

What is a “hold,” and how can I get it removed?

UCA uses a system of holds to make sure students complete necessary tasks. Having account holds can create difficulty for a student when needing transcripts or registering for classes. Be sure to check myUCA for these holds and take care of them as soon as possible. To see if your account has any holds, login to myUCA and follow the directions below:

- Click on the Self-Service Tab
- Click on Student & Financial Aid
- Click on Student Records
- Click to “View Holds”

Pre-Nursing Education Counselors must meet with students before lifting registration advising holds. **The School of Nursing cannot lift any other type of hold.** You must see the department or office in which the hold has been created for removal (Ex: Financial Aid, Student Accounts, Student Health, etc.)
