

**University Scholarship Policy
International (Student) Tax Policy**

If an international student receiving scholarships is assessed taxes, those taxes are not covered by scholarships and will not be paid by the University. Scholarships include Departmental/Performance, Other, Restricted, and International. The student is responsible for payment of any and all taxes, including international taxes.

Scholarship reporting and taxation are governed by the Internal Revenue Code and Treasury Regulations and enforced by the Internal Revenue Service (IRS).

For additional policy information regarding taxes, please see the Scholarship Tax Responsibility policy located at <http://uca.edu/scholarships/policies/>.
