Wrapping Up Spring 2011

Where did the semester go?! Spring 2011 started off quickly with recruitment, educated new members at Greek 101, had a great Greek Weekend, plenty of pageants, and a phenomenal All Greek Step Show. Finals are coming up next week and soon most UCA students will be taking a much needed break. Regardless of how fast time has flown, the UCA Greek community still stands as a cornerstone of excellence in leadership, service, and academics. Be sure to use these summer months to plan for the future of your organization into the next academic year and beyond because fall 2011 will be here faster than you can blink!

NPHC Neo/Pro-phyte Retreat

On Tuesday, April 19, NPHC hosted its annual retreat for all Neos and Prophyles. During this retreat members of the Divine Nine gathered to bond with each other and learn about what is expected from each of them as a NPHC member. In addition, a group of NPHC alumni attended a Q&A session where undergraduate members had the opportunity to ask questions about topics ranging from how to settle disputes to what opportunities are available to NPHC alums after graduation. The retreat went very well and by the end, members of the NPHC community had learned many new things, expressed their expectations to others, and made connections beyond their own affiliations. A big thank you goes out to all the alumni members that attended and shared their words of wisdom! Great work to all the members of NPHC!

The 12th Annual All Greek Step Show took place on April 15, 2011 in UCA’s Farris Center. Members of IFC, IGC, NPC, and NPHC teamed together to showcase their stepping talents with approximately 1,500 members of the Conway and UCA communities in attendance. In between the performances the event hosts, Amir Rostampour and Desiree Paulhamus, entertained the crowd and assisted in handing out Greek Awards. All Greek organizations have the opportunity to apply for Greek Awards and the winners are recognized in front of the large crowd at Step Show. After nearly two hours of amazing performances filled with loud music, Mary Poppins, stomping, canes, gold boots, Dr. Seuss creatures, and impressive acrobatics, the team of Alpha Sigma Alpha and Omega Psi Phi claimed victory. The members of this group are the first to receive the brand new Step Show Traveling Trophy. This trophy will travel with the first place winners each year and have their organization’s names engraved on the main plaque. The second place winner was the team of Delta Zeta and Kappa Sigma, while third place went to the team of Alpha Sigma Tau, Zeta Phi Beta, Phi Beta Sigma, Phi Lambda Chi, & Beta Upsilon Chi. Thank you to all that participated and please be sure to check out the list of Greek Awards winners!

The event was a great success and the Physical Plant hopes to continue this event a few times each semester.
