Assistant Professor

Publications

Manuscripts

Abstracts
J.S. Kotloski, T. Huitt, B. Boles, C. O'Donovan, D. Godwin. "Imaging Cortical Networks Involved in Preictal and Ictal Childhood Absence Epilepsy with Magnetoencephalography." Epilepsia 0 Suppl. 0 (Abst. 3.204).

Woods, Adam J.; Mennemeier, Mark; Garcia-Rill, Edgar; Wallace, Tiffany; Chelette, Kenneth C.; McCullough, Gary; Schmidley, James. Cold pressor stimulation improves neglect, magnitude estimation and arousal (P50 amplitude). International Neuropsychological Society Abstract 2005.

Grants

Recent Scientific Presentations
Huitt, T.W. "Imaging Childhood Epilepsy." Invited speaker, Department of Physical Therapy, University of Central Arkansas, Conway, AR, 2010.

Huitt, T.W. "Mechanisms of Alcohol and Sleep: Truly a Nightcap?" Research presentation, Neuroscience Graduate Program Seminar Series, Wake Forest University School of Medicine, Winston Salem, NC, 2009.

Honors & Awards
Mary A. Bell Award for Outstanding Postdoctoral Scientific Poster, Western NC Chapter of SfN, 2008.
UAMS Center for Translational Neuroscience Outstanding Research Award, 2007.
Committee for Women in Neuroscience Travel Award, 2005.
UAMS Graduate School Travel Award, 2004.
Sleep Research Society’s First Time Trainee Travel Award, 2004.
UAMS Graduate Student Research Funds Grant Award, 2004.

Current Professional Memberships
Society for Neuroscience (SfN)
American Epilepsy Society (AES)
Research Society on Alcoholism (RSA)
