

Advising Check Points

When advising your students please review the following to ensure students are meeting requirements for graduation

- General Education Requirements
- 40 hrs Upper Division Courses (3000 or 4000)
- Minimum 120 Total Hours
- 2.00 Cumulative GPA
- 2.00 Major GPA (Biology Classes only) & Minor Courses
- 4 Labs in Biology Electives

NOTE: when a student has a minor they may be 8 hours short of upper division hours (example: Physical Science Minor). They will have to pick up those hours through their minor or non required courses.
