- Ozarks p. 3
- ANTH Club p. 4
- Museum p. 4
- SOC Club p. 5
- More Photos p. 6
Ms. Mimi Rohweder’s Principles of Sociology classes participated in LOVE Movement on Facebook in September. Each class made a sign with a simple message: LOVE.

The focus of LOVE Movement is to remind people of the significant impact that they can have on their society by practicing kindness.
The Regional Anthropology: Ozarks class held a food tasting on November 12. Each student contributed at least one traditional Ozark food from either a family recipe or an old Ozark cookbook.

The smorgasbord included southern specialties such as fried sweet potato patties, berry pie, blackberry pudding, cornbread, vinegar pie, corn pudding, greens, apple butter, deer soup, potato salad, chocolate gravy, and barbecue.

UCA students who would like to participate in the Anthropology Club or simply keep informed about club activities may email Dr. Campbell at brianc@uca.edu.
