

## **Committee on Committees Report**

### **Faculty Senate Appointments to Vote on for Approval on Aug 24, 2017**

Notes: - Links to the committee website—you can peruse membership requirements and charges there. e.g. for Academic Adjustments and Appeals Committee the link will be <http://uca.edu/committees/academic-adjustments-and-appeals-committee/>

The following are volunteer name(s) provided by some of the colleges to fulfill their vacancies. The vote of the Faculty Senate does not necessarily complete the membership from the colleges for the committee. Sometimes the college has fulfilled the quota for the committee or the college it has not yet provided the name(s) of volunteer(s). If a committee does not specify the colleges (the committee members need to come from) the faculty senate chooses from the list provided by all colleges.
