## Notes

<sup>1</sup> One of these classes should be taken as “Freshman Seminar.” One of them should also be a general education literature class.

<sup>2</sup> Students with no previous experience with a foreign language may need to enroll in up to six hours of lower-level instruction to prepare for this requirement. These courses are not included in this plan of study. Please note that such need may void the guaranteed Eight-Semester Plan.

<sup>3</sup> This Program Completion Plan includes 27 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study. Depending on a student's choice of minor and special degree requirements, the total number of credit hours taken may exceed the total number of credit hours required to complete the program.

<sup>4</sup> Course may be in any area. Recommended courses: upper-level courses in Writing, Philosophy, History, Foreign Language Theater, Journalism or additional English electives may be most helpful. The student may be able to obtain a second major, or, if the student's minor is small, the student may be able to substitute a second minor for general electives, though this could put the student over 120 hours, depending on the student's choice.

<sup>5</sup> *With the approval of their advisor and the department chair, students may take one of the following Writing courses as an upper-division elective for the English major: WRTG 3301 (Rhetoric and Composition) or one of the following creative writing "forms" classes: WRTG 3320, WRTG 3325, WRTG 3330, WRTG 3330, WERTG 3335, or WRTG 3345).*
