Sciences and Disorders  
at the  
University of Central Arkansas*

**Spring 2017**

## Does your child have difficulty with reading?

### Read to Success+ Growth Mindset training

is designed to help students feel successful and proud of his or her accomplishments.

***“Don’t miss it! We teach reading using a multisensory approach, so students can feel, taste, and smell, reinforcing optimal learning.”***

The UCA Speech Language Hearing Center shall not discriminate in the delivery of professional services or in the conduct of research and scholarly activities on the basis of race, ethnicity, sex, gender identity/gender expression, sexual orientation, age, religion, national origin, disability, culture, language, or dialect.

### WHAT 1: **Literacy Intervention** (4:00-5:30)

Using evidence-based intervention founded upon the principles of Orton-Gillingham, Read to Succeed will provide training in:

- Sound symbol association
- Phonological awareness
- Syllable Instruction
- Oral Reading fluency
- Written text comprehension

### WHAT 2: **Growth mindset training** (5:30-6:00) (no extra fee charged)

When students believe they can improve and even get smarter, they are more likely to put in extra time and effort in their school work.

Dr. Heather Martens from UCA psychology department and her students will provide 10 weeks of Growth Mindset lessons for 30 minutes per lesson. Lesson units will teach basics about the brain, brain plasticity, behavior, and how we can change our brains by what we do.

***Read to Succeed + Growth Mindset training! will be filled on a first come-first served basis!***
