It is unlawful on the campus of an institution of higher education to offer gifts or any other promotional incentives to any person under twenty-one (21) years of age through direct face-to-face contact in order to entice the person to apply for a credit card. Prior to any personal solicitation of credit card applications in or on facilities of an institution of higher learning in which gifts or any other promotional incentives are being offered, the credit card issuer shall verify the identity and age of the person to be solicited by the review of a valid driver's license or other credible means of identification bearing a photograph of the person. This subsection shall not apply to the solicitation of a credit card application by a bank or credit union located on the campus, if the solicitation is made within its office.

"Credit card" means any card, plate or other single credit device that may be used from time to time to obtain credit. Checks and similar instruments that can be used only once to obtain a single credit extension are not credit cards.

Any credit card issuer violating this act shall be deemed guilty of a misdemeanor and fined not less than five hundred dollars (\$500) nor more than one thousand dollars (\$1000) for each violation.

(Act 1328 of 1999)

The commercial solicitation fee is \$25.00 per day, for a maximum of three days per semester. The fee payment must be received before the solicitation may occur. Approved solicitation must also be scheduled in the calendar office (501-450-5270). This is the applicant's responsibility.
