Professionalism,
Scholarship, and
Networking

Goals of BAPΨ

Beta Alpha Psi is recognized and respected by the business community as a premier collegiate organization. The purposes of the organization are as follows:

Professionalism

- Promote a professional attitude among members while enhancing communication, leadership, and interpersonal skills
- Instill a desire for self-improvement
- Foster high moral and ethical standards
- Cultivate a sense of responsibility and service

Scholarship

- Promote the collegiate study of professional accountancy
- Encourage and give recognition to scholastic and professional excellence

Networking

- Develop relationships with accounting professionals in the community, accounting faculty at UCA, and other accounting majors
- Provide needed services, accounting and non-accounting, to UCA and community groups
- Enhance member's experience at UCA
