(a) There shall be set aside and deposited on the first business day of each month into a separate fund, hereby created, to be known as the "Bond and Interest Fund", in equal monthly installments, amounts sufficient to pay when due principal and interest on the refunding bonds for the current year;

(b) There shall be set aside and deposited on the first business day of each month into a separate fund, hereby created to be known as the "Reserve Fund", in equal monthly installments, an amount equal in each year to at least 10% of the principal and interest requirements on the refunding bonds due during such year.

It is the express purpose of subsection (b) to provide payments to the Reserve Fund in amounts equal to 10% in excess of the sum of principal and interest becoming due and payable during the next succeeding 12 months period for the purpose of providing and maintaining a reserve for the payment of principal of and interest on the refunding bonds, until such time as the amount of the reserve so accumulated is equivalent to the principal and interest requirements on the refunding bonds for the year next ensuing. If for any reason the Board of Trustees shall fail to make the payments to the Reserve Fund required by subsection (b) above in any year, the amount of such deficiency shall be added to the amounts required to be paid by subsection (b) in each succeeding year, until such deficiency shall have been made up.

No further payments need be made into the Bond and Interest Fund and the Reserve Fund when the amounts contained therein are at least equal to the aggregate principal amount of the refunding bonds then outstanding, and the amount of interest then due or thereafter to become due on all of the refunding bonds. All moneys paid into the Bond and Interest Fund and the Reserve Fund shall be held by the Board of Trustees in trust for the holder or holders of the refunding bonds and the coupons appertaining
thereto, and said Board of Trustees shall not have any benefi-
cial interest or right in such money. Moneys deposited in the
Reserve Fund pursuant to subsection (b) above may be invested in
direct obligations of the United States government proclamations
unconditionally guaranteed by it. All moneys deposited in the
Bond and Interest Fund and in the Reserve Fund shall be used
solely for the purpose of paying interest on and principal of the
refunding bonds herein authorized and for no other purpose.

Any gross revenues remaining in the Revenue Fund after
making the transfers to the Bond and Interest Fund and the Re-
serve Fund required by subsection (a) and (b) above may be used
by the Board of Trustees for any lawful purpose.

All of said refunding bonds shall be equally and ratably
secured, without priority by reason of number or date of bonds,
execution or delivery.

The holders of the refunding bonds herein authorized shall
at all times be possessed of and subrogated to all of the rights,
powers, privileges and remedies of the holders of the outstanding
bonds refunded thereby, including, but not limited to, the
preservation of the lien of such outstanding bonds on the gross
revenues of the project without the extinguishment, impairment
or diminution thereof.

(4) The refunding bonds shall be fully negotiable, and
shall be transferable by delivery unless registered as herinafter
provided. Any refunding bonds may be registered as to principal
only on the books of the Board of Trustees in the office of its
Secretary, at any time prior to maturity, in the name of the
holder thereof, such registration to be noted by said Secretary
on the reverse side of said refunding bond; and after suchre-
registration the principal of such refunding bond shall be payable
only to the registered holder thereof, his legal representatives,
successors or assign. A transfer of such registered refunding
bond shall be valid only when such transfer is made on said
books of said Board of Trustees by the person in whose name
it is registered, or by his legal representatives, successors
or assigns, and similarly noted by said Secretary on the reverse
side of the refunding bonds. Such registered refunding bond may
be discharged from registration by being in like manner trans-
ferred to bearer, after which it shall again be transferable by
delivery, but such refunding bond may again, and from time to
time, be registered or transferred to bearer as before. The re-
istration of any of the refunding bonds shall not affect the
negotiability of the coupons appertaining thereto, which coupons
shall continue to be transferable by delivery merely.

(5) Each of the refunding bonds shall contain a recital
that it is issued pursuant to Act No. 14 of the Acts of the
General Assembly of Arkansas, 1939.

(6) In case any refunding bond shall become mutilated in
respect to the body of such refunding bond or the coupons, if any,
appertaining thereto, or shall be believed by the Board of Trustees
to have been destroyed, stolen or lost, upon proof of ownership
satisfactory to said Board of Trustees and upon the surrender
of such mutilated refunding bond, with its coupons, if any, at
the office of said Secretary, or upon receipt of evidence satis-
factory to the Board of Trustees of such destruction, theft, or
loss, and upon receipt also of indemnity satisfactory to the
Board of Trustees and upon payment of all expenses incurred by
the Board for any investigation relating thereto, and for each
new refunding bond issued under this subsection, the Board of
Trustees shall determine, in exchange and substitution for and
upon cancellation of the mutilated refunding bond, its coupons
if any, or in lieu of and in substitution for the refunding bond,
its coupons, if any, so lost, stolen or destroyed.
Section 4: The refunding bonds and the coupons to be attached thereto shall be in form substantially as follows:

STATE OF ARKANSAS
BOARD OF TRUSTEES OF
ARKANSAS STATE TEACHERS COLLEGE
DORMITORY REFUNDING BOND

No. __________ $___________

KNOW ALL MEN BY THESE PRESENTS: That the Board of Trustees of Arkansas State Teachers College, at Conway, Arkansas, for the value received, hereby promises to pay to the bearer, or if this bond be registered, as hereinafter provided, to the registered holder hereof, the sum of Dollars ($__________) on the first day of July 19________, and to pay interest on said sum from the date hereof until paid at the rate of four per cent (4%) per annum, payable on the first day of July, 1939, and semiannually thereafter on the first days of January and July in each year, upon presentation and surrender of the annexed interest coupons as the same severally mature. Both principal of and interest on this bond are payable in lawful money of the United States of America at the office of the Treasurer of said Board of Trustees, at Conway, Arkansas.

The bonds of this issue numbered 17 to 139 inclusive are subject to call and redemption, in whole or in part, at the option of the Board of Trustees, in the inverse order of maturity, on any interest payment date on or after five years from the date of said bonds, at par and accrued interest plus a premium of one-fourth (1/4) of 1% of the principal amount for each year or fraction thereof from the date of redemption to the date of maturity (provided, however, that the maximum premium to be paid on any of said refunding bonds shall not exceed 1% of the principal amount thereof) upon 60 days' prior notice. Such notice shall be given by registered mail to any and all known holders of any bonds to be redeemed, and as to any unknown holders of any such bonds, such notice shall be published at least once each week for at least two consecutive weeks in a newspaper of general circulation in the Borough of Manhattan, in the City of New York, New York, and in a newspaper of general circulation in the City of Little Rock, Arkansas, and shall be filed at the place of payment of principal and interest on the bonds. When this bond shall have been called for redemption as aforesaid, interest thereon shall cease from and after the date so specified.

This bond is one of an issue of bonds of like date, tenor and effect, except as to number, right of prior redemption and maturity, aggregating ONE HUNDREDTHIRTY-NINE THOUSAND DOLLARS ($139,000), authorized pursuant to a resolution duly adopted by the Board of Trustees and issued pursuant to Act No. 14 of the Acts of the General Assembly of the State of Arkansas, 1939, and under and in full compliance with the Constitution and Statutes of the State of Arkansas, including particularly said Act No. 14, for the purpose of refunding the 5% Dormitory Bonds of said Board of Trustees in the aggregate principal amount of $139,000, being part of an authorized issue in the aggregate principal amount of $157,000, dated April 1, 1933, and issued under and in full compliance with the Constitution and Statutes of the State of Arkansas, including particularly Act No. 47 of the Acts of the General Assembly of the State of Arkansas, 1933.

This bond constitutes a general obligation of said Board of Trustees, and the full faith and credit of said Board of Trustees is hereby irrevocably and unconditionally pledged to the payment thereof, principal and interest, but this bond shall be considered a debt for which the full faith and credit of the State of Arkansas is pledged. This bond is additionally
secured by a pledge of the gross revenues derived from the operation and maintenance of the dormitories constructed from the proceeds of the bonds refunded by the issue of which this bond is one. The Board of Trustees hereby covenants and warrants that for the payment of this bond and all other bonds of this issue and interest thereon when due, it will create and maintain a special fund (herein called the “Revenue Fund”) into which all of the revenues derived from the operation and maintenance of said dormitories shall be deposited, and that it will create and maintain two special accounts (herein called the “Bond and Interest Fund” and “Reserve Fund”, respectively,) into which accounts there shall be deposited from moneys deposited in the Revenue Fund sums sufficient to pay when due the principal of and interest on this bond and all other bonds of this issue, and to establish and maintain a reserve therefor, all as provided in the resolution authorizing the issuance of this bond and the issue of which it is one. The Board of Trustees hereby covenants and agrees that moneys in the Revenue Fund shall be used only for the foregoing purposes or for any other lawful purpose provided for in the resolution authorizing the issuance of said bonds, in the priority set forth in said resolution.

This bond shall be a negotiable instrument for all purposes and shall be transferable by delivery unless registered as hereinafter provided. It may be registered as to principal only on the books of said Board of Trustees in the office of its Secretary at any time prior to maturity, in the name of the holder thereof, such registration to be noted by said Secretary on the reverse side hereof; after such registration, the principal hereof shall be payable only to such registrated holder, his legal representative, successors or assigns, and similarly noted by said Secretary on the reverse side hereof. This bond, if registered, may be discharged from registration by being in like manner transferred to bearer, after which it shall again be transferable by delivery, but it may again from time to time be registered or transferred to bearer as before. The registration of this bond shall not affect the negotiability of the coupons appertaining hereto which shall continue to be transferable by delivery merely.

The rights and duties of said Board of Trustees and of the holder of this bond and of the holders of the issue of bonds of which this bond is one and of the holder of the coupons appertaining hereto, may be modified or altered in any respect by the Board of Trustees with the consent of the holder or holders of seventy-five percent (75%) in principal amount of the then outstanding bonds of the issue of which this bond is one; provided, however, that no such modification or amendment shall permit a change in the maturity of this bond or a reduction in the rate of interest thereon, or in the amount of the principal obligation or any other modification in the terms of payment of such principal or interest without the consent of all the holders of said bonds.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all conditions, acts and things required by the Constitution and Statutes of the State of Arkansas to exist, be performed and happen precedent to and in the issuance of this bond do exist, have been performed and have happened, and that the amount of this bond, together with all obligations of said Board of Trustees, does not exceed any limit upon indebtedness prescribed by the Constitution or Statutes of the State of Arkansas.

IN WITNESS WHEREOF, THE BOARD OF TRUSTEES OF ARKANSAS STATE TEACHERS COLLEGE, AT CONWAY, ARKANSAS, has caused this bond to be executed in its name by its Chairman, its corporate seal to be hereunto affixed and attested by its Secretary, and the interest coupons hereto attached to be executed by the facsimile signatures of its Chairman and Secretary, all as of the first day of January, 1939.

Section 5.

All moneys in the Revenue Fund, the Bond and Interest Fund and the Reserve Fund created hereunder shall be deposited in a bank or banks which are members of the Federal Deposit Insurance Corporation.

Section 6.

The Board of Trustees shall, and hereby covenants and agrees that, so long as any of the refunding bonds and the coupons appertaining thereto remain outstanding and unpaid, the project will be maintained and operated as a self-liquidating project, and the said Board of Trustees will fix and use its best efforts to collect such rates for use of the project as shall be sufficient at all times to provide funds to pay when due principal and interest on said refunding bonds, and to provide for the establishment and maintenance of the Reserve Fund hereinafore required. In addition, said Board of Trustees hereby pledges and obligates itself to apply, to the extent that at any time or from time to time may be necessary, to the payment of principal of and interest on the refunding bonds when due (in the event the gross revenues derived from the operation of the project shall at any time be insufficient for the purpose) the gross revenues to be derived from the operation of its dining hall and from matriculation, library, laboratory and other incidental fees and charges. Said Board of Trustees will, notwithstanding whatever other facilities may at the time be available for the housing of students, require a sufficient number of students to occupy the dormitories comprising the project, so that each of said dormitories shall be, at all times during the regular and summer scholastic terms, at least 95% occupied. The rates to be charged for services furnished by such dormitories shall be fixed and revised from time to time in order to
accomplish the purposes herein set forth.

Section 7.

It is hereby covenanted and agreed by the Board of Trustees with the holder or holders of the refunding bonds herein authorized to be issued that it will perform all duties with reference to the project required by the Constitution and Statutes of the State of Arkansas, and said Board of Trustees hereby irrevocably covenants, binds and obligates itself not to pledge, mortgage or otherwise encumber the project or any part thereof, or any revenues therefrom, except in the manner hereinafter set forth, and will not sell, lease or otherwise dispose of the project or any portion of said project until all the refunding bonds issued hereunder shall be paid in full, both principal and interest, or unless and until provision shall have been made for the payment of said refunding bonds and interest thereon in full and said Board of Trustees further covenants and agrees with the holder, or holders of said refunding bonds to maintain in good condition and to operate said project continuously.

Section 8.

No remedy conferred by this resolution upon any holder of the refunding bonds is intended to be exclusive of any other remedy, but each such remedy is cumulative and in addition to every other and may be exercised without exhausting and without regard to any other remedy conferred by this resolution or the Act or by any other law. No waiver of any default or breach of duty or contract by any holder of the refunding bonds shall extend to or shall affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the holders of the refunding bonds may be enforced and exercised from time to time and as often as may be deemed expedient. In case any suit, action or proceeding to enforce any right or exercise any remedy shall be brought or taken and then discontinued or abandoned, or shall be determined adversely to the holder of the refunding bonds, then and in every such case the Board of Trustees and such holder shall be restored to their former positions and rights and remedies as if no such suit, action or proceedings had been brought or taken.

Section 9.

While any of the refunding bonds (or coupons appertaining thereto) herein authorized remain outstanding, the said Board of Trustees shall not issue any additional bonds or other securities payable from any of the revenues of said project without the written consent of seventy-five per cent (75%) in principal amount of the holders of the then outstanding refunding bonds and appurtenant coupons herein authorized, and unless the rights of the holders of any such additional bonds or other securities are expressly made junior and subordinate to the rights of the holders of the refunding bonds herein authorized.

Section 10.

The rights and duties of the Board of Trustees and of the holder or holders of the refunding bonds and of the coupons appertaining thereto may be modified or altered in any respect with the consent of the holder or holders of seventy-five per cent (75%) in principal amount of the then outstanding refunding bonds; provided, however, that no such modification or amendment shall permit a change in the maturity of any refunding bond, or a reduction in the rate of interest thereon, or in the amount of the principal obligation, or any other modification in the terms of a payment of such principal or interest without the consent of all the holders of such refunding bonds.
Section 11.

The refunding bonds herein authorized shall be exchanged, on a basis of par for par, for the outstanding bonds, numbered from 20 to 159, both inclusive, now held by Reconstruction Finance Corporation.

Said refunding bonds to be exchanged for outstanding bonds, in the aggregate principal amount of $139,000, properly signed and sealed as hereinabove provided, bearing duly executed interest coupons maturing July 1, 1939 and subsequent thereto, shall be delivered by the Treasurer of the Board of Trustees to Reconstruction Finance Corporation only upon the surrender and delivery to said Treasurer of the outstanding bonds with the coupons maturing October 1, 1939 and subsequent thereto.

Together with said refunding bonds in the aggregate principal amount of $139,000 as hereinabove provided to be delivered to said Corporation, said Treasurer shall duly deliver to said Corporation such other documents or data as said Corporation may require relative to the issuance, execution, exchange or delivery of said refunding bonds in the aggregate principal amount of $139,000 or the coupons attached thereto.

Upon the consummation of the aforesaid exchange, all moneys, if any, remaining in the Special Fund, or any other fund, created and maintained pursuant to the provisions of the resolution of the Board of Trustees passed and approved on June 28, 1933, which resolution authorized the issuance of the outstanding bonds, shall be transferred to and be deposited in the Bond and Interest Fund created hereunder, or in a fund corresponding to the particular fund from which such moneys are transferred.

Section 12.

So long as any of said refunding bonds are outstanding the said Board of Trustees shall:

(a) Maintain insurance for the benefit of the holders of the refunding bonds herein authorized of such kinds and amounts as usually would be carried by a private individual or by private companies engaged in a similar type of business;

(b) Keep proper books of records and accounts (separate from all other records and accounts) in which complete and correct entries shall be made of all transactions relating to said project. The said Board of Trustees will furnish the original purchaser of said refunding bonds, and to any holder or holders of any of the said refunding bonds, at the written request of such holder or holders, not more than thirty days after the close of each six months' fiscal period, complete operating and income statement of the said project in reasonable detail covering such six months' period and not more than sixty days after the close of each fiscal year, complete financial statement of said project in reasonable detail covering such fiscal year certified by the Board of Trustees' fiscal officer; and

(c) Grant to any holder or holders of ten per cent (10%) of the outstanding refunding bonds herein authorized to be issued the right at all reasonable times to inspect the said project and all records, accounts and data of the Board of Trustees relating thereto, and any other information which may reasonably be requested.
Section 13.

The Board of Trustees hereby covenants that it will refrain from claiming or taking the benefit or advantage in any manner whatever of any stay or extension law whenever enacted or at any time hereafter in force which may affect in any way the duties of the Board of Trustees in relation to the refunding bonds, or the lieu thereof, or the performance of the covenants of this resolution.

Section 14.

If any section, paragraph, clause or provision of this resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining sections, paragraphs, clauses or provisions of this resolution.

Section 15.

All resolutions or parts of resolutions inconsistent with this resolution are hereby repealed, rescinded or revoked to the extent only of such inconsistency. This repealer shall become effective only upon the consummation of the exchange of refunding bonds as hereinafore provided.

The Board adjourned subject to the call of the Chairman.
