Current UCA students may register through MyUCA and the Banner Self-Service System. Incoming freshmen, transfer and visiting students should contact the Office of Admissions as soon as possible for summer enrollment.

Banner Self-Service (accessible via MyUCA at my.uca.edu) is available for current students to register and make schedule changes (drop/add). A step-by-step guide is available online through the Office of the Registrar: uca.edu/registrar.

Deadlines for late registration and schedule changes (drop/add) are published in the Academic Calendar at uca.edu/registrar/academiccalendar.php.

Enrollment into a closed class or for more than the allowable maximum number of hours may have to be processed in person at the Office of the Registrar front counter in McCastlain Hall, 8 a.m. to 4:30 p.m., Monday through Friday.

NOTICE: To avoid a late payment fee, registration fees must be paid prior to the first class day of any term. Any student who enrolls, but decides not to attend, must notify the university in writing before classes begin for the term in order to avoid a financial obligation for the enrollment. A withdrawal form is available from the Office of the Registrar homepage: uca.edu/registrar.
