Dear Friends of CFAC,

Spring semester 2014 is almost upon us and brings with it another ambitious series of concerts, theatre productions, writers, gallery exhibits, lectures, and films. We hope you will join us and enjoy the diversity of the outstanding events you see listed on this calendar. There is something here for everyone, and all of it at minimal or no cost. I encourage you to continue to take advantage of these wonderful opportunities and visit our beautiful campus often to see and hear the range of what we have to offer.
