ACTIVITY: Describe a meaningful activity that you participated in and your own experience (s.g., a conversation, a working session, a project, etc.)	
OUTPUT: Describe a particular resource this activity produced (e.g., an idea, a document, or other resource) and why you thought it might be useful for you.	
APPLICATION: Tell how you used this resource in your practice and what it grabled that would not have happened otherwise. Ashton Crabtree: Example 2
