UCA Greek Village Update

Progress on the UCA Greek Village project is being made each day. At the 2011 Greek Summit, Dr. Gary Roberts, Dean of Students; Ronnie Williams, VP for Student Services; and Shelly Mehl, VP of Institutional Advancement; presented to active Greek students about the project. During this presentation, students learned the most recent news about the project and asked plenty of questions. By the end of the meeting, students and administrators both had a better understanding of the needs of each other regarding this project.

On Monday, August 22, 2011, Office of Student Life staff members hosted an alumni/advisor dinner for all UCA Greek organizations. During this meeting, Wendy Holbrook, Associate Dean of Student Life, presented to all advisors about the future of this project and the need for their input. The project is now in the stages that we need organizations to elect at least one individual that will be a primary decision maker for this project. This individual will be responsible for making key decisions about the project on behalf of the group and attend future meetings regarding financing, construction, and housing policies. The Dean of Students Office will host a dinner in late September and/or early October for these individuals. Please look for more information on this meeting in the near future.

Most visibly, a sign signifying the future home of the project has been place on the corner of Farris and Dave Ward. Many people have noticed the sign and are more excited than ever before about the project. Please make it a point to drive by the sign and see where Greek Village will hopefully be placed in the next few years. It is time for alumni to start communicating with each other and making decisions about future housing options. If National representatives are needed for this process, then please include them. This is community project, so please let your opinion be heard!

Phired Up productions will be visiting campus on September 11, 2011 to offer workshops on recruitment and social excellence. Please make sure that your recruitment director, new member educator, and five younger, active members are able to attend the recruitment workshop (eight (8) members total). These members will learn the steps to proper Dynamic Recruitment and then be expected to teach their organizations these steps for future recruitment efforts. The social excellence workshop will take the place of the traditional Greek Convocation and requires a minimum of 80 percent of active membership attendance. If organizations do not send the required amount of people and/or individuals do not attend, then either and/or both will be charged for the absence. Here is the schedule of events for the day:

- **12-3:45** – Dynamic Recruitment, SC Ballroom – IFC, IGC, & NPC groups

**Move In 2011**

The Student Activities and Housing and Residence Life Offices hosted another successful Move In Day on August 21, 2011. Many groups and organizations, including nearly all Greek chapters, helped first year students and families move into their residence halls. IFC, Panhellenic, and NPHC councils set up “hydration stations” outside of the Christian Cafeteria to provide cool drinks to hundreds of sweaty individuals. Greeks who were spotted helping out received free gifts, including “Go Greek! Go Bears!” sunglasses. Thank you to all of the Greek students that helped with Move In and truly welcomed first year students to UCA in style.
**IGC**
*First Council Meeting*

Members of IGC met at Greek Summit to help plot the future course of their council. Office of Student Life Graduate Assistant, Maggie Glover, facilitated a meeting between IGC members at Summit to help formulate ideas and a plan of action. IGC members will now work together to form a functioning constitution/bylaws, create and implement policies, and complete the necessary steps to register IGC as a Recognized Student Organization (RSO). If you have any questions about this process, then feel free to contact Maggie Glover (mglover3@uca.edu), Scott Isenga (sisenga@uca.edu), or Lindsey Osborne (losborne@uca.edu). This is an exciting step towards helping IGC growth as a council on UCA’s campus.

**Sigma Kappa Wins National Award**

The Delta Tau Chapter of Sigma Kappa recently received the Edna Brown Dreyfus Award from their National Headquarters. The ladies of Delta Tau received this award because they contributed the most money per member/new member to Sigma Kappa Foundation’s national philanthropy projects. These national projects include Alzheimer’s disease research, gerontology studies, and the Maine Sea Coast Mission. In addition to the award plaque, the Chapter also received a commemorative traveling silver punch bowl and tray. Congratulations to the ladies of Delta Tau on this great accomplishment!

**Greek Summit 2011**

Greek Summit took place from August 15-16, 2011 at Ferncliff Camp in Little Rock. Representatives from IFC, IGC, Panhellenic, and NPHC attended this two day retreat in order to learn more about University policies regarding Greek life, student organizations, social/risk management, and registering social events. In addition, every attendee sat in on presentations from President Meadors, Student Services Senior Staff, UCA Athletics, and UCA Police. Most importantly, Greek leaders had plenty of time to interact with each other socially and build new bonds. Whether they worked together to complete a team building activity, ate a meal by the lake with a new group of people, or took a trip in the paddle boats; Greek leaders created shared memories that will last a lifetime. By the end of the retreat, all fraternity and sorority members had a better understanding of one another and a shared set of fun and informational experiences. The Office of Student Life staff was very impressed with the hard work put forth by all the students at Summit. The staff would also like to thank all of our special guest presenters that made Summit extra special.
As part of a continued effort to further unify the Panhellenic community, Executive Board members and Counselors approved a shared vision for the future at their “Envisioning the Future” retreat. Below are some of the main points of this new vision:

Panhellenic’s Core Values

1) Unity
2) Scholarship
3) Leadership
4) Service

Panhellenic’s Core Purpose

“To unify Greek women and assist them in upholding Panhellenic’s core values.”

Panhellenic’s Core Ideology

“Developing strong bonds of friendship while encouraging personal growth.”

Panhellenic’s Envisioned Future

“Promote integrity among Greek women in order to ensure the expansion of UCA sorority life.”

This core vision is a great starting point for Panhellenic in the 2011-2012 academic year. If you have any questions about this report, please contact the Panhellenic President, Candice Shuffield, at cshuffield1@cub.uca.edu.

Transitions NPHC Step Show

Each school year, Minority Mentorship sponsors Transitions, which is a series of activities which focuses on getting freshmen students acquainted with campus life and meeting new people of color. During Transitions, freshmen are paired with an upper-class student who has gone through training to help them navigate the transition from high school to college. Part of this program includes an NPHC Step Show in Ida Waldran. On August 31, all seven (7) UCA NPHC organizations put on an amazing show for new students. Every organization pulled out the stops and performed like they were in a competition. All performances were amazing and the Office of Student Life would like to thank all NPHC organizations for participating in this essential UCA program.
