1. Approval of Feb. 28th minutes: MOTION to approve minutes (Eskola), SECOND by Sullivan,

minutes were approved by acclamation

2. Mission and outcomes--procedure for the next steps

Council heard from Dr. Shumaker about the GEC's procedure in continuing with revision

- bulk of work must be done in subcommittees
- HLC is constantly checking on GEC's progress
- current process is building on work done over past few years, particularly on specific area content
- outcomes may need to include knowledge and skills we need to reevaluate how these
 integrate
- question about mapping of skills outcomes are we assessing skills?
- we will need to create a map orienting these skills to the Inquiry/communication/living matrix
- should we reevaluate fitness of courses for Gen Ed credit
- we should consider other Gen Ed models reconsider distribution model
- Shumaker presented a Process proposal, indicating the basic process for revising Gen Ed mission, goals, and objectives
- Process will involve Subcommittee, then faculty department and student input, revision in the subcommittee, and Faculty Senate approval
- next step is subject areas and assessment of specific goals and outcomes
- timeline is tight 2 more meetings this semester
- MOTION to approve process (Vanderslice); SECOND by Eskola
- Deitrick is not sure how larger goal is being sought rather than affirming what we have
- QUESTION called to approve process (Vanderslice); VOTE 10-1 to approve process
- MOTION to adjourn approved by acclamation

Meeting was adjourned - Next Meeting will be April 3
