

University of Central Arkansas
Tenure-Track Position in Mathematics Education

The Department of Mathematics at the University of Central Arkansas is seeking to fill a tenure-track assistant professor position in mathematics education beginning August 2017. The position requires a doctorate in mathematics education or equivalent. Duties include teaching undergraduate and graduate mathematics education courses, conducting research in mathematics education, and service to K-12 schools and districts in the central Arkansas region.

Applicants should demonstrate a strong commitment to and proven ability in undergraduate teaching. Preference will be given to applicants who have K- 12 classroom teaching experience. Regular teaching load is 12 credit hours per semester, some of which can be for supervising student interns. In addition, reassigned time for research is possible.

The department has 20 full-time faculty members and offers undergraduate degrees in applied mathematics, mathematics, data science, and mathematics education. UCA also offers masters degrees in applied mathematics and mathematics education. UCA is one of the three state universities in Arkansas that offers a mathematics education program replicating the prestigious UTeach Program.

Applicants should submit: a letter of application, current vita, copies of graduate transcripts, statements of teaching and research philosophy, and three letters of reference. All materials should be uploaded to: <https://jobs.uca.edu> (Position number 173064). Review of applications will begin December 1, 2016 and will continue until the position is filled.

Conway is a rapidly growing city of over 60,000 with two private colleges in addition to the University of Central Arkansas. Residents enjoy easy access to both a large urban center (Little Rock is 30 minutes away) and pristine wildlife areas such as the Buffalo National River, and the Ozark and Ouachita Mountains.

Questions regarding the position may be sent to the chair of the department at rameshg@uca.edu Additional information about the department is available at www.uca.edu/math. UCA is an EO/AA Employer.
