

# 2013 Student Awards

## Dorothy Long Award

Ms. Sonia Coulibaly received the Dorothy Long Award, which is given annually to the outstanding junior female mathematics student. The award is co-sponsored by the Delta Zeta Sorority and is given in the honor of late Dorothy Long, who was a mathematics faculty member and the Dean of Women at UCA in 60's.

## O.L. Hughes Award

Ms. Haley Lafoon received the O. L. Hughes Mathematics Award. This award is presented annually to the outstanding senior mathematics student. Haley was in the Mathematics Education Program and received her BSE degree in May 2103. She will teach mathematics at the Southside High School in Ft. Smith this fall. The

## Outstanding Graduate Student Award

Ms. Rosalind Phillip received 2013 Outstanding Graduate Student Award. Ms. Phillips graduated with an MS degree in Applied Mathematics in May 2013.
