### *Program Costs*

For students who have established instate residence, tuition costs (Fall 2017) are \$4,022.81 per semester, including fees. The cost for part-time students is \$325.36 per credit hour + \$118.50 in fees for the first hour. These costs would apply to instate students as well as those who have a paid assistantship on campus. These costs cover tuition only and do not include housing, books, or other expenses. Each semester a graduate student is enrolled in an assessment course (P6313, P6376, or P7310), he/she is assessed \$50 per class for materials and protocols. For the most up-to-date costs, see:

### *Graduate Assistantships*

Graduate assistantships are available through the university's Graduate School office for qualified students in 20 academic areas and in approximately 20 non-academic areas. Recipients of these assistantships serve as laboratory assistants, research assistants, or teaching assistants.

Various funding sources exist for graduate assistantships. In addition to assistants who receive funding from the Graduate School, other sources for support include grants, gifts, contracts, community service agencies, or various university departments, divisions, or centers. Approximately 150 UCA graduate students receive assistantship funds each semester. To qualify for an assistantship, the student should have achieved an excellent academic record and completed substantial course work in the major field. The student must have been admitted to Graduate School and to the School Psychology program with full qualifications in accordance with the admission policies and procedures of the Graduate School.

Graduate assistants on Graduate School sponsored appointments may be appointed for up to 12 months per contract period. Nine month appointments would generally correspond to thirty six (36) weeks of service (nine monthly pay periods). Twelve month appointments would generally correspond to fifty two (52) weeks of service (12 monthly pay periods). The start and end dates of all Graduate School sponsored appointments must be within the university's fiscal year, July 1 to June 30. Application forms and specific requirements for assistantships may be obtained in the Graduate School – see

[www.uca.edu/graduateschool/assistantshipsandotheraid/](http://www.uca.edu/graduateschool/assistantshipsandotheraid/)

In order to continue an appointment from semester to semester during the academic year, all graduate assistants must remain in acceptable academic standing. If an assistant's cumulative grade point average falls below a 3.0 during the academic year of an appointment, the student may be terminated from the assistantship. Typically, the maximum number of years that a graduate student may hold an assistantship is two years while pursuing a master's degree and four years in a doctoral program.
