The HPER Center is included in the essential facilities and services of the university. Therefore, when classes are in session and the campus is closed or classes are cancelled the HPER Center will continue its operation with abbreviated hours. When classes are not in session and the campus is closed the HPER Center will not open.

The HPER Center inclement weather policy is directly linked to the university decision regarding inclement weather. UCA decisions regarding class cancellations or campus closing are generally made by 5:30am and those decisions would be announced:

1. The university’s web page (www.uca.edu) via UCA TODAY.
2. Local and regional radio stations (FM 107.7, 102.9, 102.1, 98.5, 100.7, 96, 91.3, AM 920 KARN, 1230 KCON).
3. UCA Channel 6 and state television stations in Little Rock (ABC – Channel 7, NBC – Channel 4, and CBS – Channel 11)
4. Recorded messages at the university’s telephone number – (501) 450-5000.
5. Facebook at: UCA HPER Group Exercise or UCA HPER Center; Twitter at: @UCAHPER

**Fall & Spring semester, Summer sessions** (when classes are in session)

When the university is closed or classes are cancelled the HPER Center will have abbreviated hours of operation.

<td>5pm-7pm</td>
</tr>
</tbody>
</table>

*If inclement weather is either AM or PM HPER hours may vary, please call the HPER Center: 450-5712
All Group Exercise classes will be cancelled.

**Delayed Start Time**

In cases in which weather conditions are unfavorable in the morning but expected to improve during the day, the university may implement a delayed-start time. UCA will announce a delayed-start time as early as possible on the morning of the delay.

When the university announces a delayed-start time the HPER Center hours will be 9:00am start and the usual closing (depending on the day of the week). HPER Pool and COPA hours may vary.

**Campus Early Close**

If classes are cancelled or the campus is closed during the day because of inclement weather or an announcement by the President the HPER Center will close at 6:00pm. In case of severe inclement weather call the HPER Center for exact closing time. HPER Pool and COPA hours may vary.

**When classes are not in session** (i.e. fall & spring break, winter break)

When the campus is closed due to inclement weather the HPER Center will not open.

If the campus is open with either delayed start time or early close the HPER Center will observe the hours of the University.
