

# ***PLUMMER SCHOLARSHIP APPLICATION***

## **Information & Requirements**

The William (Bill) C. Plummer Scholarship is an endowed scholarship through the UCA Foundation and was formed in December 2003 by UCA graduate, Bill Plummer of Plumerville, Arkansas. Mr. Plummer was actively involved in theatre during his collegiate career and was a member of Alpha Psi Omega.

The Plummer Scholarship committee will award this scholarship to a senior Theatre major. The scholarship will be awarded per year, payable to the student's financial account, per semester, in accordance with the rules and regulations of the UCA financial aid office and the UCA Foundation.

Should the student graduate after the first semester of this award, the Plummer Scholarship committee may choose to award the remaining money to another applicant for the second semester.

The amount of the scholarship will be dependent upon the expendable funds available to the scholarship through the UCA Foundation office.

Applications will be taken each spring and the recipient notified prior to the end of the spring semester for award in the fall.

Applicant(s) must continue to be involved in UCA Theatre activities during the year in which they receive the scholarship. This will include auditioning for all main-stage productions and/or providing a major contribution to the technical production of each main-stage play. Should the recipient not fulfill these requirements, the Scholarship committee has the right to withdrawal the scholarship for the second semester.
