

Dear Friends of CFAC,

Fall semester 2018 is upon us and brings with it another ambitious series of concerts, theatre productions, literary readings, gallery exhibits, lectures, and film screenings. We hope you will join us and enjoy the diversity of the outstanding events you see listed on this calendar. There is something here for everyone, and all of it at minimal or no cost. I encourage you to continue to take advantage of these wonderful opportunities and visit our beautiful campus.
