III. MINUTES

Minutes of the December 8, 2017, board meeting, which can be found on UCA's website, were distributed to board members for review prior to the February 9, 2018, board meeting.

VII. ACTION AGENDA

A. Resolution of Appreciation – Elizabeth Farris

RESOLUTION OF APPRECIATION

WHEREAS, Elizabeth Farris of Hot Springs, Arkansas, was appointed to the Board of Trustees of the University of Central Arkansas by the Governor of the State of Arkansas, Mike Beebe, in January 2012 to complete the two-years remaining on a term and again in January 2014 for a term of seven years; and

WHEREAS, Mrs. Farris graduated from the University of Central Arkansas in 1977 with a Bachelor of Business Administration degree; and

WHEREAS, Mrs. Farris served as chair of the Board of Trustees in 2017 and attended many university events and functions in her capacity as chair; and

WHEREAS, during her term as chair of the Board, the university made significant progress by (a) opening the Conway Corporation Center for Sciences, (b) beginning the renovation of Hughes Hall, (c) holding the investiture of Dr. Houston Davis as the 11th President of UCA, (d) proceeding with the construction of a pedestrian bridge over Dave Ward Drive in the area of the Stone Dam Creek trail, (e) the UCA Police Department being accredited by the Arkansas Law Enforcement Accreditation Program, and (f) receiving notification that the Higher Learning Commission continued the accreditation of the university; and

WHEREAS, Mrs. Farris served with honor and distinction and because of her leadership the university had a very successful year in 2017; and

NOW THEREFORE BE IT RESOLVED, that the Board of Trustees of the University of Central Arkansas does hereby extend its sincere appreciation and gratitude to Elizabeth Farris for her service as chair of the Board of Trustees during 2017; and

BE IT FURTHER RESOLVED, that this resolution be made a part of the minutes of the University of Central Arkansas Board of Trustees meeting.

Adopted this 9th day of February 2018 in Conway, Arkansas.

Joe Whisenhunt
Chair

Cornell Maltbia
Secretary

VII. ACTION AGENDA

B. Reimbursement of Expenses for Official Board of Trustees Duties – Board Policy No. 211

Arkansas Code Annotated 25-16-901 et seq. provides that boards and commissions may, during their first regularly scheduled meeting of each calendar year, authorize expense reimbursement for each board member for performing official board duties. The law states that the expense reimbursement must not exceed the rate established by state travel regulations for state employees. The law covers expense reimbursement for all board functions. This action is consistent with Board Policy No. 211, Reimbursement of Expenses for Official Board of Trustees Duties, and Arkansas Code Annotated 6-67-102.

Therefore, the president recommends to the Board of Trustees the following resolution:

BE IT RESOLVED: That the Board of Trustees approves the following statement concerning reimbursement of expenses for official board duties for 2018:

The UCA Board of Trustees authorizes reimbursement of expenses for each of its members for performance of official board duties, to include attendance at board meetings, fulfillment of board training requirements, and any other official board duties. The expense reimbursement authorized herein must not exceed the rate established by state travel regulations for state employees, including special travel authorization. The board also authorizes the president to approve the reimbursement of travel expenses of board members that are in conformance with this policy.”

UNIVERSITY OF CENTRAL ARKANSAS BOARD POLICY

Policy Number: 211

Subject: Reimbursement of Expenses for Official Board of Trustees Duties

Date Adopted: 10/92 Revised: 02/96

The University of Central Arkansas Board of Trustees authorizes reimbursement of expenses for each trustee for performance of official board duties, to include attendance at board meetings, fulfillment of board training requirements, and any other official board duties. The expense reimbursement authorized herein must not exceed the rate established by state travel regulations, including special travel authorization. The board also authorizes the president to approve the reimbursement of travel expenses of board members that are in conformance with this policy.

VII. ACTION AGENDA

C. Request for Authorization to Proceed with Eminent-Domain Proceedings on Property Located at 1953 Torreyson Street, Conway, Arkansas

The administration is seeking authority from the Board of Trustees to proceed with eminent-domain proceedings to acquire the property at 1953 Torreyson Street for additional parking and as additional access to the rear of the university-owned Erbach Apartments. The university, acting through the Board of Trustees, has the authority to exercise eminent domain (condemnation) pursuant to Ark. Code Ann. § 6-62-201. The legal description is as follows:

**Lots 4 and 5, Block 3, College Oaks Addition to the City of Conway,
Faulkner County, Arkansas.**

UCA contracted, in October 2017, to purchase 1953 Torreyson (the property) from its believed owners, Ms. Jeri Joann Nibs and Ms. Kiji Lujan Robertson, for \$42,000. The Board of Trustees voted at the December 8, 2017, board meeting to authorize the administration to proceed with the purchase of the property. The administration contacted Lenders Title Company to facilitate the closing on the property. Subsequently, Lenders notified the university and Nibs that she needed to probate the estate of her son, David Williams, before a title-insurance commitment could be issued because of a title deficiency as explained below. Arkansas law requires a seller to provide a commitment to issue a title-insurance policy on property purchased for the State of Arkansas.

Williams purchased the property in 2002. He deeded the property to Nibs and Robertson in 2015, but they did not immediately record the deed. Williams died in 2016. The deed was recorded almost one year after Williams' death.

Williams' family members initially indicated that they would probate Williams' estate to clear the title issue, but the university later learned that Nibs sold the property to Mr. Steve Lunk for \$30,000. Additional investigation into the situation revealed that (1) Nibs had exchanged text messages and discussed selling the property to Lunk as early as summer 2017, and (2) Robertson transferred her ownership interest in the property by a quitclaim deed to Nibs in September 2017.

Lunk plans to renovate and rent the property. He will consider selling the property to UCA at a later date. Since the university does not plan to use the property for housing, any renovations will increase the future cost to the university.

The administration is requesting authority from the Board of Trustees to proceed with eminent-domain proceedings to acquire the property at 1953 Torreyson Street. The public purposes are for additional parking and access to the rear of the university-owned Erbach Apartments.

Therefore, the president recommends to the Board of Trustees the following resolution:

RESOLUTION

**AUTHORIZING CONDEMNATION PROCEEDINGS
UNDER
ARK. CODE ANN. §6-62-201**

WHEREAS, the Board of Trustees of the University of Central Arkansas has reviewed and discussed the acquisition of 1953 Torreyson Street in the City of Conway, Arkansas, which is more particularly described as follows:

**Lots 4 and 5, Block 3, College Oaks Addition to the City of Conway,
Faulkner County, Arkansas.**

WHEREAS, the ownership of the property is in question with David Williams (deceased), Ms. Jeri Joann Nibs, and Mr. Steve Lunk each having possible claims to the property; and

WHEREAS, the Board of Trustees has determined that the administration of the university has exercised every reasonable effort to obtain the property at a reasonable price through negotiation and such negotiations have not been successful; and

WHEREAS, Ms. Nibs signed a contract accepting an offer of \$42,000 but then transferred her interest in the property to Steve Lunk; and

WHEREAS, Mr. Lunk has expressed a desire to renovate the property and retain ownership; and

WHEREAS, the Board of Trustees has determined that the acquisition of the property is necessary for the use and benefit of the University of Central Arkansas for additional parking and access to the university-owned Erbach Apartments; and

WHEREAS, pursuant to the provisions of Ark. Code Ann. § 6-62-201, the Board of Trustees of the University of Central Arkansas is granted the authority to condemn property whenever and wherever the acquisition of property is necessary for the use of the institution.

NOW, THEREFORE BE IT RESOLVED, by the Board of Trustees of the University of Central Arkansas, that the Board, by the adoption of this resolution, hereby:

(a) finds and determines that the acquisition of the property is necessary for the use and benefit of the institution for additional parking and access to the university-owned Erbach Apartments;

(b) finds that every reasonable effort has been made to acquire the property through the offering of a reasonable price; and

(c) authorizes the president of the university to proceed with the exercise of the university's right of eminent domain under and pursuant to the provisions of Ark. Code Ann. § 6-62-201 to acquire the property to be used for the benefit of the public institution known as the University of Central Arkansas.

VII. ACTION AGENDA

D. Contract Review Procedures – Board Policy No. 416

Pursuant to Board Policy No. 416, Contract Review Procedures, the administration must seek board approval for any contract that requires the university to expend funds, at any time, in excess of \$250,000 or any contract with a term exceeding one year, unless the Office of General Counsel certifies, in writing, that the contract (a) may be terminated by the university on the giving of written notice of 90 days or less or (b) will not require the university to expend funds in excess of \$99,999.

The administration is seeking board approval for the university to enter into contracts with the following:

- Fidelity Information Services
- HealthCheck 360°

Therefore, the president recommends to the Board of Trustees the following resolution:

“BE IT RESOLVED: That the Board of Trustees authorizes the administration to enter into the contracts with the companies/organizations listed above and on the following pages.”

UNIVERSITY OF CENTRAL ARKANSAS
REASON FOR REQUIRING BOARD REVIEW AND ACTION
(Board Policy No. 416)

Contract with a term of more than one year and exceeds \$250,000

SUMMARY

1. Parties: University of Central Arkansas (Department of Information Systems and Technology) and Fidelity Information Services.
2. Purpose: To obtain replacement servers, storage, and backup hardware for the Banner databases. Agreement includes five years of hardware/software maintenance and onsite setup services. The current equipment is approximately 10 years old, and some equipment will no longer be covered by maintenance agreements by the end of the year. If the university does not upgrade at this time, maintenance costs for the next three years will be approximately \$350,000. In addition to the cost savings from upgrading now, the equipment will have a reduced physical footprint while doubling throughput to storage devices.
3. Term: Five years.
4. University Funds to be Paid: \$259,745.03.
5. Funds Received: N/A.
6. Public Bid/Purchasing Approval: An Invitation for Sealed Competitive Bid (IFB) was issued on November 28, 2017, for the purpose of obtaining IBM related hardware, software, and support to be utilized by the UCA Department of Information Systems and Technology. The sealed bids opened on December 13, 2017. Fidelity Information Services was the only company that responded.
7. Special Provisions/Terms/Conditions: N/A.
8. Approval/Notification to UCA Foundation: N/A.

Form prepared by: Warren Readnour, General Counsel

Date: January 24, 2018

UNIVERSITY OF CENTRAL ARKANSAS
REASON FOR REQUIRING BOARD REVIEW AND ACTION
(Board Policy No. 416)

Contract with a term of more than one year and exceeds \$250,000

SUMMARY

1. Parties: University of Central Arkansas (Office of Human Resources) and HealthCheck 360°.
2. Purpose: Employee health and wellness program for UCA employees in support of the university health plan.
3. Term: Initial term three years, but renewable up to a maximum of seven years.
4. University Funds to be Paid: Approximately \$125,034 per year for first three years. The rates and actual cost depend on the total number of eligible employees. The cost will be paid from the health insurance plan premiums.
5. Funds Received: N/A.
6. Public Bid/Purchasing Approval: A Request for Proposal (RFP) was issued for the purpose of obtaining a vendor to oversee an employee health and wellness program. The RFP opened on October 31, 2017. Fourteen companies responded. HealthCheck 360° was selected after an evaluation process was conducted.
7. Special Provisions/Terms/Conditions: N/A.
8. Approval/Notification to UCA Foundation: N/A.

Form prepared by: Warren Readnour, General Counsel

Date: January 24, 2018

VII. ACTION AGENDA

E. Certification of Sufficient Appropriations and Fund Balances

In accordance with State Accounting and Budgetary Procedures law, the Board of Trustees is required to annually certify that the university will not incur any obligations without having sufficient appropriations and funds available during the fiscal year for the payment of the obligations when they become due.

Therefore, the president recommends to the Board of Trustees that this certification be approved and submitted to the chief financial officer of the State of Arkansas as required by Arkansas law.

“BE IT RESOLVED: That the Board of Trustees approve the following certification and will continue to monitor the obligations of the university to insure that sufficient appropriations and fund balances are available to pay all future obligations of the institution when such obligations become due.”

**CERTIFICATION OF SUFFICIENT
APPROPRIATIONS AND FUND BALANCES
TO MEET OBLIGATIONS FOR
UNIVERSITY OF CENTRAL ARKANSAS**

I am aware that the State Accounting and Budgetary Procedures law mandates that in no event shall any obligations be incurred by an institution of higher education unless sufficient appropriations and funds are available, or will become available, during the fiscal year for the payment of the obligations when they become due.

I understand that appropriations authorized by the General Assembly and fund balances shall be monitored by the Board of Trustees and the president of this institution to ensure that resources are available, or will become available, to pay the obligations of this institution and that no obligations are incurred that exceed available appropriations and funds.

Therefore, I certify that as of December 31, 2017, I have verified that sufficient appropriations and funds are available, or will become available, to pay the obligations of this institution of higher education and all other current obligations to be paid from the appropriations and the funds.

I also certify that obligations of this institution of higher education shall continue to be monitored to ensure that sufficient appropriations and fund balances are available, or will become available, to pay all future obligations of the institution when such obligations become due.

Mr. Joe Whisenhunt, Chair
University of Central Arkansas Board of Trustees

VII. ACTION AGENDA

F. Distinguished Professor Emeritus Awards

The Faculty Emeritus Committee has unanimously recommended two retired UCA professors, Dr. Clint Johnson and Dr. Gordon Shepherd, to receive the status of Distinguished Professor Emeritus. The professors were nominated for the honor by the faculty in their respective departments and have the support of all appropriate academic councils and administrators.

Therefore, the president recommends to the Board of Trustees the following resolution:

“BE IT RESOLVED: That the Board of Trustees hereby approves the recommendation that Dr. Clint Johnson and Dr. Gordon Shepherd receive the honor of Distinguished Professor Emeritus.”

RESOLUTION

WHEREAS, Dr. Clint Johnson served as professor of economics in the Department of Economics, Finance, Insurance and Risk Management, formerly the Department of Economics and Finance, at the University of Central Arkansas from 1975 to 2010; and

WHEREAS, Dr. Clint Johnson served as the first chair of the Department of Economics and Finance; and

WHEREAS, Dr. Clint Johnson was instrumental in the College of Business obtaining its first accreditation by The Association to Advance Collegiate Schools of Business (AACSB); and

WHEREAS, Dr. Clint Johnson was recommended unanimously by the tenured faculty of the Department of Economics, Finance, Insurance and Risk Management; and

WHEREAS, Dr. Clint Johnson was unanimously recommended to receive the Distinguished Professor Emeritus Award by the Faculty Emeritus Committee;

NOW THEREFORE BE IT RESOLVED, that the Board of Trustees of the University of Central Arkansas does hereby bestow the honor and status of Distinguished Professor Emeritus on Dr. Clint Johnson in recognition of his leadership in and his service to the Department of Economics, Finance, Insurance and Risk Management at the University of Central Arkansas; and

BE IT FURTHER RESOLVED, that this resolution be made part of the minutes of the February 9, 2018, University of Central Arkansas Board of Trustees meeting.

Mr. Joe Whisenhunt
Chair

Rev. Cornell Maltbia
Secretary

RESOLUTION

WHEREAS, Dr. Gordon Shepherd served as professor of sociology in the Department of Sociology, Criminology, and Anthropology, formerly the Department of Sociology, at the University of Central Arkansas from 1980 to 2016; and

WHEREAS, Dr. Gordon Shepherd received the Faculty Excellence Award in Research, Scholarship, and Creative Activity in 2011; and

WHEREAS, Dr. Gordon Shepherd continues to support emerging scholars through the Gordon and Faye Shepherd Fund; and

WHEREAS, Dr. Gordon Shepherd was recommended unanimously by the tenured faculty of the Department of Sociology, Criminology, and Anthropology; and

WHEREAS, Dr. Gordon Shepherd was unanimously recommended to receive the Distinguished Professor Emeritus Award by the Faculty Emeritus Committee;

NOW THEREFORE BE IT RESOLVED, that the Board of Trustees of the University of Central Arkansas does hereby bestow the honor and status of Distinguished Professor Emeritus on Dr. Gordon Shepherd in recognition of his leadership in and his service to the Department of Sociology, Criminology, and Anthropology at the University of Central Arkansas; and

BE IT FURTHER RESOLVED, that this resolution be made part of the minutes of the February 9, 2018, University of Central Arkansas Board of Trustees meeting.

Mr. Joe Whisenhunt
Chair

Rev. Cornell Maltbia
Secretary

VIII. NOTIFICATIONS/DELETIONS

A. Notification: Reconfiguration of the MS in Family and Consumer Sciences

The Department of Family and Consumer Sciences in the College of Health and Behavioral Sciences has proposed a reconfiguration of its existing MS degree program in Family and Consumer Sciences that will result in two master's degrees: the existing program, as a general Family and Consumer Sciences degree, and a new MS in Nutrition, created from the Nutrition and Foods track in the existing program.

The department has recognized that graduate students in Nutrition need a degree program whose title clearly identifies the body of knowledge and skills that graduates of the program have mastered. Additionally, the standalone MS in Nutrition will allow the department to be prepared for the requirement, expected in 2024, of master's preparation for entry level into practice as a registered dietitian. The MS in Nutrition will be coordinated with the Dietetic Internship and, as a standalone program, will be better able to evolve to meet the needs of several populations. The department anticipates that students completing internships in areas where graduate degrees are not offered (e.g., hospital-based internships) will be seeking fully-online MS degree options and that current practitioners will be looking for opportunities to further their education in order to compete with recent graduates.

The curriculum of the program (outlined in the supporting materials) will not change, and no additional resources are required to implement the new degree.

All appropriate committees, councils, and administrators have recommended approval of the proposal, and the provost and the president have approved the proposal.

Supporting materials (following pages): (1) UCA Curriculum Form G3, (2) ADHE Form LON-11. A lengthy attachment referred to in the ADHE form is not included here.

New Graduate Program Transmittal Form

Department: Family and Consumer SciencesDate: 02.02.17

NOTE: UPON COMPLETION OF ALL REQUIRED APPROVALS, NEW PROGRAMS WILL BE PUBLISHED IN THE BULLETIN FOR THE NEXT ACADEMIC YEAR.
If you wish to request a particular effective date, provide details on the following page.

Title of program/concentration: Master of Science in Nutrition

Check the type of program and supply the requested information. Attach required documentation.

- ☐ New degree program (Attach ADHE Form P-1 and a Continuous Improvement Process plan.*)
- ☒ New degree program by "reconfiguration" of an existing degree program (Attach ADHE Form LON-11 and a Continuous Improvement Process plan.*)
- ☐ New certificate program (Attach ADHE Form LON-10, a Continuous Improvement Process plan,* AND Curriculum Attachment C signed by the Director of Financial Aid.**)
- ☐ New concentration in an existing program (Attach ADHE Form LON-3.)

*Consult the Director of Assessment early in the development of the Continuous Improvement Process plan.

**Consult the Director of Financial Aid early in the development of a new certificate program to determine whether students enrolled in the program will be eligible for financial aid.

Are any of the prerequisites or requirements of the proposed program offered by another department? No

If YES, attach a signed letter from each department's chair describing the impact on the department.

LETTER OF NOTIFICATION – 11

RECONFIGURATION OF EXISTING DEGREE PROGRAMS

(Consolidation or Separation of Degrees to Create New Degree)

1. Institution submitting request

University of Central Arkansas

2. Contact person/title

Jonathan A. Glenn
Associate Provost

(501) 450-3126
jona@uca.edu

3. Title(s) of degree program(s) to be consolidated/separated

Master of Science (MS) in Family and Consumer Sciences

4. Current CIP code(s), current degree code(s)

CIPC: 19.0101
Degree code: 6220

5. Proposed title(s) of consolidated/separated program(s)

Master of Science (MS) in Family and Consumer Sciences (existing program: no change)
Master of Science (MS) in Nutrition (new program)

6. Proposed CIP code(s) for consolidated/separated program(s)

CIP code: 19.0101 (MS in Family and Consumer Sciences: no change)
CIP code: 19.0501 (MS in Nutrition)

7. Proposed effective date

Fall 2018

8. Reason for proposed consolidation or separation

The Department of Family and Consumer Sciences currently offers a master's degree in Family and Consumer Sciences with three tracks: Clothing, Textiles, and Fashion; Nutrition and Foods; and General Family and Consumer Sciences.

Reconfiguring the existing degree will result in (1) the continuation of the MS in Family and Consumer Sciences as a general family and consumer sciences program and (2) a second master's program, the MS in Nutrition.

The department has recognized that graduate students in Nutrition need a degree program whose title clearly identifies the body of knowledge and skills that graduates of the program have mastered. Additionally, the standalone MS in Nutrition will allow the department to be prepared

for the requirement, expected in 2024, of master's preparation for entry-level into practice as a Registered Dietitian. The MS in Nutrition will be coordinated with the Dietetic Internship and, as a standalone program, will be better able to evolve to meet the needs of several populations. We anticipate that students completing internships in areas where graduate degrees are not offered (e.g., hospital-based internships) will be seeking fully online MS degree options and that current practitioners will be looking for opportunities to further their education in order to compete with recent graduates.

9. Provide current and proposed curriculum outline.

Note: the current and proposed curricula are identical except for the grouping of the Nutrition and elective courses. See the separate Attachment file¹ for a more complete detailing of current and proposed academic bulletin presentation of the existing degree and the reconfigured (separated) degrees. The curriculum listed in §9.2 below represents that of the MS in Nutrition resulting from the reconfiguration.

The MS in Nutrition will allow for a thesis or non-thesis option as does the Nutrition and Foods track in the existing degree. The thesis option requires a total of 30 semester credit hours: 9 hours of core courses, 12 hours of specialization, 3 hours of elective, and 6 hours of thesis research. The non-thesis option requires a total of 36 semester credit hours: 9 hours of core courses, 21 hours of specialization, and 6 hours of electives. No new courses will be required to implement this reconfiguration.

The existing master's program is fully online, and the MS in Nutrition will also be fully online.

9.1. Admission to the program

To be granted regular admission to graduate school and to the MS in Nutrition, students must have accomplished the following:

- ♦ Obtained a baccalaureate degree from an accredited institution
- ♦ Achieved a minimum cumulative undergraduate GPA of 2.70 on a scale of 4.00 or at least a 3.00 in the last 60 hours of undergraduate study
- ♦ Achieved a minimum 3.00 GPA on any graduate course work previously taken at another accredited institution
- ♦ Submitted required test scores (GRE)
- ♦ Obtained an undergraduate degree in nutrition or related field or successfully completed the courses for an undergraduate didactic program in dietetics as required

9.2. Curriculum Outline

Core courses (both thesis and non-thesis options: 9 hours)

FACS 6300 Current Issues in Family and Consumer Sciences
FACS 6335 Evidence-Based Research in Nutrition²

¹ Filename: <uca-lon11-ms-facs-ms-nutrition-2-attachment.docx>.

² Either of the following courses may be substituted for FACS 6335: ASTL 6380 Research Methods or H SC 6379 Research in Health.

FACS 6350 Statistical Methods in Family and Consumer Sciences³

Specialization courses, selected from this list (thesis option: 12 hours; non-thesis option: 21 hours)

Asterisked courses in this list are included in the dietetic internship and are only available to a student in the MS in Nutrition who is completing the internship and the degree at the same time.

NUTR 5V30 Special Topics (variable credit: 1–3 hours)

NUTR 5315 Nutrition Services Practicum I*

NUTR 5316 Nutrition Services Practicum II*

NUTR 5317 Community Nutrition Practicum*

NUTR 5318 Clinical Nutrition Practicum*

NUTR 5321 Nutrition Services Administration*

NUTR 6313 Diet Therapy*

NUTR 6330 Metabolic Nutrition

NUTR 6335 Nutrition Counseling

NUTR 6340 Diabetes Medical Nutrition Therapy

NUTR 6345 Pediatric Nutrition

Elective hours (thesis option: 3 hours; non-thesis option: 6 hours)

Electives in an allied area approved by major advisor

Thesis research (thesis option only: 6 hours)

FACS 6V44 Thesis Research

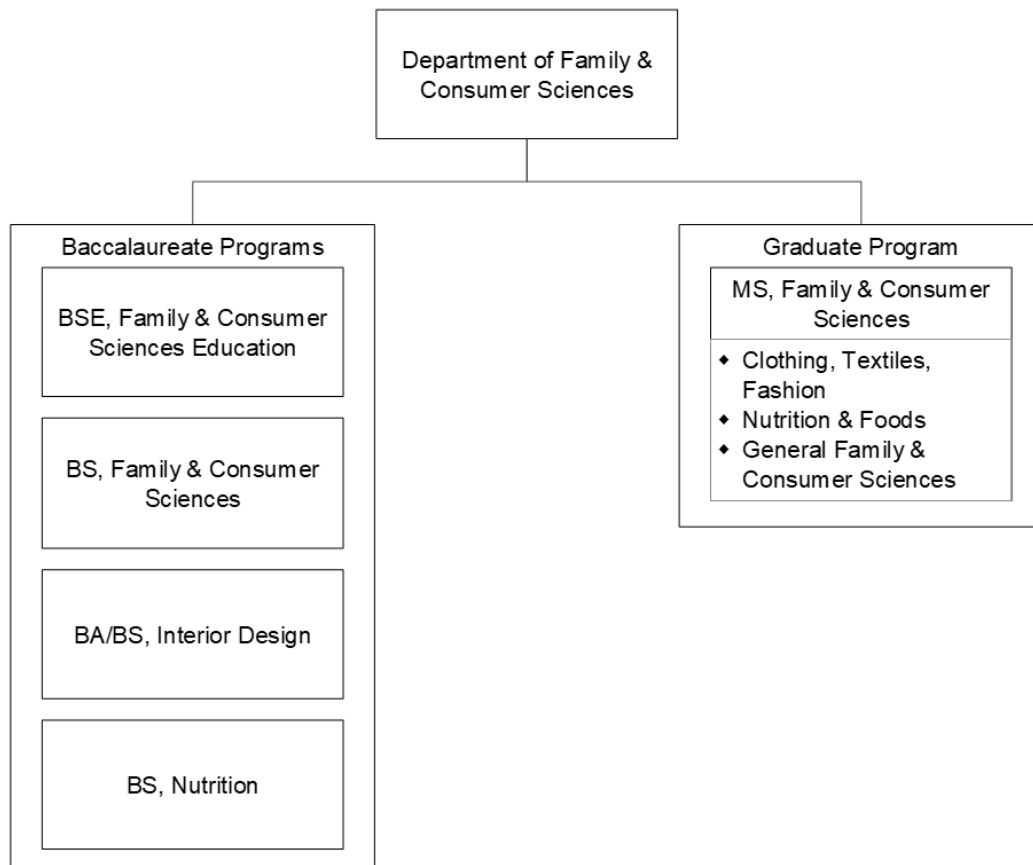

10. Provide program budget. Indicate amount of funds available for reallocation.

Resources necessary for development and implementation of this program include staff/faculty time for administration and new recruitment material. However, all classes included in the reconfigured degree program are already developed, taught, and approved for online delivery. Therefore, no additional budget is needed at this time.

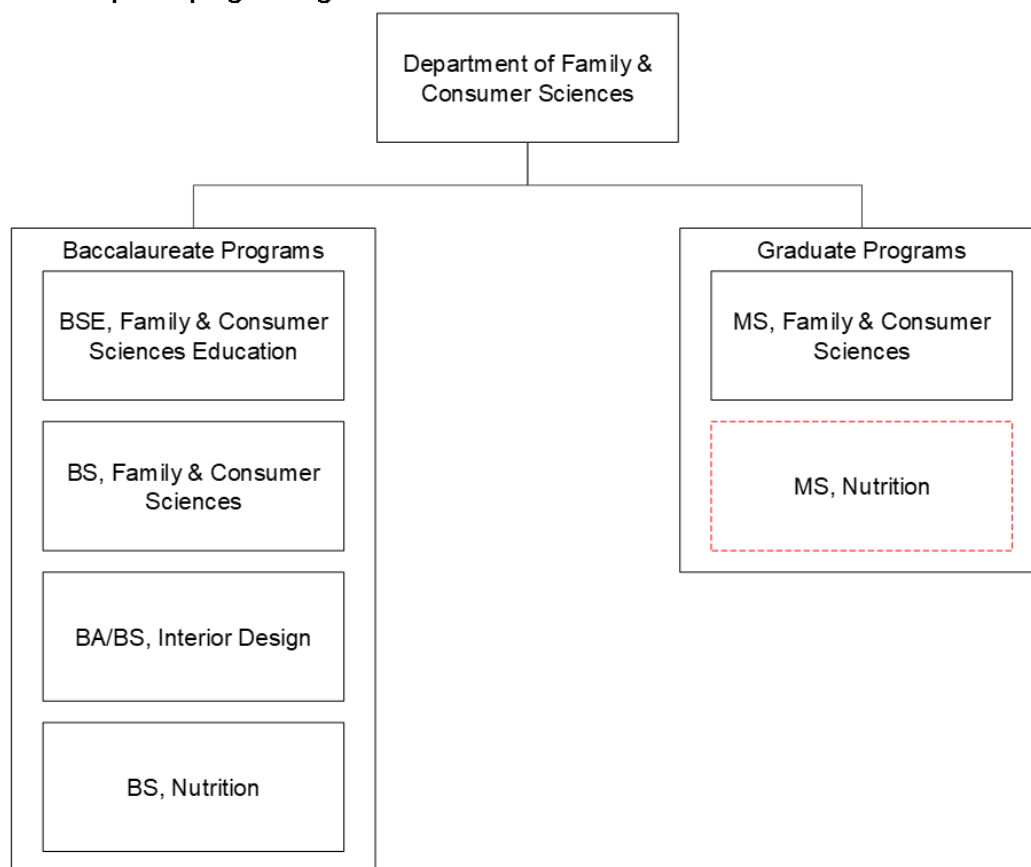

³ Either of the following courses may be substituted for FACS 6350: ASTL 6382 Educational Statistics or EXSS 6316 Data Analysis.

11. Provide current and proposed organizational chart.

11.1. Current program organization

11.2. Proposed program organization

12. Institutional curriculum committee review/approval date

Undergraduate/Graduate Council: 2017-10-12

Council of Deans: 2017-10-25

13. Are the existing degrees offered off-campus or via distance delivery?

The existing degree and all respective classes are currently approved and offered via distance delivery.

14. Will the proposed degree be offered on-campus, off-campus, or via distance delivery? If yes to distance delivery, indicate mode of distance delivery.

The existing and proposed degrees and all respective classes will continue to be offered via distance delivery. UCA's learning management system (LMS), currently Blackboard, will continue to be the mode of online delivery for both programs.

15. Provide documentation that the proposed program has received full approval by licensure/certification entity, if required.

N/A

16. Provide copy of e-mail notification to other institutions in the area of the proposed program.

On January 4, 2018, the following message was sent from the UCA provost to chief academic officers of public institutions of higher education in Arkansas:

The University of Central Arkansas will create an MS in Nutrition by reconfiguration of its existing MS in Family and Consumer Sciences. The existing degree currently includes a track in Nutrition and Foods. Creating the standalone master's program will clearly identify the body of knowledge and skills that graduates of the program have mastered, and it will prepare for the requirement, expected in 2024, of master's preparation for entry-level into practice as a Registered Dietitian.

The MS in Nutrition will allow for a thesis or non-thesis option. The thesis option requires a total of 30 semester credit hours: 9 hours of core courses, 12 hours of specialization, 3 hours of elective, and 6 hours of thesis research. The non-thesis option requires a total of 36 semester credit hours: 9 hours of core courses, 21 hours of specialization, and 6 hours of electives. No new courses will be required to implement this reconfiguration.

We welcome your comments or questions, but (as a courtesy to our colleagues) please do not Reply All if you do send us a response.

If substantive responses are received, they will be shared with ADHE staff along with UCA's response.

Additionally, the Department of Family and Consumer Sciences, in spring 2017, notified Dr. Reza Hakkak, Chair of the Department of Dietetics and Nutrition at the University of Arkansas for Medical Sciences, of the plan to reconfigure our degrees. Dr. Hakkak responded, stating that "We have no objection to your plans" (email, March 6, 2017).

17. List institutions offering similar program and identify the institution(s) used as a model to develop the proposed program.

The curriculum of the degree we are proposing for reconfiguration has already existed as a specialization track within a general master's degree. In the state, the University of Arkansas and the University of Arkansas for Medical Sciences have MS degrees in nutrition-related areas.

18. Provide scheduled program review date (within 10 years of program implementation).

The MS in Nutrition will, ultimately, be accredited through the Accreditation Council for Education in Nutrition and Dietetics (ACEND). The initial review will be after 2024.

19. Provide additional program information if requested by ADHE staff.

Will be provided upon request.

President/Chancellor Approval Date: 2017-11-06

VIII. NOTIFICATIONS/DELETIONS

B. Notification: Approval for Online Delivery: the Bachelor of Professional Studies and the BS in Addiction Studies

The university is required to notify the Arkansas Higher Education Coordinating Board of programs offered by distance delivery before the number of distance delivery credits reaches 50% of the credit in the program. Two degree programs in the Department of Health Sciences are offering enough credit online to require that we make that notification: the Bachelor of Professional Studies (a baccalaureate degree completion program) and the Treatment track in the BS in Addiction Studies.

All appropriate committees, councils, and administrators have supported this notification, and the provost and president have approved.

Supporting materials (following pages): (1) UCA Curriculum Form U2-O for each program and (2) ADHE Form LON-13 for each program (attachments noted in these LONs are not included)

Undergraduate Curriculum Change: Conversion to Online or Hybrid DeliveryDepartment/program/concentration: Health SciencesDate: 10/03/17**Check one of the following and supply the requested information and documentation.**

- ☒ Convert a degree or certificate program. Attach ADHE Form LON-13.

Program name: Bachelor of Professional StudiesIs the program listed above new? No If YES, simultaneously submit Curriculum Form U3.

If the conversion affects another department, attach a signed letter from the department's chair describing the impact on the department.

- ☐ Convert a course. Attach a justification/rationale for converting the course to online delivery.

Course prefix and number: _____ Course title: _____

Is the course listed above new? Yes/No: If YES, simultaneously submit Curriculum Form U1.

Will the program or course be fully online or a hybrid? (Check one.)

- ☒ **Online:** Any program or course that is completely online and requires no in-person meetings with the instructor or class. In-person attendance may still be required for certain off-campus activities such as proctored exams, clinical experience, and internship hours. Online courses emphasize student learning communities, computer-mediated communication, and active student learning.
- ☐ **Hybrid:** Any program or course in which some portion of traditional "seat time" has been replaced by online academic activities. A hybrid program or course would require at least one scheduled in-person session with the instructor or class, with the remaining activities occurring online. In-person attendance may also be required for certain off-campus activities such as proctored exams, clinical experience, and internship hours.

If HYBRID, what percentage of the program requirements or the course content will be delivered online? _____ %

Note: A web-enhanced course DOES NOT require review and approval through the curriculum development process. A web-enhanced course is any traditional on-campus course that includes online student resources, but no "seat time" is being replaced by online activities.

Proposed effective date of change (term and year): Summer Spring 2018**Recommended by the Department (action required)**By signing below, the department assures that the proposed online/hybrid program or course will be developed following the Online/Hybrid Course Development Process Guide.

LETTER OF NOTIFICATION – 13

EXISTING CERTIFICATE OR DEGREE OFFERED VIA DISTANCE TECHNOLOGY

Institutions with at least one certificate or degree program approved for distance technology by the Arkansas Higher Education Coordinating Board must submit Letter of Notification-13 to request approval to offer additional existing (on-campus) certificates or degrees via distance technology. The institution must submit to ADHE a copy of the e-mail or other required notification to the Higher Learning Commission (HLC) about the proposed distance technology program. If HLC requires a focused visit for the proposed distance technology program, please submit the scheduled review date.

DEFINITIONS

- ♦ Distance technology (e-learning) – When technology is the primary mode of instruction for the course (at least 50% of the course content is delivered electronically).
- ♦ Distance instruction – When a course does not have any significant site attendance, but less than 50% of the course is delivered electronically, e.g., correspondence courses.
- ♦ Distance program – When at least 50% of the major courses are delivered via distance technology.

1. Institution submitting request

University of Central Arkansas

2. Contact person/title

Jonathan A. Glenn
Associate Provost

3. Phone number/e-mail address

(501) 450-3126
jona@uca.edu

4. Name of existing certificate or degree

Bachelor of Professional Studies (BPS)

5. Proposed effective date for distance technology delivery

Summer 2018

6. CIP code and degree code

CIP code: 30.9999
Degree code: 1871

PROGRAM INFORMATION

7. Reason for offering program by distance technology

The reasons for offering the Bachelor of Professional Studies degree by distance technology include the following:

1. many community colleges in the state have indicated an interest in giving their students an opportunity to complete this degree.

2. There are currently many people in the state who have a two year degree and would have job upward mobility opportunities if they had a four year degree.
3. Arkansas ranks second to last among the states in the number of college graduates, per capita. (Only West Virginia ranks behind Arkansas in the number of college graduates per capita.) Offering this completion degree through distance technology helps to increase the overall number of college graduates (per capita) in the state.
4. The University of Central Arkansas' strategic plan addresses increased online enrollment. Offering this online completion degree will address UCA's increased online enrollment goals.
5. Delivering this degree through distance technology reinforces the college's mission of having a responsive curriculum. Today's students and adults have greater access to online technology and are more proficient at using this technology. This is evidenced by the number of Arkansas adults who are studying in private online degree programs such as Phoenix University, studying in online degree programs offered by out-of-state universities such as Arizona State University, or studying in online degree programs that are offered by Arkansas colleges and universities.

8. List of courses (subject prefix, course number, title) in this certificate or degree currently offered by distance. Indicate which existing distance technology courses are taught by adjunct faculty.

Please see Appendix A for a listing of the courses taught in the Bachelor of Professional Studies curriculum. Appendix A also provides information about courses currently delivered by distance and whether the courses are covered by adjunct faculty. Most of the courses are taught by full-time UCA faculty. If "both" is indicated, then multiple sections may be offered during a year with some coverage by adjuncts and some by full-time UCA faculty.

9. List of new courses and course descriptions for distance technology courses for the degree listed above. Indicate which new distance technology courses will be taught by adjunct faculty.

N/A. Some courses will still need to be converted to online delivery for 100 percent online offerings in the major degree program. Appendix A gives an overview of the current status of online offerings and courses still needed to bring each program to 100 percent online status.

10. Provide the course syllabus for each distance technology course for the program listed above in an appendix and indicate the maximum class size for each distance course. Indicate the course delivery mode(s) and class interaction mode(s) for each distance technology course, using the categories listed in the tables below.

a. Course Delivery Modes
Online
Compressed-video (CIV)
Audio Conference
Video Conference
Web Conference
Blended delivery (identify components)

b. Class Interaction Modes
Electronic bulletin boards
Email
Telephone
Fax
Chat
Blog
Other (specify)

All of the courses listed are offered through the UCA learning management system (Blackboard), which includes the following methods of interaction: discussion boards, email, announcements, chat, videoconferencing, assignment submission, rubric-based grading with capability for instructor feedback, student group interaction platforms, and more. All UCA students also have access to file sharing and editing and many other interaction modes through G Suite for Education, the UCA platform for email and other collaboration tools.

The course syllabus for each distance technology course for the program are found in Appendix B.

Please see Appendix A for a full listing of all courses currently available online (or anticipated within the next year), the class sizes, and whether the course is typically covered by an adjunct.

11. Discuss the provisions for instructor-student and student-student interaction that are included in the program design and the course syllabus.

Instructor-student interaction is typically via discussion board assignments, notifications, and feedback on exams and writing assignments. As for student-student interaction, the courses generally include group exercises where the students interact via email, Blackboard, other videoconferencing technology such as Skype and phones, and (if they so decide) face-to-face meetings.

12. Provide a semester-by-semester degree plan/course schedule for student access to all courses necessary to complete the program.

See Appendix C for an semester-by-semester plan for the Bachelor of Professional Studies degree program.

13. Provide a list of services that will be supplied by consortia partners or outsourced to another organization (faculty/instructional support, course materials, course management and delivery, library-related services, bookstore services, services providing information to students, technical services, administrative services, online payment arrangements, student privacy consideration, services related to orientation, advising, counseling or tutoring, etc.) Include the draft contract/Memorandum of Understanding (MOU) for each partner/organization offering faculty/instructional support for the program. Submit final contract/MOU signed by partner institutions or organizations upon completion of ADHE proposal review.

N/A

14. Estimate costs for the proposed distance technology program for the first 3 years. Include faculty release time costs for course/program planning and delivery.

At this time many of these classes are already being offered online as a part of the regular load for full-time faculty. Additional investment to maintain faculty resources and promote additional faculty development is already planned for the campus in the Center for Teaching Excellence online education grant budget. Department and college level expenditures will also be made as needed from existing budget. Over time, additional faculty lines and/or part-time overload support will be needed if student demand for online education continues to grow and increases the number of sections required to meet demand.

15. Provide institutional curriculum committee review/approval date for proposed distance technology program.

Undergraduate/Graduate Council: 2017-11-21

Council of Deans: 2017-12-13

16. Provide documentation that proposed program has been reviewed/approved for distance technology delivery by licensure/certification board/agency, if required. [HLC review, if required, must follow ADHE review and AHECB program approval.]

No additional approvals are necessary. We are notify the Higher Learning Commission in the annual Institutional Update process (not by email).

17. Provide additional program information if requested by ADHE staff.

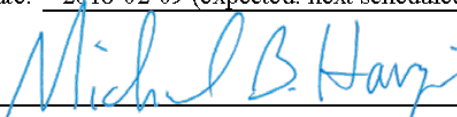

If requested.

CIP code: 51.1501
Degree code: 5005

PROGRAM INFORMATION

7. Reason for offering program by distance technology

The reasons for offering the Bachelor of Science in Addiction Studies (Treatment Track) by distance technology include the following:

1. Many community colleges in the state have indicated an interest in giving their students an opportunity to complete this degree through a 2+2 program, but many of

- them have also indicated that their students are more likely to complete the baccalaureate degree if they can do so without moving to Conway.
2. There is currently a shortage of addiction counselors though out the state of Arkansas.
 3. Arkansas ranks second to last among the states in the number of college graduates per capita. (Only West Virginia ranks behind Arkansas in the number of college graduates per capita.) Offering this completion degree through distance technology will help to increase the overall number of college graduates (per capita) in the state.
 4. The University of Central Arkansas' strategic plan addresses increased online enrollment. Offering this online degree completion will address UCA's increased online enrollment goals.
 5. Delivering this degree through distance technology reinforces the college's mission of having a responsive curriculum. Today's students and adults have greater access to online technology and are more proficient at using this technology. Therefore, participants should be more receptive to the degree as offered by distance technology.

8. List of courses (subject prefix, course number, title) in this certificate or degree currently offered by distance. Indicate which existing distance technology courses are taught by adjunct faculty.

Please see Appendix A for a listing of the courses taught in the Bachelor of Science in Addiction Studies (Treatment Track) curriculum. Appendix A also provides information about courses currently delivered by distance and whether the courses are covered by adjunct faculty. Most of the courses are taught by full-time UCA faculty. If "both" is indicated, then multiple sections may be offered during a year with some coverage by adjuncts and some by full-time UCA faculty.

9. List of new courses and course descriptions for distance technology courses for the degree listed above. Indicate which new distance technology courses will be taught by adjunct faculty.

N/A: No new courses will be needed. Some courses will still need to be converted to online delivery for 100% online offerings in the major degree program. Appendix A gives an overview of the current status of online offerings and courses still needed to bring each program to 100% online status.

10. Provide the course syllabus for each distance technology course for the program listed above in an appendix and indicate the maximum class size for each distance course. Indicate the course delivery mode(s) and class interaction mode(s) for each distance technology course, using the categories listed in the tables below.

a. Course Delivery Modes
Online
Compressed-video (CIV)

Video Conference
Web Conference

Blended delivery (identify components)
--

b. Class Interaction Modes
Electronic bulletin boards
Email
Telephone
Fax
Chat
Blog
Other (specify)

All of the courses listed are offered online through the UCA learning management system (Blackboard) which includes the following methods of interaction: discussion boards, email, announcements, chat, videoconferencing, assignment submission, rubric-based grading with capability for instructor feedback, student group interaction platforms, and more. All UCA students also have access to file sharing and editing and many other interaction modes through G Suite for Education, the UCA platform for email and other communication/collaboration tools.

The course syllabus for each distance technology course for the program listed above are found in Appendix B.

Please see Appendix A for a full listing of all courses currently available online (or anticipated within the next year), the class sizes, and whether the course is typically covered by an adjunct.

11. Discuss the provisions for instructor-student and student-student interaction that are included in the program design and the course syllabus.

Instructor-student interaction typically happens via discussion board assignments, notifications, and feedback on exams and writing assignments. Student-student interaction typically happens through group exercises where the students interact via email, Blackboard, other videoconferencing technology such as Skype and phones, and (if they so decide) face-to-face meetings.

12. Provide a semester-by-semester degree plan/course schedule for student access to all courses necessary to complete the program.

See Appendix C for an eight-semester plan for the BS in Addiction Studies (Treatment Track).

13. Provide a list of services that will be supplied by consortia partners or outsourced to another organization (faculty/instructional support, course materials, course management and delivery, library-related services, bookstore services, services providing information to students, technical services, administrative services, online payment arrangements, student privacy consideration, services related to orientation, advising, counseling or tutoring, etc.) Include the draft contract/Memorandum of Understanding (MOU) for each partner/organization offering faculty/instructional support for the program. Submit final contract/MOU signed by partner institutions or organizations upon completion of ADHE proposal review.

N/A

14. Estimate costs for the proposed distance technology program for the first 3 years. Include faculty release time costs for course/program planning and delivery.

At this time many of these classes are already being offered online as a part of the regular load for full-time faculty. Additional investment to maintain faculty resources and promote additional faculty development is already planned for the campus in the Center for Teaching Excellence online education grant budget. Department and college level expenditures will also be made as needed from existing budget. Over time, additional faculty lines and/or part-time overload support will be needed if student demand for online education continues to grow and increases the number of sections required to meet demand.

15. Provide institutional curriculum committee review/approval date for proposed distance technology program.

Undergraduate/Graduate Council: 2017-11-21

Council of Deans: 2017-12-13

16. Provide documentation that proposed program has been reviewed/approved for distance technology delivery by licensure/certification board/agency, if required. [HLC review, if required, must follow ADHE review and AHECB program approval.]

No additional approvals are necessary. We notify the Higher Learning Commission in the annual Institutional Update process (not by email).

17. Provide additional program information if requested by ADHE staff.

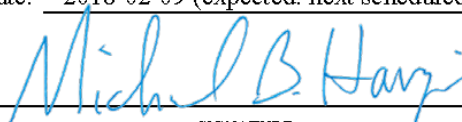

If requested.

VII. NOTIFICATIONS/DELETIONS

C. Notification: University College Name Change

The University College faculty and director have proposed that the name of the department be changed to Department of Student Transitions. The new name more represents with greater clarity the department's mission, presented here with the new name included:

To promote learning and development for students in transition and to assist in establishing skills that help them progress to graduation.

To achieve this mission, the Department of Student Transitions:

Offers remediation in writing, literacy, and math.

Offers coordinated courses to reinforce and apply academic skills in the academic core.

Assists with the development of non-cognitive skills.

Participates in research on methodologies necessary for student success.

In support of our mission, we offer the following courses that assist in first-year students' transition to college:

Co-requisite developmental courses paired with a college-level equivalent or complement
ACAD 1300: Journeys to Success: Exploring Strategies for Academic and Personal
Development

All appropriate administrators have recommended approval of this change, and the provost and the president have approved.

Supporting materials (following pages): ADHE Form LON-1

University College

8–9. N/A

10. Proposed title of organizational unit

Department of Student Transitions

11. N/A

12. Degree/department code

3540

13. Reason for proposed action

University College serves all students who have been conditionally admitted to UCA. Each fall about 600 students, or one-third of the freshman class, takes at least one course in the department. Reasons for our proposed name change include the following:

- The department has moved from providing only stand-alone developmental courses to co-requisite courses that support students' progress in first-year college-level courses. University College's mission was revised in December 2016 to address the expanded role that our courses play in student success. (See the revised mission statement in item §13.1 below.)

- We have developed and are now offering a First-Year Seminar that is part of the UCA Core that will be focused on student academic and personal development. It is available to all first-year students, not only conditionally admitted students.
- The original reason to name this department University College was to provide students with an opportunity to earn an associate degree, and that purpose is no longer a part of the department.

13.1. University College Mission Statement

To promote learning and development for students in transition and to assist in establishing skills that help them progress to graduation.

To achieve this mission, University College:

- Offers remediation in writing, literacy, and math.
- Offers coordinated courses to reinforce and apply academic skills in the academic core.
- Assists with the development of non-cognitive skills.
- Participates in research on methodologies necessary for student success.

In support of our mission, we offer the following courses that assist in first-year students' transition to college:

- Co-requisite developmental courses paired with a college-level equivalent or complement
- ACAD 1300: Journeys to Success: Exploring Strategies for Academic and Personal Development
