

UNIVERSITY OF CENTRAL ARKANSAS
BOARD POLICY

Policy Number: 611

Subject: Student Credit

Date Adopted: 09/76 Revised: 12/91, 05/97, 08/99, 02/13

Upon authorization by the vice president for finance and administration (or his/her designee), credit for registration and other fees, room, board and books will be approved only when a student's short-term financial circumstances and credit history may warrant such action. The university expects students to discharge financial responsibilities promptly and cooperatively.

Failure on the part of the student to meet the terms of the credit agreement may result in denial of university services such as registration of classes, transcript services, viewing of grades, suspension of meal plan, removal from university housing and other matters. This may also result in the student being administratively withdrawn from the university while remaining liable for all or part of the fees.
