() **B.A.** In addition to the other requirements for graduation, the Bachelor of Arts degree requires completion of three [3] hours in a foreign language at the 2000-level or above. A student with no previous experience with a foreign language normally will enroll in 1310, 1320, and 2300 or 2310. Guided Study courses will not be accepted as transfer credit in fulfillment of the foreign language requirement. NOTE: Students with prior experience in a language are strongly encouraged to take the departmental placement test before enrolling in their first course.

() **B.S.** In addition to the other requirements for graduation and the general education requirements in Mathematics and Science, the Bachelor of Science degree requires completion of one [1] year of Mathematics (excluding Univ. 1340) or a laboratory science (i.e. 2 courses in Biology, 2 courses in Chemistry, etc.). General Education science courses (e.g. BIOL 1400, CHEM 1400, and PHYS 1400) cannot be used to satisfy the additional year of science.

Core Requirements (12 hours)
