### Notes

<sup>1</sup> PSYC 1300 General Psychology must be taken prior to other PSYC courses. We recommend that PSYC 2330 (Statistics) be taken during the 2nd or 3rd semester. PSYC 2330 must be taken prior to PSYC 3332. PSYC 3332 must be taken prior to PSYC 3340.

<sup>2</sup> See appropriate choices, alternatives, or substitutions under "UCA Core" in the *Undergraduate Bulletin*. During the first year, a student must complete a UCA Core course in Critical Inquiry, Diversity, or Responsible Living designated as a First-Year Seminar (FYS)

<sup>3</sup> Depending on the math or science (both courses must come from the same department) courses selected to fulfill the BS requirement, the total number of general electives will need to be adjusted.

<sup>4</sup> This Program Completion Plan includes 24 credit hours in the Minor field of study. Minor requirements range from 18 to 27 credit hours; the student will need to adjust the number of general elective and minor elective credit hours in this PCP as needed depending upon the chosen minor field of study.
