Summer 2017

Does your child have difficulty with reading?

Read to Success+ Growth Mindset training!!

is designed to help students feel successful and proud of his or her accomplishments.

“Don’t miss it! We teach reading using a multisensory approach, so students can feel, taste, and smell reinforcing optimal learning”

WHAT 1:

**Literacy Intervention
(3:00-4:30)**

Using evidence-based intervention founded upon the principles of Orton-Gillingham, Read to Succeed!
will provide training in:

- Sound symbol association
- Phonological awareness
- Syllable Instruction
- Oral Reading fluency
- Written text comprehension

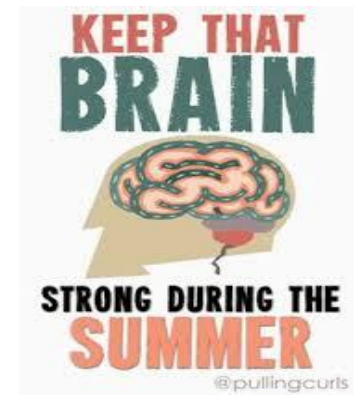

WHAT 2:

**Growth mindset training
(4:30-5:00)
(no extra fee charged)**

When students believe they can improve and even get smarter, they are more likely to put in extra time and effort in their school work.

Tracey Zeiner, OTR/L from UCA Occupational Therapy department and her students will provide 8 weeks of Growth Mindset lessons for 30 minutes per lesson. Lesson units will teach basics about the brain, brain plasticity, behavior, and how we can change our brains by what we do. This will include attention and regulation, executive function skills (plan, organize, and sequence kids’ thoughts), and hand-writing skills.

Read to Succeed + Growth Mindset training! will be filled on a first come-first served basis!
