

The building committee of the Board of Trustees of the Arkansas State Normal School met in the office of the State Treasurer, Monday, October 14th, 1918. The following members were present: Bond, Lenon and McDaniel. The object of the meeting was to let the contract for the electric fixtures for the new building, same having been duly advertised for in the daily papers of Little Rock. However, it was ascertained that no bids had been made and it was then decided to authorize the President of the school, Hon. B. W. Torreyson, to himself have drops and other temporary wiring and fixtures put in the new building and let the contract for the general fixtures sometime next spring when it is supposed this kind of material will be cheaper.

There being no further business the committee adjourned.

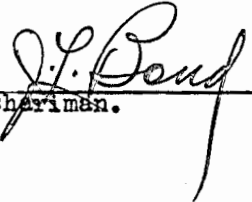

J. L. Bond

 Chairman.

R. L. McDaniel

 Secretary.

Now on this the 24th day of October, 1918, a certificate from Architect Almand is presented to the building committee for the sum of \$1876.00, part payment of contract to repair heating plant of old administration building. Same having been approved by a majority of the building committee a voucher is this day issued to Pettit-Galloway for said sum of \$1876.00.

Chairman.

Secretary.
