1</sup> The program is 120 semester credit hours if student tests out of the Foreign Language pre-requisites. The degree requires 45 hours of art (including 12 hours of art history), 21 hours of art education, 14-16 hours of professional education, 35 hours of UCA Core courses (fine arts requirement is not required for art majors – completion of the major fulfills the requirement), and 3 hours of foreign language at the 2000 level. Art courses must follow a prerequisite structure.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in the Diversity in Creative Works category and a Humanities course in either the Responsible Living category or the Diversity in World Cultures category.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>3</sup> Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

<sup>4</sup> Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

<sup>5</sup> Prerequisites for Portfolio I are ART 1310, 1321, 2312, 2322, and 3 hours from 2335 or 2336.

<sup>6</sup> Only the 2000 level Foreign Language is required (fall, Year 3); however, students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction in order to complete the 2000 level course. The hours for these lower-level courses are not included as part of the 120 hours required for the degree. Students with prior experience in a foreign language should contact the Department of World Languages, Literatures, and Culture to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

<sup>7</sup> Admittance into Level I of Teacher Education Program required to enroll in these courses.

<sup>8</sup> Directed Teaching (Student Teaching) semester should be completed in the Spring semester when possible.

Notes – *continued*

**Criteria for Admission to Level 1 of the Teacher Education Program**

- ♦ Students are responsible for initiating the admission process and ensuring all information is available for the admissions folder. Students should pay close attention to application deadlines as published by the Office of Professional Field Services. After midterm grading and prior to established interview dates, students may initiate the process of admission upon completion of the minimum requirements listed below.
- ♦ 2.5 GPA (including UCA, transfer, and cumulative).
- ♦ Grade of “C” or better in WRTG 1310 and 1320, SPCH 1300, MATH 1360 or 1390, EDUC 1300 and 1240 (unless satisfied by competency test).
- ♦ Grade of “C” or better in all major requirements (art, art education, and education courses).
- ♦ Successful completion of Praxis I exam.
- ♦ Completion of 45 semester hours (or current enrollment in sufficient hours to complete 45 semester hours).
- ♦ Two completed Admission Evaluations from faculty (one being from student’s EDUC 1300 instructor the other from an art studio or art history instructor).
- ♦ Successful completion of student interview by art education faculty with recommendation for admission. Sign up in the Office of Professional Field Services.
- ♦ Successful completion of the Department of Art Sophomore Major Advancement Interview (SMAI).

**Criteria for Admission to Level II of the Teacher Education Program (Directed Teaching)**

- ♦ Students must take the Praxis II content area exam (Art: Content and Analysis) prior to the Internship II semester.
- ♦ The Praxis II content area exam must be successfully completed before credit will be awarded for Internship II.
- ♦ During the Internship II semester, teacher candidates must also take Praxis II: Principles of Learning and Teaching.

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> The program requires 45 hours of art (39 credit hours in art history and 6 credit hours in studio), 35 hours of UCA Core courses (the fine arts requirement is not required for art majors - completion of the major fulfills the requirement), 3 hours of foreign language at the 2000 level, and a minor. Art courses must follow a prerequisite structure. To fulfill the minimum required 120 hours needed for the degree, students may use 6 hours of foreign language prerequisites, if needed, and minor or elective courses, or a combination of these. See additional information about minors and foreign language prerequisites below.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in the Diversity in Creative Works category and a Humanities course in either the Responsible Living category or the Diversity in World Cultures category.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for the 2000 level course that is required for the degree (Fall, Year 3). Students with prior experience in a foreign language should contact the Department of World Languages, Literatures, and Cultures to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

<sup>4</sup> This Program Completion Plan (PCP) includes 24 hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected and courses needed to meet the foreign language requirement, the student will need to adjust the number of general elective and minor elective credit hours in this PCP. Please note: art studio may not serve as a minor for this degree.

<sup>5</sup> ART 4302 requires a written proposal submitted for departmental approval the semester prior to enrollment.

		UCA Core course <sup>2</sup>	3	<a href="#">core link</a>
		General elective <sup>10</sup>	2	

**Notes**

<sup>1</sup> The program requires 80 hours of art and art history, 35 hours of UCA Core courses (fine arts requirement not required for art majors – completion of the major fulfills the requirement), and 3 hours of foreign language at the 2000 level. Art courses must follow a prerequisite structure. Students with a 2.5 cumulative GPA and 3.25 major GPA on a minimum of 24 hours of art may apply for entrance into the BFA program after successfully completing SMAI (Sophomore Major Advancement Interview). Students should submit application for acceptance into the BFA program in the spring of the sophomore year.

In order to complete the state-mandated minimum number of hours for core requirements in general education, art majors are required to complete a Humanities course in the Diversity in Creative Works category and a Humanities course in either the Responsible Living category or the Diversity in World Cultures category.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>3</sup> Students with scholarships need to be aware of the required number of credits to maintain their scholarship eligibility. There will be 30 hours completed at the end of the sophomore year.

<sup>4</sup> Category A – Ceramics I, Contemporary Media in 3D, Fibers, Sculpture I.

<sup>5</sup> Category B – Graphic Design I, Illustration I, Painting I, Photo I, Printmaking I, Watercolor I.

<sup>6</sup> Prerequisites for Art 2140 Portfolio I are ART 1310, 1321, 2312, 2322, and 3 hours from 2335 or 2336.

<sup>7</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. The hours for these lower-level courses are not included as part of the 120 hours required for the degree. Students with prior experience in a foreign language should contact the Department of World Languages, Literatures, and Cultures to take the departmental placement test before enrolling in their first course.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order to not lose fluency gained in high school.

<sup>8</sup> Art 4675 prerequisite: Submission of written proposal and departmental approval in the semester prior to enrollment.

Notes – *continued*

<sup>9</sup> Art 4300 and 4301 BFA Studio Practicum are offered each fall and spring. Students should enroll in Art 4300 first. Art 4300 prerequisite: Submission of written proposal and departmental approval in the semester prior to enrollment.

<sup>10</sup> Required only if student did not have to take lower-level foreign language prerequisites. Degree requires a minimum of 120 hours.

## Program Completion Plan (Eight Semester Plan)

Department: Writing Degree: BA  
 Program/Major: Creative Writing  
 Track/Emphasis: \_\_\_\_\_  
 Does this program require a minor? (Yes/No) Yes

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>3</sup> A total of 12 elective hours are required for the major. Elective courses are listed on the Film checklist.

<sup>4</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>3</sup> A total of 6 elective hours are required for the major. Elective courses are listed on the Journalism checklist.

<sup>4</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Mass Communication and Theatre \_\_\_\_\_ **Degree:** \_\_\_\_\_ BA \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Journalism \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ Print Journalism \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ Yes \_\_\_\_\_

**Important program information in the online *Undergraduate Bulletin*:**

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>  
**Program Description:** <http://uca.edu/ubulletin2014/colleges-departments-programs/college-of-fine-arts-and-communication/department-of-mass-communication-and-theatre/>  
**Course Descriptions:** <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/go/ubulletin2014-ldcore/) (<http://uca.edu/go/ubulletin2014-ldcore/>) takes the user to the *Undergraduate Bulletin's* UCA Core page, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/go/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (<http://uca.edu/go/acts/>) for additional information and a full UCA-ACTS crosswalk.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type "x" as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If "yes," specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, "Degree Requirements," § 2.2.5, Bachelor of Science.

<sup>3</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

<sup>4</sup> A total of 6 elective hours are required for the major. Elective courses are listed on the Journalism checklist.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

<sup>3</sup> This Program Completion Plan includes 30 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

## Program Completion Plan (Four Years with Summers)

**Department:** \_\_\_\_\_ Music \_\_\_\_\_ **Degree:** \_\_\_\_\_ BA \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Music \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ Yes<sup>1</sup> \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>

		Minor Requirement	3	
		General Elective	3	

**Notes**

<sup>1</sup> This Program Completion Plan includes 18 credits in a minor field of study. Minor requirements range from 15-31 credit hours. Students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen minor. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the degree.

<sup>2</sup> Piano III and IV are degree requirements but many students need to take Piano I and/or Piano II prior to III and IV. Testing for piano placement is done immediately before the beginning of classes in the Fall semester of the first year of study.

<sup>3</sup> During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major professor and the advisor.

<sup>4</sup> Required before taking the PRAXIS I exam. This exam is recommended if the student anticipates teaching in public schools in the future.

<sup>5</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>6</sup> A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

<sup>7</sup> MUS 1340 is a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 has been approved as a course for UCA Core Fine Arts credit in Diversity in Creative Works.

<sup>8</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study.

## Program Completion Plan (Four Years with Summers)

**Department:** \_\_\_\_\_ Music \_\_\_\_\_ **Degree:** \_\_\_\_\_ BM \_\_\_\_\_

**Notes**

<sup>1</sup> Piano III and IV are degree requirements but many students need to take Piano I and/or Piano II prior to III and IV. Testing for piano placement is done immediately before the beginning of classes in the Fall semester of the first year of study.

<sup>2</sup> Woodwind, brass and percussion students may participate in a university band or orchestra to fulfill the large ensemble requirement. String students must participate in the orchestra to fulfill the requirement. Students must participate in a large ensemble for a minimum of six semesters. After the third semester, students should register in 4000-level ensembles. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the required large ensemble each semester, as assigned by the major professor and the advisor.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>4</sup> A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

<sup>5</sup> Students should apply for admission to the Composition track during the Spring semester of the Freshman year, if not sooner. Students must pass composition admission requirements before admission into the composition track. A 'Composition Track Application' form must be completed and approved by all area faculty members at the time of the jury in which the student is applying for admission.

<sup>6</sup> MUS 1340 is a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 has been approved as a course for UCA Core Fine Arts credit in Diversity in Creative Works.

SUBJ	NUM	TITLE	SCH	ACTS
MUS	4690 <sup>12</sup>	Internship II	6	
MUS	4691 <sup>12</sup>	Internship II	6	

**Notes**

<sup>1</sup> Please refer to teacher education Level I admission requirements during this semester.

<sup>2</sup> Piano III and IV are degree requirements but many students need to take Piano I and/or Piano II prior to III and IV. Testing for piano placement is done immediately before the beginning of classes in the Fall semester of the first year of study.

<sup>3</sup> Students are required to participate in a large instrumental ensemble for at least seven semester (7 credit hours). If a student does not complete all requirements prior to Int. II by the seventh semester, an eight semester of a large ensemble is required. Woodwind, brass and percussion majors must participate in a university band to fulfill the large ensemble requirement, including marching band each fall semester, excluding the Int. II semester. String majors must participate in orchestra to fulfill the requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

<sup>4</sup> Required before taking the PRAXIS Core Test, previously PRAXIS I (recommended during Fall of the 2<sup>nd</sup> year).

<sup>5</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>6</sup> A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

<sup>7</sup> Students are encouraged to take the PRAXIS Core Test (previously PRAXIS I) by the end of the freshman year, and must take it by the end of the sophomore year to stay on track for admission to teacher education program by end of the sophomore year. Please refer to teacher education admission requirements.

<sup>8</sup> Six credits of Instrumental Methods courses are offered. Five credits of these six are required for woodwind, brass, and percussion majors, resulting in a total degree requirement of 124 hours. Four credits are required for string majors and piano majors/instrumental track, resulting in a total degree requirement of 123 hours.

<sup>9</sup> Student must be admitted into teacher education program (Level I Admission) by the end of this semester in order to register for MUS 3305 the following semester.

<sup>10</sup> This course must be taken after completion of MUS 1230/1231. Student must have also completed EDUC 1240 or the Education Technology proficiency exam prior to this semester.

Notes – *continued*

<sup>11</sup> MUS 1340 is a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 has been approved as a course for UCA Core Fine Arts credit in Diversity in Creative Works.

<sup>12</sup> Student must be admitted to the teacher education program (Level I Admission) to enroll in this course.

<sup>13</sup> Students must take the PRAXIS II (Music: Analysis, Concepts & Processes, and Continuing Knowledge) by Spring or September of this calendar year. PRAXIS II grades must be sent to student by conclusion of the fall semester of this calendar year.

<sup>14</sup> Student must take the remaining portion of the PRAXIS II (Principles of Learning & Teaching, 5-9 or 7-12) by this semester.

SUBJ	NUM	TITLE	SCH	ACTS
MUS	4690 <sup>11</sup>	Internship II	6	
MUS	4691 <sup>11</sup>	Internship II	6	

**Notes**

<sup>1</sup> Please refer to teacher education admission requirements during this semester.

<sup>2</sup> BM in Music Education, piano-instrumental track students will take 2 credits of a second instrument.

<sup>3</sup> Band or other large instrumental ensemble, seven - eight semesters required. If student does not complete all requirements prior to Int. II by the seventh semester, an eighth large ensemble is required. Piano majors may substitute up to three semesters of accompanying toward this requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

<sup>4</sup> Required before taking the PRAXIS Core, previously Praxis I (recommended during Fall of the 2<sup>nd</sup> year).

<sup>5</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>6</sup> A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

<sup>7</sup> Students are encouraged to take the PRAXIS Core Test (previously PRAXIS I) by the end of the freshman year, and must take it by the end of the sophomore year to stay on track for admission to teacher education program by end of the sophomore year. Please refer to teacher education admission requirements.

<sup>8</sup> Student must be admitted into teacher education program (Level I admission) by the end of this semester in order to register for MUS 3305 the following semester.

<sup>9</sup> This course must be taken after completion of MUS 1230/1231. Student must have also completed EDUC 1240 or the Education Technology proficiency exam prior to this semester. The proficiency exam is recommended.

<sup>10</sup> MUS 1340 is also a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 has been approved as a course for UCA Core Fine Arts credit in Diversity in Creative Works.

<sup>11</sup> Student must be admitted to the teacher education program to enroll in this course.

<sup>12</sup> Students must take the PRAXIS II (Music: Analysis, Concepts & Processes, and Continuing Knowledge) by Spring or September of this calendar year. PRAXIS II grades must be sent to student by conclusion of the fall semester of this calendar year.

Notes – *continued*

<sup>13</sup> Student must take the remaining portion of the PRAXIS II (Principles of Learning & Teaching, 5-9 or 7-12) by this semester.

## Program Completion Plan (Four Years with Summers)

**Department:** \_\_\_\_\_ Music \_\_\_\_\_ **Degree:** \_\_\_\_\_ BM \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Music \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ Education, P-8 & 7-12 – Piano / Vocal Track \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ No \_\_\_\_\_

**Notes**

<sup>1</sup> Piano III and IV are degree requirements but many students need to take Piano I and/or Piano II prior to III and IV. Testing for piano placement is done immediately before the beginning of classes in the Fall semester of the first year of study.

<sup>2</sup> Eight hours of credit are required in a large instrumental ensemble. Woodwind, brass and percussion majors may participate in a university band or orchestra to fulfill the large ensemble requirement. String majors must participate in orchestra to fulfill the requirement. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>4</sup> A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

<sup>5</sup> Students not already accepted into the performance track should apply for admission during this semester. Students must pass a performance track audition jury before being admitted into the performance track. A 'Performance Track Application' form must be completed and approved by all area faculty members at the time of the jury.

<sup>6</sup> MUS 1340 is also a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 has been approved as a course for UCA Core Fine Arts credit in Diversity in Creative Works.

<sup>7</sup> In addition to the Senior Recital for credit, a non-credit Junior Recital is also required.

## Program Completion Plan (Four Years with Summers)

MUSE	4110/4111	Large Choral Ensemble	1	
FREN or GERM	1320	Elementary French II or German II	3	<a href="#">acts link</a>
		General Elective	3	

**Notes**

<sup>1</sup> Piano III and IV are degree requirements but many students need to take Piano I and/or Piano II prior to III and IV. Testing for piano placement is done immediately before the beginning of classes in the Fall semester of the first year of study.

<sup>2</sup> Eight semester hours of a large choral ensemble are required. MUSE 2110 and 4110 require an audition. MUSE 2111 and 4111 do not require an audition. During the course of the degree program, it is expected that students will take an appropriate mix of small conducted ensembles in addition to the large ensembles, as assigned by the major professor and the advisor.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>4</sup> Students not already accepted into the performance track should apply for admission during this semester. Students must pass a performance track audition jury before being admitted into the performance track. A 'Performance Track Application' form must be completed and approved by all area faculty members at the time of the jury.

<sup>5</sup> A music scholarship may require a second ensemble beginning this semester and continuing for the duration of the scholarship. Students should check specific scholarship requirements concerning this.

<sup>6</sup> MUS 1340 is also a prerequisite for MUS 3302 and should be taken in the sophomore year. MUS 1340 has been approved as a course for UCA Core Fine Arts credit in Diversity in Creative Works.

<sup>7</sup> Vocal majors are required to take one year of a foreign language. French or German is recommended as a significant part of vocal repertoire exists in these languages. The requirement is waived for students who have taken a placement exam from the UCA World Languages Department or have AP/CLEP scores to demonstrate they would test into a 2000 level or higher class.

<sup>8</sup> In addition to the Senior Recital for credit, a non-credit Junior Recital is also required.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Students must take a First Year Seminar (FYS) during their Freshman year, or before reaching 30 hours (Sophomore standing) if bringing in transfer or concurrent credits. Students must take an FYS in Critical Inquiry, Diversity, or Responsible Living. Lab Science (Biology 1400 or a Physical Science) and Math 1360/Math 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> This Program Completion Plan includes 24 hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the Minor selected, the student will need to adjust the number of general electives and Minor elective credit hours in this PCP.

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Students must take a First Year Seminar (FYS) during their Freshman year, or before reaching 30 hours (Sophomore standing) if bringing in transfer or concurrent credits. Students must take an FYS in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> This Program Completion Plan includes 24 hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the Minor selected, the student will need to adjust the number of general electives and Minor elective credit hours in this PCP.

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>3</sup> Introduction to Creative Writing (WRTG 2310) is a prerequisite for all other Creative Writing courses.

<sup>4</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Writing \_\_\_\_\_ **Degree:** \_\_\_\_\_ BA \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Writing \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ Professional Writing \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ Yes \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>

**General Notes**

This Program Completion Plan is designed for students entering UCA as a first-time freshman.

Students should consult with their advisors on a regular basis regarding admission, retention, and completion requirements of the BS degree. Students should be familiar with requirements in the current *Undergraduate Bulletin* related to all degree requirements.

**Notes**

<sup>1</sup> A cumulative grade point average of 2.5 or higher on a 4.0 scale is required for admission, retention, and completion of the BS degree in Athletic Training. A professional GPA of 3.0 on a 4.0 scale on designated courses for admission, retention, and graduation is required. See the current *Undergraduate Bulletin* for detailed information.

<sup>2</sup> See appropriate choices, alternatives, or substitutions, under “UCA Core” in the *Undergraduate Bulletin*. Prior to the completion of 30 hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity or Responsible Living. The student will also need to complete major, minor or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Courses may be used only once to satisfy the UCA Core. If the ACT sub-score in Reading, English, or Mathematics is below 19, remediation is required before enrolling in certain UCA Core courses. Students needing remediation in reading or writing may not enroll in a FYS until they have completed their remediation. Students must take at least one course in the Fine Arts (designated FA) and one course in Humanities (designated HUM) as part of the lower division core requirements.

<sup>3</sup> WRTG 1310 must be taken on initial enrollment unless the requirement was already met or remediation is required.

<sup>4</sup> Students are recommended to complete an FYS section of KPED 1320. If an FYS section of the course is not available, students may complete a traditional section of KPED 1320. Students should consult their advisor to ensure they complete an FYS section of a course prior to the completion of 30 hours in order to meet UCA Core Requirements.

<sup>5</sup> BIOL 1440 requires the following prerequisites: High school chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher or BIOL 1400 and CHEM 1301 (or above) both with a grade of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology Department Chair prior to enrollment.

<sup>6</sup> Students should refer to the current *Undergraduate Bulletin* regarding course prerequisites. For students who receive transfer credit for BIOL 2406 with a grade of C or better, PHYS 1400 or PHYS 1405 or PHYS 1410 or PHYS 1441 may be completed in lieu of CHEM 1402 or CHEM 1450. A grade of C or better is required in the approved PHYS course.

<sup>7</sup> Students must enroll in a section designated for athletic training majors. It is recommended that students enroll in KPED 1125 and KPED 1135 during the same semester.

<sup>8</sup> Students must complete at least one (1) Humanities (HUM) and one (1) Fine Arts (FA) course as part of the lower division CORE requirements. These courses must be completed from the CORE Diversity in Creative Works category and the other from the CORE Critical Inquiry section - Fine Art / Humanities category. Students should note the following humanities courses have prerequisites: CHIN 2320 Intermediate Chinese II or FREN 2320 Intermediate French II or GERM 2320 Intermediate German II or SPAN 2320 Intermediate Spanish III.

<sup>9</sup> In addition to PSYC 1300 General Psychology, students must complete an additional Social Science course (designated SS) in either the Diversity in World Cultures or the Responsible Living category. Students in consultation with their advisor should refer to the current *Undergraduate Bulletin* and the UCA Lower Division General Education Check Sheet in selecting an appropriate SS course.

Notes – *continued*

<sup>10</sup> NUTR 1300 must be taken prior to admission to the program.

<sup>11</sup> Refer to the current *Undergraduate Bulletin* regarding BIOL 2406 for prerequisites and minimum grade requirements.

<sup>12</sup> KPED 1350 should be taken during the semester in which the student applies for admission to the program.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> A minor is not required. In lieu of a minor, students must complete approximately 22 hours of electives across related disciplines approved by the major academic advisor.

<sup>2</sup> The program requires a 2.75 minimum cumulative GPA and a 3.2 minimum major GPA. If a student receives a D or F in any CSD course, the course must be repeated.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>4</sup> This degree plan assumes eight (8) hours of lab science coursework beyond the general education requirements to satisfy the B.S. special degree requirements.

<sup>5</sup> CSD 3311 is also offered in Spring for those students who did not take it in the Fall.

## Program Completion Plan (Four Years with Summers)

**Department:** Family and Consumer Sciences      **Degree:** BSE  
**Program/Major:** Family and Consumer Sciences Education

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> This course is required for students seeking admission to the Master of Science in Occupational Therapy program at UCA.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to the completion of 30 hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

<sup>3</sup> PSYC 1300 and CHEM 1402 or 1450 are prerequisites to courses (PSYC 4320 and BIOL 2406) required for admission to the Master of Science in Occupational Therapy program.

<sup>4</sup> The student must complete 43 credit hours of FACS, IDSN, or NUTR courses selected in consultation with a major advisor.

<sup>5</sup> Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, "Degree Requirements," § 2.2.5, Bachelor of Science.

<sup>6</sup> The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate.   X   No        Yes**

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Health Sciences \_\_\_\_\_ **Degree:** \_\_\_\_\_ BS \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Health Sciences \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ Gerontology \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ No \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>  
**Program Description:** <http://uca.edu/ubulletin2014/colleges-departments-programs/college-of-health-and-behavioral-sciences/department-of-health-sciences/>  
**Course Descriptions:** <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/go/ubulletin-ldcore/) (<http://uca.edu/go/ubulletin-ldcore/>) takes the user to the *Undergraduate Bulletin's* UCA Core page, where UCA Core options and ACTS course numbers are listed in full; an [acts link](#) takes the user to the *Undergraduate Bulletin's* ACTS page (<http://uca.edu/go/acts>) for additional information and a full UCA-ACTS crosswalk.

\_\_\_\_\_  
DATE

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes

If “yes,” specify: \_\_\_\_\_

**Notes**

<sup>1</sup> During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible.

<sup>3</sup> The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas.

<sup>4</sup> The Bachelor of Science degree requires completion of one year of mathematics (excluding UNIV 1340, MATH 3351, and MATH 4310) or two courses in a laboratory science (e.g., 2 courses in biology, 2 courses in chemistry, etc.). UCA Core science courses (e.g., BIOL 1400, CHEM 1400, and PHYS 1400) cannot be used to satisfy the additional year of science. Depending on the math or sciences courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Kinesiology and Physical Education \_\_\_\_\_ **Degree:** \_\_\_\_\_ BS \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Kinesiology<sup>1</sup> \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ N/A \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ Yes<sup>2</sup> \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/><sup>3</sup>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>

 DATE

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> A major in Kinesiology is required. A major grade point average of 2.0 or higher on a 4.0 scale is required to complete the degree. The major consists of 52 credit hours. A grade of C or better is required in all major courses.

<sup>2</sup> This Program Completion Plan includes 18 credit hours in the Family and Consumer Science minor. A minor grade point average of 2.0 on a 4.0 scale is required for completion of the degree. A Grade of C or better is required in all minor courses. An 18-hour minor in Family Consumer Science is required. A grade point average of 2.0 or higher is required for completion of the degree.

<sup>3</sup> See appropriate choices, alternatives, or substitutions, under “UCA Core” in the *Undergraduate Bulletin*. During the first year a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity or Responsible Living. If the ACT sub-score in Reading, English, or Mathematics is below 19, remediation is required before enrolling in certain UCA Core courses. Students needing remediation in reading or writing may not enroll in a FYS until they have completed their remediation. Students must take at least one course in the Fine Arts (designated FA) and one course in Humanities (designated HUM) as part of their lower division core requirements. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete

---

Notes – *continued*

major, minor or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Courses may be used only once to satisfy the UCA Core.

<sup>4</sup> WRTG 1310 must be taken on initial enrollment unless the requirement was already met or remediation is required.

<sup>5</sup> It is recommended that students complete an FYS section of KPED 1320. If an FYS section of the course is not available, students may complete a traditional section of KPED 1320. Students should consult their advisor to ensure they complete an FYS section of a course from either Critical Inquiry courses or a Social Science course (designated SS) within Diversity – World Cultures. An FYS course in Critical Inquiry, Diversity or Responsible Living must be completed during the first year to meet UCA Core Requirements.

<sup>6</sup> Both PSYC 1300 and SPCH 1300 are required courses. One can be taken semester 1 and the other during semester 2.

<sup>7</sup> BIOL 1440 requires the following prerequisites: High school chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher or BIOL 1400 and CHEM 1301 (or above) both with a grade of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology Department Chair prior to enrollment.

<sup>8</sup> In addition to PSYC 1300 – General Psychology, students must complete an additional Social Science course (designated SS) in Diversity - Diversity in World Cultures. Students in consultation with their advisor should refer to the current *Undergraduate Bulletin* and the UCA Lower Division General Education Check Sheet in selecting an appropriate SS course.

<sup>9</sup> It is recommended that students take CHEM 1402 or CHEM 1450 as they are pre-reqs for BIOL 2406. Students can take any Physical Science course listed in the UCA Core lower division category except for PHYS 1401. PHYS 1401 is the only course listed that would not fulfill the pre-requirement for KPED 3382.

<sup>10</sup> Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, “Degree Requirements” 2.2.5, Bachelor of Science. The program recommends students complete two 4-hour science courses (Biology, Chemistry, or Physics) beyond the lower division core requirements to fulfill the special degree requirements. It is recommended if students have CHEM 1402 or CHEM 1450 they complete BIOL 2406 and BIOL 2407 for their special degree requirements.

<sup>11</sup> Students must complete at least one (1) Humanities (HUM) and one (1) Fine Arts (FA) course as part of the lower division CORE requirements. These courses must be completed from the CORE Diversity in Creative Works category and the other from the CORE Critical Inquiry section - Fine Art / Humanities category. Students should note the following humanities courses have prerequisites: CHIN 2320 – Intermediate Chinese II or FREN 2320 - Intermediate French II or GERM 2320 – Intermediate German II or SPAN 2320 – Intermediate Spanish III.

<sup>12</sup> Students must enroll in a section designated for Kinesiology students. It is recommended that students enroll in KPED 1125 and KPED 1135 during the same semester.

<sup>13</sup> It is recommended that students complete a three-hour upper-division course from a cognate area that supports students’ career interests.

<sup>14</sup> It is recommended for students to enroll in an upper-division one-hour KPED workshop course that is approved by the academic advisor.

## Program Completion Plan (Four Years with Summers)

**Spring (Credit hours: 16)**

SUBJ	NUM	TITLE	SCH	ACTS
NMT	4215	Radiation Health Physics	2	
NMT	4220	Radiobiology	2	
NMT	4320	Instrumentation/Statistics II	3	
NMT	4435	In Vivo Nuclear Medicine III	4	
NMT	4510	Practicum III	5	

**Notes**

<sup>1</sup> HED 1320 should be taken as a First-Year Seminar (FYS).

<sup>2</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*.

<sup>3</sup> The student will need to complete courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper Division UCA Core courses must address outcomes in each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may satisfy up to two areas.

<sup>4</sup> After selective admission, the remaining hours (47) will be completed over the following 12 months at the clinical site of Baptist Health Schools, Little Rock. These hours will be recorded at UCA and the Bachelor of Science in Nuclear Medicine Technology degree will be awarded by UCA.

## Program Completion Plan (Four Years)

**Department:** \_\_\_\_\_ Nursing \_\_\_\_\_ **Degree:** \_\_\_\_\_ BSN \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Nursing \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ N/A \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ No \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>  
**Program Description:** <http://uca.edu/ubulletin2014/colleges-departments-programs/college-of-health-and-behavioral-sciences/department-of-nursing/>  
**Course Descriptions:** <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/go/ubulletin2014-ldcore/) (http://uca.edu/go/ubulletin2014-ldcore/) takes the user to the *Undergraduate Bulletin's* UCA Core page, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/go/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (http://uca.edu/go/acts) for additional information and a full UCA-ACTS crosswalk.

**Spring (Credit hours: 11)<sup>11</sup>**

SUBJ	NUM	TITLE	SCH	ACTS
NURS	4220	Health Policy & Professional Issues	2	
NURS	4430	Immersion Experience	4	
NURS	4510	Community Health Nursing	5	

**Notes**

All courses with an asterisk (\*) and all nursing courses (NURS) listed above are to be completed with a minimum grade of "C".

The above course requirements are specific to the UCA BSN degree program. Students who are seeking admission to another nursing program are responsible for knowing the specific requirements for that program.

<sup>1</sup> Courses listed for Year 1 are pre-requisite to the nursing major. Admission to UCA as a pre-nursing major does not guarantee admission to the nursing major, which begins in Year 2. Students must apply and be accepted to the major. Applications are available by January 15 and are due March 1 ([uca.edu/nursing](http://uca.edu/nursing)). See [uca.edu/nursing](http://uca.edu/nursing) for a complete list of major admission requirements and degree requirements.

<sup>2</sup> BIOL 1400 & 2405 or BIOL 2406 & 2407 will meet the UCA BSN degree requirements. Students who might apply to another nursing program should take BIOL 2406 & 2407.

<sup>3</sup> CHEM 1402 & 2450 is the preferred sequence, but CHEM 1450 & 1451 will be accepted. High School chemistry, an ACT Math score of 21 or higher, or a co-/pre-requisite of College Algebra is required for CHEM 1402 or 1450.

<sup>4</sup> One of these courses should be taken as a First Year Seminar (FYS).

<sup>5</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete upper-division major courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>6</sup> BIOL 2411 and NUTR 1300 are co-requisite or pre-requisite for the Year 2 fall semester nursing courses.

<sup>7</sup> BIOL 4311 is co-requisite or pre-requisite for the Year 2 spring semester nursing courses.

<sup>8</sup> FACS 2341 or PSYC 2370 are accepted for the UCA BSN degree. Some nursing programs which require a development course do not accept FACS 2341. If applying to another nursing program, student should check with that program regarding its requirements.

FACS 2341 or PSYC 2370 is a co-requisite or pre-requisite to the Year 3 fall semester nursing courses.

<sup>9</sup> PSCI 1330 is the preferred course due to policy and legal aspects of the nursing profession. HIST 2301 or 2302 will be accepted. One of these courses must be completed prior to NURS 4220.

<sup>10</sup> One of the statistic courses listed must be completed prior to NURS 4213.

<sup>11</sup> Prior to Year 4 spring semester all non-nursing courses should be completed. Due to the high number of clinical hours and the variable clinical times required in this semester, students will be unable to enroll in other courses. If additional hours are required, an online course without any synchronous meetings should be selected. Many full-time enrollment requirements for financial aid and scholarship requirements are reduced for the last semester of a student's program. Students should see the Financial Aid office for details regarding their aid program.

## Program Completion Plan (Five Years)

**Department:** \_\_\_\_\_ Nursing \_\_\_\_\_ **Degree:** \_\_\_\_\_ BSN \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Nursing \_\_\_\_\_

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type "x" as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If "yes," specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible.

<sup>3</sup> The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. The student must complete upper-division UCA Core courses that address each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may address up to two areas.

<sup>4</sup> Must be taken in last semester (fall for December graduation, spring for May or August graduation)

**General Note**

This Program Completion Plan is designed for students entering UCA as a first-time freshman. Students should consult with their advisors on a regular basis regarding their admission, retention and completion of the BSE degree. Additionally, candidates must pass the Educational Technology Competency Exam or successfully complete with a grade of C or better a computer literacy class emphasizing Microsoft competencies – an appropriate community college technology class, MIS 2343, or CSCI 1300. Computer literacy tutorial opportunities are available online or through UCA Outreach and Community Engagement workshops (See: <http://uca.edu/education/files/2013/07/Admission-Retention-and-Exit-Requirements.pdf>.) Students should be familiar with the current *Undergraduate Bulletin* related to all degree requirements.

**Notes**

<sup>1</sup> A cumulative grade point average of 2.5 or higher on a 4.0 scale is required for admission, retention, and completion of the degree.

<sup>2</sup> A major in Kinesiology and Physical Education (K-12) is required. A major grade point average of 2.5 or higher on a 4.0 scale is required for admission, retention, and completion of the degree. The major consists of 45 credit hours. A grade of C or better is required in all major courses.

<sup>3</sup> This Program Completion Plan includes 11 credit hours in required Health Education courses. A grade point average of 2.5 or higher on a 4.0 scale is required for admission, retention, and completion of the degree. A grade of C or better is required in all Health Education (H ED) courses. While H ED 2201 First Aid is the only required H ED pre-admission course, a student's grade point average for admission to the Physical Education Teacher Education (PETE) program will be calculated on all required H ED courses completed. First aid and CPR certificate is required until graduation. See Health Education in the current *Undergraduate Bulletin* for minor.

<sup>4</sup> See appropriate choices, alternatives, or substitutions, under "UCA Core" in the *Undergraduate Bulletin*. During the first year a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Courses may be used only once to satisfy the UCA Core.

If the ACT sub-score in Reading, English, or Mathematics is below 19, remediation is required before enrolling in certain UCA Core courses. Students needing remediation in reading or writing may not enroll in an FYS until they have completed their remediation. Students must take at least one course in the Fine Arts (designated FA) and one course in Humanities (designated HUM) as part of the lower division core requirements.

---

Notes – *continued*

<sup>5</sup> WRTG 1310 must be taken on initial enrollment unless the requirement was already met or remediation is required.

<sup>6</sup> This course (or an approved alternative) is a required PETE program admission course. Students must earn a C or better.

<sup>7</sup> It is recommended that students complete an FYS section of KPED 1320. If an FYS section of the course is not available, students may complete a traditional section of KPED 1320. Students should consult their advisor to ensure they complete an FYS section of a course from either Critical Inquiry or a Social Science course (designated SS) within Diversity in World Cultures. An FYS course in Critical Inquiry, Diversity, or Responsible Living must be completed during the first year to meet UCA Core Requirements.

<sup>8</sup> BIOL 1440 requires the following prerequisites: High school chemistry or CHEM 1301 (or above) and a composite ACT score of 21 or higher OR BIOL 1400 and CHEM 1301 (or above) with grades of C or higher. Students not meeting the prerequisite requirements must have permission of the Biology Department Chair prior to enrollment.

<sup>9</sup> Students must submit an electronic or hardcopy of the entire score report booklet for each PRAXIS I test taken (Reading, Writing and Math) regardless of the score earned. To receive a grade in KPED 2300, the scoring booklet must be submitted to the instructor. Failure to pass PRAXIS I tests will delay admission to the PETE program and completion of the degree.

<sup>10</sup> Students must earn a C or better.

<sup>11</sup> In addition to PSYC 1300 General Psychology, students must complete an additional Social Science course (designated SS) in either the Diversity in World Cultures or in Responsible Living. H ED 2320 Mental Health in Responsible Living category fulfills this requirement and is required by the H ED.

<sup>12</sup> Course requires admission to the PETE program.

<sup>13</sup> Prerequisite required (C or better in PHYS or CHEM).

<sup>14</sup> Prerequisite required (C or better in KPED 2381).

<sup>15</sup> Prerequisite required (C or better in KPED 4300)

<sup>16</sup> Students are required to submit a copy of their registration for PRAXIS II Subject Area Assessment tests in order to receive a grade in PETE 4380

<sup>17</sup> Students are required to pass PRAXIS II Subject Area Assessment tests PRIOR to enrolling in PETE 4690 and PETE 4691. Students must submit an electronic or hardcopy of the entire score report booklet for each PRAXIS II tests taken regardless of the score earned.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Psychology and Counseling \_\_\_\_\_ **Degree:** \_\_\_\_\_ BA \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Psychology \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ N/A \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ Yes \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> PSYC 1300 General Psychology must be taken prior to other PSYC courses. We recommend that PSYC 2330 (Statistics) be taken during the 2nd or 3rd semester. PSYC 2330 must be taken prior to PSYC 3332. PSYC 3332 must be taken prior to PSYC 3340.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>3</sup> This Program Completion Plan includes 9 credit hours of a foreign language. The Bachelor of Arts requires at least 3 credit hours at the 2300 or higher level. Depending on the students prior language experience the total number of general electives taken to complete 120 credit hours may need to be adjusted.

<sup>4</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

## Program Completion Plan (Three Years with Summers)

SUBJ	NUM	TITLE	SCH	ACTS
		Minor Elective <sup>3</sup>	3	
		General Elective	3	

**Notes**

<sup>1</sup> PSYC 1300 General Psychology must be taken prior to other PSYC courses. We recommend that PSYC 2330 (Statistics) be taken during the 2nd or 3rd semester. PSYC 2330 must be taken prior to PSYC 3332. PSYC 3332 must be taken prior to PSYC 3340.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>3</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.

<sup>4</sup> Depending on the math or science (both courses must come from the same department) courses selected to fulfill the BS requirement, the total number of general electives will need to be adjusted.

## Program Completion Plan (Four Years with Summers)

**Department:** \_\_\_\_\_ Health Sciences \_\_\_\_\_ **Degree:** \_\_\_\_\_ BS \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Radiography \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ N/A \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ No \_\_\_\_\_

### Important program information in the online *Undergraduate Bulletin*:

RADG	4261	Senior Seminars	2	
RADG	4162	Radiographic Pathology	1	
RADG	4164	Introduction to Quality Assurance	1	
RADG	4760	Clinical Education VI	7	

**Notes**

<sup>1</sup> HED 1320 should be taken as a First-Year Seminar (FYS). If an FYS section is not available, students may complete a traditional section of HED 1320. Students should consult their advisor to ensure they complete an FYS section of a course from either Critical Inquiry, a Social Science (designated SS) within Diversity in World Cultures or Responsible Living. An FYS in Critical Inquiry, Diversity or Responsible Living must be completed during the first year or before 30 credit hours to meet UCA Core Requirements.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*.

<sup>3</sup> The student will need to complete courses designated as fulfilling the upper-division and capstone requirements of the UCA Core. Upper Division UCA Core courses must address outcomes in each of the four UCA Core areas: Diversity (D), Critical Inquiry (I), Communication (C), and Responsible Living (R). One course may satisfy up to two areas.

<sup>4</sup> The remaining hours (60) will be completed over the following 24 months at the clinical site: either Baptist Health Schools, Little Rock, or St Vincent Health System, Little Rock. These hours will be recorded at UCA, and the Bachelor of Sciences in Radiography degree will be awarded by UCA.

## Program Completion Plans

College of Liberal Arts undergraduate Program Completion Plans follow in this order:

Program Name	Degree
African/African American Studies	BA
African/African American Studies - 3Year	BA
English	BA
English, with licensure	BA
Environmental Science, Planning & Administration	BS
Geography	BA
Geography	BS
Geography, Geospatial Concentration	BS

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes

If “yes,” specify: \_\_\_\_\_

### Notes

<sup>1</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>4</sup> In selection of general electives, a student should consider the need to achieve 40 hours of coursework at the upper-division level.

## Program Completion Plan (Three Years with Summers)

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type "x" as appropriate. \_\_\_\_ No \_\_\_\_ Yes

If "yes," specify: \_\_\_\_\_

**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also

Notes – *continued*

need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> One of these classes should be taken as “First Year Seminar.” One of them should also be a UCA Core literature class.

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need may void the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>4</sup> This Program Completion Plan includes 27 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study. Depending on a student’s choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.

<sup>5</sup> Course may be in any area. Recommended courses: upper-level courses in Writing, Philosophy, History, Foreign Language Theater, Journalism or additional English electives may be most helpful. The student may be able to obtain a second major, or, if the student’s minor is small, the student may be able to substitute a second minor for general electives, though this could put the student over 120 hours, depending on the student’s choice.

<sup>6</sup> With the approval of their advisor and the department chair, students may take one of the following Writing courses as an upper-division elective for the English major: WRTG 3301 (Rhetoric and Composition) or one of the following creative writing “forms” classes: WRTG 3320, WRTG 3325, WRTG 3330, WRTG 3330, WERTG 3335, or WRTG 3345).

ENGL	4680	Internship II <sup>6</sup>	6	
ENGL	4681	Internship II <sup>6</sup>	6	

**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Satisfies "Inquiry and Analysis: Fine Arts/Humanities" UCA Core requirement. This course or a World Literature course (ENGL 2305 or 2306) should be taken as "First Year Seminar."

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>4</sup> Satisfies "Diversity in World Cultures" UCA Core requirement. This course or Film and Literature (ENGL 1355) should be taken as "First Year Seminar."

<sup>5</sup> Course may be in any area. However, teaching candidates are strongly advised to take LING 4330 (Linguistics for Educators), WRTG 4305 (Contemporary Composition: Theory and Application) or WRTG 4340 (Teaching Creative Writing). These are 3-hour courses, so taking two of them may be possible for candidates, but would put them over the 120-hour threshold.

<sup>6</sup> These courses require formal admission to Teacher Education program.

## Program Completion Plan (Eight Semester Plan)

Department: Geography Degree: BS  
 Program/Major: Environmental Science  
 Track/Emphasis: Planning and Administration  
 Does this program require a minor? (Yes/No) No

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
 Degree Requirements: <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>  
 Program Description: <http://uca.edu/ubulletin2014/colleges-departments-programs/interdisciplinary-programs/environmental-science/>  
 Course Descriptions: <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type "x" as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes

If "yes," specify: \_\_\_\_\_

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> The Bachelor of Arts degree requires completion of three hours in a foreign language on the 2000-level or above. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>3</sup> A regional course is required, the student may choose between this course or: GEOG 3345, Geography of China & East Asia, GEOG 3346 Geography of South Asia, GEOG 3380 Geography of Arkansas, or GEOG 4390, Historical Geography of North America.

<sup>4</sup> This Program Completion Plan includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

## Program Completion Plan (Eight Semester Plan)

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> A regional course is required, the student may choose between this course or: GEOG 3345, Geography of China & East Asia, GEOG 3346 Geography of South Asia, GEOG 3380 Geography of Arkansas, or GEOG 4390, Historical Geography of North America.

<sup>3</sup> Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, "Degree Requirements," § 2.2.5, Bachelor of Science.

<sup>4</sup> This Program Completion Plan includes 21 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

<sup>5</sup> Depending upon taking two science courses or two math courses for the BS requirement, the student may need to take one extra credit to reach the 120 minimum for graduation.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Geography \_\_\_\_\_ **Degree:** \_\_\_\_\_ BS \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Geography \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ Geospatial Concentration \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ Yes \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan. The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>4</sup> In selection of general electives, a student should consider the need to achieve 40 hours of coursework at the upper-division level.

**Notes**

<sup>1</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living that is. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>3</sup> Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. For further details about the BS Science/Math requirement, see the *Undergraduate Bulletin*, "Degree Requirements," § 2.2.5, Bachelor of Science.

<sup>4</sup> In selection of general electives, a student should consider the need to achieve 40 hours of coursework at the upper-division level.

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the Undergraduate Bulletin. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>3</sup> Students seeking to be admitted to the Interdisciplinary Liberal Studies (ILS) degree program must have completed 30 hours with a 3.0 or higher cumulative grade point average, meet with the Associate Dean of the College of Liberal Arts (ILS director), and prepare an official application for admission to the program. The ILS degree requires 21 hours of Foundation courses; see degree check sheet.

<sup>4</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

<sup>5</sup> The Interdisciplinary Liberal Studies degree requires a concentration. The concentration must include a minimum of 27 hours of course work. See degree check sheet.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Political Science \_\_\_\_\_ **Degree:** \_\_\_\_\_ BA \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ International Studies \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ N/A \_\_\_\_\_

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> PSCI 1330 is a prerequisite for all upper-division Political Science courses and it satisfies the American History & Government requirement in the UCA Core.

<sup>2</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>3</sup> See appropriate choices, alternative, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course in Critical Inquiry, Diversity, or Responsible Living, designated as a First-Year Seminar (FYS). A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. Students will also have to complete 6-12 credit-hours of upper-division Core courses designated as Critical Inquiry, Diversity, Communication, and Responsible Living.

<sup>4</sup> The program in International Studies requires 3 credit hours of a foreign language beyond that required for the BA.

<sup>5</sup> This Program Completion Plan includes 24 hours in a minor field of study. Minor requirements range from 15-31 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student’s choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number required to complete the program.

<sup>6</sup> International Studies has been divided into three concentrations: (1) International Politics & Diplomacy, (2) International Political Economy, and (3) Regional Studies. Students must complete a minimum of eighteen hours of upper-division elective courses within their selected concentration: six courses at the 3000-level or above from one of the three International Studies concentrations, including at least two courses at the 3000-level or above from the political science offerings.

## Program Completion Plan (Eight Semester Plan)

**Department:** World Languages, Literatures, and Cultures      **Degree:** BA

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No   x   Yes

If “yes,” specify:   General Business  

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> This Program Completion Plan includes 24 credit hours in the General Business Minor. Students planning on completing an MBA degree may wish to select as General Business minor electives two courses that are also prerequisites for admission to UCA’s MBA program: FINA 3330 Managerial Finance and QMTH 2330 Business Statistics. QMTH does have a prerequisite of MATH 1395.

<sup>3</sup> See *Undergraduate Bulletin* for options.

## Program Completion Plan (Four Years with Summers)

**Department:** World Languages, Literatures, and Cultures      **Degree:** BA  
**Program/Major:** Modern Languages  
**Track/Emphasis:** French, ESL/Second Language Education [starting with 2310]  
**Does this program require a minor? (Yes/No)** Yes – Teaching & Learning

### Important program information in the online *Undergraduate Bulletin*:

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>3</sup> Options include Spanish 2325, 2330 or 2350. See *Undergraduate Bulletin* for more information.

<sup>4</sup> This Program Completion Plan includes the 20 credit hour Minor in Teaching and Learning. This minor is required for all students seeking Arkansas K-12 licensure to teach French. NB; WLAN 4330 substitutes for MSIT 4321 in the Teaching and Learning Minor.

<sup>5</sup> See *Undergraduate Bulletin* for options.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type "x" as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes

If "yes," specify: \_\_\_\_\_

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

## Program Completion Plan (Eight Semester Plan)

**Department:** Philosophy & Religion      **Degree:** BS  
**Program/Major:** Philosophy  
**Track/Emphasis:** N/A  
**Does this program require a minor? (Yes/No)** Yes

### Notes

<sup>1</sup> PSCI 1330 is a prerequisite for all upper-division Political Science courses and it satisfies the American History & Government requirement in the UCA Core.

<sup>2</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>4</sup> Political Science majors must complete one three credit-hour course from a minimum of four of the six Political Science subfields for a total of twelve credits; and an additional nine credits from any of the six Political Science subfields.

<sup>5</sup> This Program Completion Plan includes 24 hours in a minor field of study. Minor requirements range from 15-31 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number required to complete the program.

### Notes

<sup>1</sup> PSCI 1330 is a prerequisite for all upper-division Political Science courses and it satisfies the American History & Government requirement in the UCA Core.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course in Critical Inquiry, Diversity, or Responsible Living, designated as a First-Year Seminar (FYS). A lab science (BIOL 1400 or a Physical Science) and MATH 1360/MATH 1390 should be taken in the first year if possible. Students will also have to complete 6–12 credit-hours of upper-division Core courses designated as Critical Inquiry, Diversity, Communication, and Responsible Living.

<sup>3</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>4</sup> Students must complete a total of fifteen credit hours (five courses) from the Public Administration and Public Policy issue areas. Students must complete nine credit hours (three courses) in the Public Administration issue area and six credit hours (two courses) in the Public Policy issue area. At least two of the three courses taken in the Public Administration issue area must be PSCI courses; at least one course taken in the Public Policy issue area must be a PSCI course.

<sup>5</sup> This Program Completion Plan includes 21 hours in a minor field of study. Minor requirements range from 15-31 credit hours, so students will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen field. Given a student’s choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number required to complete the plan.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Political Science \_\_\_\_\_ **Degree:** \_\_\_\_\_ BS \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Public Administration \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ N/A \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ Yes \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Students should take either a UCA Core math or science course during the first semester with the other left for the second semester. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need voids the guaranteed Eight-Semester Plan.

The Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete the foreign language requirement as early as possible in their program in order not to lose fluency gained in high school.

<sup>3</sup> For sociology majors, SOC 1300 meets both a major requirement and the UCA Core requirement for the Social Science category in Critical Inquiry. Consult with your major advisor or the chair of the Department of Sociology for additional information on courses that may double count in this way.

<sup>4</sup> This course is one of five required major courses that students should take in sequence. These five courses (SOC 1300, SOC 2321, SOC 3320, SOC 4330, and SOC 4360) are offered each fall and spring term (and in many cases during a summer term). In consultation with a departmental advisor, a student may elect to take these courses during either term.

<sup>5</sup> This Program Completion Plan (PCP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. Students should take either a UCA Core math or science course during the first semester with the other left for the second semester. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> For sociology majors, SOC 1300 meets both a major requirement and the UCA Core requirement for the Social Science category in Critical Inquiry. Consult with your major advisor or the chair of the Department of Sociology for additional information on courses that may double count in this way.

<sup>3</sup> This Program Completion Plan (PCP) includes 24 credit hours in the Minor field of study. Minor requirements range from 15 to 31 credit hours. Depending on the minor selected, the student will need to adjust the number of general elective and minor elective credit hours in this PCP.

<sup>4</sup> This course is one of five required major courses that students should take in sequence. These five courses (SOC 1300, SOC 2321, SOC 3320, SOC 4330, and SOC 4360) are offered each fall and spring term (and in many cases during a summer term). In consultation with a departmental advisor, a student may elect to take these courses during either term.

<sup>5</sup> Depending on the math or science courses selected to satisfy the special degree requirements for a Bachelor of Science, the student will need to adjust the number of general elective hours in this PCP. See the *Undergraduate Bulletin* (Degree Requirements, § 2.2.5, Bachelor of Science) for further details.

## Program Completion Plan (Three Years with Summers)

**Department:** \_\_\_\_\_ History \_\_\_\_\_ **Degree:** \_\_\_\_\_ BSE \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Social Studies \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ History \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ Yes – Teaching & Learning \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>

## Program Completion Plans

College of Natural Sciences & Mathematics undergraduate Program Completion Plans follow in this order:

<b>Program Name</b>	<b>Degree</b>
Biology	BS
Chemistry, ACS Certified: Standard	BS
Chemistry, ACS Certified: Biochemistry	BS
Chemistry, Non-ACS Certified	BS
Computer Science	BS
Environmental Science, Biology	BS
Environmental Science, Chemistry	BS
General Science, Option A	BS
General Science, Option B	BS
Mathematics, Pure	BA
Mathematics, Applied Mathematics	BS
Mathematics, Pure Mathematics	BS
Physics	BS
Physics, Applied Physics	BS
Physics, Biological Physics	BS
Physics, Chemical Physics	BS
Physics, Mathematical Physics	BS
Physics, Physical Science	BS
Pre-Pharmacy – UAMS College of Pharmacy	ND

## Program Completion Plan (Eight Semester Plan)

**Department:** Biology **Degree:** BS  
**Program/Major:** Biology  
**Track/Emphasis:** N/A  
**Does this program require a minor? (Yes/No)** No

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes

If “yes,” specify: \_\_\_\_\_

### Notes

<sup>1</sup> If 15 semester hours are needed to comply with a scholarship(s), it is the student’s responsibility to add 1-3 hour(s) of a general elective course or UCA Lower Division Core course to the semester.

<sup>2</sup> MATH 1390 or equivalent is required to enroll in MATH 1491 or MATH 2311. A “C” or better in MATH 1390 and a “C” or better in MATH 1392, or a “C” or better in MATH 1580, or equivalent is required to enroll in MATH 1496. Student should take MATH 2311 (Statistical Methods) prior to completing 30 semester hours.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>4</sup> This degree requires 28 hours of Biology Elective courses. The PCP is designed with the minimum number of courses required to meet degree requirements. However, students may elect to take Biology elective courses that are not lab classes. The student must take a **minimum** of 4 Biology elective lab courses (16 credit hours). The remaining 12 hours of Biology elective courses may be any approved Biology elective course. See appropriate choices under the Department of Biology in the *Undergraduate Bulletin*.

<sup>5</sup> If students combine the Upper Division Core Diversity (D) and Responsible Living (R) requirement into one course or if Biology elective courses are used in place of the Upper Division Core or Capstone requirements, these courses must be replaced with general electives in order to meet the minimum 120-credit hours required for graduation.

The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Must be taken in the semester offered.

<sup>3</sup> Must be one of the following courses: CHEM 3360, CHEM 4335, CHEM 4351, CHEM 4385.

<sup>4</sup> Students must take at least two hours of research.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Chemistry \_\_\_\_\_      **Degree:** \_\_\_\_\_ BS \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Chemistry \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ ACS Certified: Biochemistry \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ No \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type "x" as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes

If "yes," specify: \_\_\_\_\_

### Notes

<sup>1</sup> If 15 semester hours are needed to comply with a scholarship(s), it is the student's responsibility to add 1-3 hour(s) of a general elective course or UCA Lower Division Core course to the semester.

<sup>2</sup> Student may choose one of the following courses to satisfy the statistics requirement: MATH 2311 (Statistical Methods), PSCI 2312 (Statistical Methods Political Analysis), PSYC 2330 (Psychological Statistics), or SOC 2321 (Social Statistics). Student should take Statistics course prior to completing 30 semester hours. MATH 1390 or equivalent is required to enroll in MATH 2311.

<sup>3</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>4</sup> MATH 1390 or equivalent is required to enroll in MATH 1491. A "C" or better in MATH 1390 and a "C" or better in MATH 1392, or a "C" or better in MATH 1580, or equivalent is required to enroll in MATH 1496.

<sup>5</sup> BIOL 3403, General Ecology, is pending approval to satisfy the Upper Division Critical Inquiry (I) and Communication (C) requirements of the UCA Core. If BIOL 3403 is not approved, the student must use general elective credit hours to meet these requirements.

<sup>6</sup> These courses cannot be from the same taxonomic grouping (vertebrate, invertebrate, plant).

<sup>7</sup> This degree requires 31 hours of Biology elective courses, including taxonomic, theory, and track electives. The PCP is designed with the minimum number of courses required to meet degree requirements. However, students may elect to take Biology elective courses that are not lab classes. The student must take a **minimum** of 4 Biology elective lab courses (16 credit hours). The remaining 15 hours of Biology elective courses may be any approved Biology elective course. See appropriate choices under the "Environment Science" Interdisciplinary Program in the *Undergraduate Bulletin*.

<sup>8</sup> If students combine the Upper Division Core Diversity (D) and Responsible Living (R) requirement into one course or if Biology elective courses are used in place of the Upper Division Core or Capstone requirements, these courses must be replaced with general electives in order to meet the minimum 120-credit hours required for graduation.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes

If “yes,” specify: \_\_\_\_\_

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. PSCI 1330 is a pre-requisite for PSCI 3320, but it counts toward the UCA Core. The student will also need to complete major or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> Restricted elective (at least 10 hours): Choose from either CHEM 4450, CHEM 4460, CHEM 3360, CHEM 4335, CHEM 4320, CHEM 4335, CHEM 4380, CHEM 3150, BIOL 3403, ENVR 4465, GEOG 4304, GEOG 4305, ECON 3330, and a maximum of 2 credits of research in the College of Natural Science and Mathematics, or 8 hours of courses that count toward a minor in mathematics, biology, physics, or geography.

<sup>3</sup> Fulfills the UCA Core requirement for Diversity and Responsible Living.

<sup>4</sup> CHEM 4351 and CHEM 4152 are offered spring semester, odd years. CHEM 4451 will be offered spring semester, even years. Must be taken in semester offered.

<sup>5</sup> Capstone.

<sup>6</sup> PSCI 3320 is offered in the spring of every other year and has a pre-requisite of PSCI 1330.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Physics and Astronomy \_\_\_\_\_ **Degree:** \_\_\_\_\_ BS \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ General Science \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ Option A \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ Yes \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>  
**Program Description:** <http://uca.edu/ubulletin2014/colleges-departments-programs/interdisciplinary-programs/general-science/>  
**Course Descriptions:** <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/go/ubulletin2014-ldcore/) (http://uca.edu/go/ubulletin2014-ldcore/) takes the user to the *Undergraduate Bulletin's* UCA Core page, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/go/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (http://uca.edu/go/acts) for additional information and a full UCA-ACTS crosswalk.

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes

If “yes,” specify: \_\_\_\_\_

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 - 31 credit hours, so the student will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen minor field. **Given a student’s choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.**

<sup>3</sup> The pure mathematics major requires 24 hours of upper division courses. The additional 16 upper division credit hours needed to complete the degree may be met by minor filed courses and additional math or general electives.

<sup>4</sup> The BA degree requires three hours of foreign language at the 2000-level or above. Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Additionally, the Academic Advising Center and the Department of World Languages, Literatures, and Cultures recommend that students complete this requirement as early as possible in their program in order not to lose fluency gained in high school.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Mathematics \_\_\_\_\_      **Degree:** \_\_\_\_\_ BS \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Mathematics \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ Applied Mathematics \_\_\_\_\_

To be completed by the advisor when an Eight-Semester Plan is accepted by the student:

If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes

If “yes,” specify: \_\_\_\_\_

### Notes

<sup>1</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> PHYS1441 and PHYS1442 **OR** PHYS1410 and PHYS1420 **OR** CHEM1450 and PHYS1451 **OR** ECON 2320 and ECON 2321. Students who use the first course of the sequence for a UCA Core Critical Inquiry requirement (Physical Science or Social Science) would take an additional general elective instead of the program requirement in their fifth semester.

<sup>3</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 15 - 31 credit hours, so the student will need to adapt the number of general elective and minor elective credit hours in this plan as needed, depending upon the chosen minor field. **Given a student's choice of minor and special degree requirements, the total number of credit-hours taken may exceed the total number of credit hours required to complete the program.**

<sup>4</sup> The applied mathematics major requires 24 hours of upper division courses. The additional 16 upper division credit hours needed to complete the degree may be met by minor filed courses and additional math or general electives.

<sup>5</sup> Students will need to adjust the number of general elective credit hours depending on the sequence chosen to meet the program requirements.

## Program Completion Plan (Eight Semester Plan)

Department: Mathematics Degree: BS  
 Program/Major: Mathematics  
 Track/Emphasis: Pure Mathematics  
 Does this program require a minor? (Yes/No) Yes

Important program information in the online *Undergraduate Bulletin*:

UCA Core Requirements: <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
 Degree Requirements: <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>  
 Program Description: <http://uca.edu/ubulletin2014/colleges-departments-programs/college-of-natural-sciences-and-mathematics/department-of-mathematics/>  
 Course Descriptions: <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/go/ubulletin2014-ldcore/) (<http://uca.edu/go/ubulletin2014-ldcore/>) takes the user to the *Undergraduate Bulletin's* UCA Core page, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/go/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (<http://uca.edu/go/acts/>) for additional information and a full UCA-ACTS crosswalk.

**To be completed by the advisor when an Eight-Semester Plan is accepted by the student:**

**If applicable, has student selected a minor? Type “x” as appropriate. \_\_\_\_\_ No \_\_\_\_\_ Yes**

**If “yes,” specify: \_\_\_\_\_**

**Notes**

<sup>1</sup> See appropriate choices, alternatives, or substitutions under “UCA Core” in the *Undergraduate Bulletin*. Prior to completion of 30 semester hours, a student must complete a UCA Core course designated as a First-Year Seminar (FYS) in Critical Inquiry, Diversity, or Responsible Living. The student will also need to complete major, minor, or general elective courses designated as fulfilling the upper-division and capstone requirements of the UCA Core.

<sup>2</sup> MATH elective courses must be approved by the Chair of the Department of Physics and Astronomy.

<sup>3</sup> Both sequences, PHYS 3360 and 3361, and PHYS 3353 and 3354 must be completed.

## Program Completion Plan (Eight Semester Plan)

**Department:** \_\_\_\_\_ Physics and Astronomy \_\_\_\_\_ **Degree:** \_\_\_\_\_ BS \_\_\_\_\_  
**Program/Major:** \_\_\_\_\_ Physics \_\_\_\_\_  
**Track/Emphasis:** \_\_\_\_\_ Physics \_\_\_\_\_  
**Does this program require a minor? (Yes/No)** \_\_\_\_\_ Yes<sup>1</sup> \_\_\_\_\_

Important program information in the online *Undergraduate Bulletin*:

**UCA Core Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/uca-core/>  
**Degree Requirements:** <http://uca.edu/ubulletin2014/general-policies-information/degree-requirements/>  
**Program Description:** <http://uca.edu/ubulletin2014/colleges-departments-programs/college-of-natural-sciences-and-mathematics/department-of-physics-and-astronomy/>  
**Course Descriptions:** <http://uca.edu/ubulletin2014/courses/>

This degree program requires a total of **120** semester credit hours, including at least **40** upper-division credit hours.

Comparable courses in the Arkansas Course Transfer System (ACTS) are cross-referenced in the ACTS column of each semester block below; a [core link](http://uca.edu/go/ubulletin2014-ldcore/) (<http://uca.edu/go/ubulletin2014-ldcore/>) takes the user to the *Undergraduate Bulletin's* UCA Core page, where UCA Core options and ACTS course numbers are listed in full; an [acts link](http://uca.edu/go/acts/) takes the user to the *Undergraduate Bulletin's* ACTS page (<http://uca.edu/go/acts/>) for additional information and a full UCA-ACTS crosswalk.

**General Note:** This 2-year Program Completion Plan is specific as regards prerequisites for admission to the University of Arkansas for Medical Sciences (UAMS) College of Pharmacy. UAMS requirements can change and other pharmacy schools may have different requirements, so consultation with a pre-pharmacy advisor is strongly encouraged. No course can be used to satisfy the requirements in more than one area. No more than 8 hours of CLEP/AP credit can be used for CORE courses (BIOL, CHEM, PHYS, MATH), and no more than 12 hours of CLEP/AP can be used for NON-CORE courses. A course must be on the official transcript and may be accepted as meeting a pre-pharmacy requirement as determined by the UAMS Registrar.

**Notes**

<sup>1</sup> ELECTIVES to bring total to at least 69 credit hours. ACCEPTABLE: Survey courses in art, music, history, theater, literature, philosophy, religion, foreign language (maximum of six hours), sign language, psychology, sociology, anthropology, political science, and geography. UNACCEPTABLE: Courses in health, physical education, business, natural science, military science, education, studio courses in art, music, or theater, and computer science.

<sup>2</sup> MATH 1390 is a prerequisite for MATH 1491; MATH 1390 and MATH 1392 are prerequisites for MATH 1496. MATH 1390 and/or MATH 1392 WILL NOT COUNT toward completion of the 69-hour pre-pharmacy requirement.

<sup>3</sup> SELECTIVES. 9 hours (minimum of 3 classes) chosen from the following: BIOL 2405, BIOL 2490, BIOL 3402, BIOL 3420, BIOL4311, CHEM 3520, CHEM 4320, MATH 1592, MATH 2311 or PSYC 2330, PHIL 2305 or PHIL 2310, PHYS 1420.

<sup>4</sup> MICROBIOLOGY. If you decide to take BIOL 3420 for the microbiology requirement, you will need to take BIOL 2490 (Genetics) as a prerequisite. It can be used as one of your 3 SELECTIVE courses. This would be important if you were considering a degree in Chemistry (Biochemistry Track), Biology, or General Science.
