

Coming in Fall 2016: The only Chinese major in Arkansas!

Modern Languages Major: Chinese Concentration

Traditional and Business Chinese Tracks

A Modern Languages major with a concentration in Chinese requires a minimum of 34 hours of Chinese courses at the 2310 level or above and 3 hours in English (World Languages or Intro. to Linguistics). Courses used to meet area requirements in one block may not be double counted in another. With the exception of WLAN 2350 and 3390, WLAN prefixed courses and Chinese 1410 & 1420 DO NOT count toward the Chinese major. In addition, students must achieve satisfactory performance on proficiency tests upon entrance to and exit from the major program, and a minimum grade of C in each course applying to the major program.

Important notes:

- Summer or a semester of study in a China is strongly encouraged.
- All majors must complete a minor. Chinese Business students must complete the 24 hour General Business minor. Courses may **not** be double counted for both a major and a minor. See *UG Bulletin*.
- In order to graduate, every UCA student must have a total of 120 semester hours and 40 upper-division hours; 24 of the last 30 hours must be completed in residence.
- Certain courses **may** be double counted toward a second **major** (e.g. BA in International Studies, International Trade, Linguistics, etc). See program requirements in *UG Bulletin*.
