Praxis II Test Review Sessions
For Transition to Teaching Prospective Candidates
2012 - 2013 Schedule

Praxis II trainings are designed to prepare participants for the exams by concentrating on two keys to success: understanding the exams, and preparing for the exam. Participants will learn test-taking strategies, get familiar with the different types of questions that appear on the tests, master the many areas of science and math, sharpen essay reading skills, and work on Praxis practice questions. Two full-length practice tests will be given. Students learn to read test questions critically, prepare targeted study plans, and get tips that will improve their chances of passing.

The training sessions will be for students who are planning to take the exam on April 13, 2013 or later dates

Dates: November 17, 2012
December 1, 2012
December 15, 2012
January 5, 2013
January 19 2013,

Times: 9:00 am - Noon
