## 20 Before, During, & After Reading Strategies

### Before Reading

- Activate Prior Knowledge

- Make Predictions

- Set a Purpose for Reading

- Frontload Vocabulary

- Preview the chapter using text features

### During Reading

- Highlight selectively

- Check out vocabulary and bold-faced terms

- Generate questions

- Make connections (text to text, text to self, text to world)

- Adjust reading rate

- Use context clues

- Reread if you get confused

- Visualize

- Annotate the Text/ take notes

- Notice figures, images, and charts

### After Reading

- Summarize the chapter orally or in writing

- Respond to questions

- Make a graphic organizer summarizing key information

- C/T/Q   Recall key concepts, terms, & questions

- Discuss with a partner or group
