SPARC Annual Report

The Strategic Planning and Resources Council (SPARC) was established in its current form in April 2012 to create a SPARC Executive Committee, a Strategic Planning Committee (SPC) and a Strategic Budgeting Advisory Committee (SBAC) with a single Chair serving all three committees. This structure was designed to provide stronger integration between the budget and the strategic plan with a resultant increased emphasis on accomplishment of the strategic goals of the university. As the coordinating body between the Strategic Planning and Strategic Budgeting Advisory Committees, SPARC is charged with providing a summary report of all three committees on an annual basis. This document and its appendices constitute that report for academic year 2013-14 (Fiscal year 2014).

Strategic Planning and Resource Council Executive Committee

The Executive Committee of SPARC was composed of the following members during the majority of 2013-14:

Nancy B. Reese, SPARC Chair
Charles Watson, President Faculty Senate
Lindsey Osborne, President Staff Senate
Adam Price, President Student Government Association

On June 1, 2013, the presidents of the Senates and Student Government Association (SGA) transitioned, so the new membership of the SPARC Executive Committee for 2014-15 was as follows:

Nancy B. Reese, SPARC Chair
Don Bradley, President Faculty Senate
Chad Hearne, President Staff Senate
Ashley Ross, President Student Government Association

In addition, an incoming Chair of SPARC, Dr. Tammy Rogers, was named to begin the training year on June 1, 2014. Dr. Rogers will take over as SPARC Chair on June 1, 2015.

The SPARC Executive Committee met at least monthly during 2012-13 with work centered around coordinating and guiding tasks of the SPC and SBAC (see list of accomplishments for these committees under the next two sections of this report). A list of key tasks completed by SPARC and its constituent committees during 2013-14 is provided in Appendix 1. Key tasks and deadlines for 2014-15 for the SPARC, SPC, and SBAC are provided in Appendix 2.

Strategic Planning Committee

History and Charge

The Strategic Planning Committee (SPC) was created in April 2012 with the restructuring of SPARC and was constituted in early Fall 2012. A membership list of this committee for 2013-14 is provided in Appendix 3. The committee is charged with 1) collaborating with the Strategic Budgeting Advisory Committee, 2) making recommendations concerning the implementation of the strategic plan initiatives for the next fiscal year, in addition to a five-year period, 3) conducting studies and making inquiries related to the strategic plan and mission of the university, and 4) presenting concerns to the president and the university campus as a whole.

Accomplishments

During 2013-14, the Strategic Planning Committee made numerous accomplishments. Among those accomplishments were:

- Assessment of progress toward the strategic plan during 2012-13
- Participation by members of the Strategic Planning Committee in the HLC focused visit
- Comprehensive review of the 2010 Strategic Planning Initiatives and evaluation of their continued applicability to the UCA Strategic Plan
- Administration of the Shared Governance and Communication Survey (SGCS) for a third year
- Comparison of the results of the SGCS across its three years of administration and distribution of a report of that comparison to the campus community
- Hosting eleven campus-wide forums to solicit input on the strategic plan from the campus community in February 2014
- Development of proposed revisions to the Strategic Plan based on input from the February forums

Additional accomplishments of the SPC may be found in the Key Task Lists for 2013-14 (Appendix 1). In August 2014, the SPC completed an assessment of the 2013-14 progress toward the strategic plan. This progress report is contained in seven parts as follows:

Overview of Progress	Appendix 4a
Detailed Progress – Goal 1	Appendix 4b
Detailed Progress – Goal 2	Appendix 4c
Detailed Progress – Goal 3	Appendix 4d
Detailed Progress – Goal 4	Appendix 4e
Detailed Progress – Goal 5	Appendix 4f
Detailed Progress – Goal 6	Appendix 4g

Planning for 2014-15

A list of planned activities of the SPC as well as those of the SBAC and of SPARC may be found in Appendix 2. Also contained in the table are deadlines and a summary of results for completed activities. Of particular note is the submission of proposed revisions to the Strategic Plan (Appendix 5) to the UCA Board of Trustees in October 2014. These revisions are those that resulted from campus input during the forums held in February 2014.

Strategic Budgeting Advisory Committee

Charge

The Strategic Budgeting Advisory Committee (SBAC), a sub-division of the Strategic Planning and Resources Council (SPARC), is charged with the following responsibilities:

- Collaborate with the Strategic Planning Committee as part of SPARC
- Review changes and updates to the university budget in light of the strategic plan
- Make recommendation, in support of the university's mission and strategic plan, concerning new proposals from unit heads and salary requests from the Staff Senate Compensation Committee and the Faculty Salary Review Committee
- Conduct studies and make inquiries related to university revenues, university expenditures, and the general allocation of university funds
- Present its concerns to the president and the university campus as a whole

A list of the current membership of this committee is provided in Appendix 6.

Accomplishments

During 2013-14, the SBAC made numerous accomplishments that included:

- Reviewing university financial statements, including the “Statement of Cash Position” and the “Operating Summary”, on a monthly basis

- Discussing and ranking 14 proposals for new funding and forwarding the top 10 proposals to the Office of the President (Appendix 7)
- Making inquiries and receiving reports regarding:
 - Athletic Budgeting (report from Dr. Brad Teague in February)
 - Changes to the Shared Governance Survey (task force established in April)
 - Funding for Disability Support Services (task force established in April)
- Passing recommendations including:
 - Recommendation to faculty and staff senates that they should, in the future, develop a joint proposal to SBAC regarding salary issues
 - Recommendation to change initial appointment and termination dates of SBAC membership to allow all SPARC members to begin new terms in the same month
- Participating in the HLC Focus Visit process

Additional accomplishments of the SBAC may be found in the Key Task Lists for 2013-14 (Appendix 1) and 2014-15 (Appendix 2).

Planning for 2014-15

A list of planned activities of the SPC as well as those of the SBAC and of SPARC may be found in Appendix 2. Also contained in the table are deadlines and a summary of results for completed activities. Appendix 4a: UCA Strategic Plan Progress Report for FY 2014 Overview of Progress

The UCA Strategic Planning Committee, part of the Strategic Planning and Resources Council, has gathered information regarding progress toward the UCA strategic Plan in 2013-14. What follows is our report on that progress. The report is divided into two sections: “Overview” and “Progress Report by Goal”. The “Overview” provides highlights of accomplishments toward the Strategic Plan during fiscal year 2014 (academic year 2013-14). Much more information may be gleaned from the “Progress Report by Goal” where actions taken toward each goal and objective are described along with both the desired and actual results of those actions in FY14.

Overview

The following are some, but certainly not all, of the accomplishments made toward the UCA Strategic Plan in FY2014 by goal.

Goal 1: Continue to Foster a Culture of Academic, Scholarly, and Creative Excellence

- A mini-conference on Mentoring Students for Success was held by the IDC in Spring 2014.
- The lower division courses of the UCA Core were fully implemented, and 75% of the upper division Core has been implemented.
- Each academic department / unit and college completed and published 5-year strategic plans.
- The mission and learning outcomes of the UCA Core have been published in electronic and print media to all parties of interest.
- The newly formed “Student Success and Retention Council” replaced the former Retention Committee and began meeting in March 2014.
- Policies and procedures to advise freshmen to declare a major before they complete 27 hours have been developed and implemented.

Goal 2: Act With Integrity and Transparency At All Levels

- Shared Governance and Communication Survey was administered to the campus community for the third year in fall 2013; results were analyzed and compared to those from fall 2011 and 2012; findings were presented in a report to the entire campus in April 2014.
- The abbreviated version of the UCA Mission Statement is now posted in all campus buildings.

- Progress toward the Strategic Plan is reported annually to the campus community via meetings with Senates and SGA and via posting of the SPARC Annual Report on the UCA website.
- UCA Campus Talks continue to be held regularly, providing a venue of communication among faculty, staff, students, and administration.

Goal 3: Promote Diversity in All Areas

- The Diversity Advisory Committee has been established and is actively at work.
- Diversity statement has been developed and approved by the Board of Trustees.
- A university diversity website was launched in October 2013.
- The Office of Diversity and Community was established.
- An Affirmative Action Officer for the institution was hired.

Goal 4: Develop and Manage the Fiscal Resources Necessary to Provide Ongoing Support For the University's Mission and Strategic Plan

- Indicators of financial health of the institution are reviewed routinely by the Board of Trustees and used in decision-making.
- Goal for achievement of extramural funding was exceeded by \$600,000, with \$6.1 million in extramural grant funds secured in FY 2014.
- Goal for private gifts and pledges was exceeded by over \$1,000,000 with \$5.139 million in new private gifts and pledges secured.
- The first phase of the new annual giving program has been created and executed.
- A cost of living adjustment for faculty and staff and an equity/merit pool for faculty were included in the FY15 budget.

Goal 5: Commit to Ongoing Improvement and Innovation in Facilities and Technology

- MAP-Works program expanded to include all residential and commuting freshmen to assist in campus-wide retention efforts.
- DegreeWorks has been fully implemented for undergraduate students.
- Significant year-end funds were transferred for technology upgrades and innovation, capital expenses for Lewis Science Center, and to address items on the deferred maintenance list in FY14.

Goal 6: Increase Engagement with External Partners

- The strategic plan for the Division of Outreach and Community Engagement has been developed and implemented.

- Five programs were created for racially and socially diverse audiences to participate in university outreach activities.
- A training series for non-profit agencies and aspiring entrepreneurs, including students in UCA's EPIC residential college and the Innovation and Entrepreneurship undergraduate program, has been created.
- The UCA Service-learning program was successfully launched.
- Six bi-monthly Alumni & Friends Connect e-newsletters and three Significant Breaking News emails were delivered to over 23,000 alumni and friends of the university.
- A comprehensive Alumni membership campaign was kicked-off in June 2014.
- A Director of Annual Giving was hired.
