

Faculty Senate should note the rationale and the proposed changes to the Traffic and Parking Committee:

Diane Newton replaced Jack Gillean as chair when she was hired and the old Vice President for Financial Services position combined with the position of Vice President for Administration, which is the position that chairs this committee. The change was not made on the committee's membership list the last couple of years because Diane was not aware she had "inherited" the chairmanship of this committee until last Fall.

As chair, Diane Newton appointed Jeremy Crabb to the committee as a UCA Police Department representative. It made sense to have someone from the PD on the committee because of the perspective and knowledge they have of parking and traffic issues around campus.

Gail Tinder is no longer employed by UCA, so Leslie Chronister is her replacement as Diane Newton's assistant.

What it currently is ----> What it should be

Vice President for Administration, Chair ----> Vice President for F&A, Chair
Jack Gillean ----> Diane Newton

A Police Department appointee (Jeremy Crabb)

Secretary for V.P. -----> Assistant to VPFA
Gail Tinder ----> Leslie Chronister

(under "Reports To") Vice President for Financial and Administrative Services ----> Vice President for Finance & Administration

>>> Leslie Chronister 1/30/2012 8:13 AM >>>
