The University of Central Arkansas Greek community offers an opportunity for involvement on campus that is truly unique. Each of our four (4) Greek councils conduct recruitment independently and have different processes and expectations (see below).

The university has set forth a few minimum eligibility requirements before you can join a fraternity or sorority on campus.

- 1) Must be enrolled as a full-time student (12 hours)
- 2) Entering freshmen must have at least a 2.5 high school GPA; current/transfer students must have at least a 2.5 college GPA.
- 3) Must complete a Greek Life Orientation Session hosted by the Office of Student Life BEFORE participating in the recruitment process or being extended an invitation to membership. Session information can be found at [uca.edu/gogreek/greek-recruitment-information](http://uca.edu/gogreek/greek-recruitment-information)
