¹ This checklist is meant to serve as a guide regarding the UCA RN-to-BSN Pre-Admission courses which can be completed on the RMCC campus. It is the student's responsibility to verify that all RMCC state minimum core course and prerequisite requirements are being met.

² Courses listed in **bold** may have been completed as part of the Associate of Applied Science in Registered Nursing.

³ UCA course is either guaranteed by ACTS (acts.adhe.edu) or by UCA Department Chair approval (if blank, elective credit will be awarded).

⁴ Student must earn a grade of "C" or higher in this pre-admission required course.

⁵ Students who previously attended UCA are encouraged to use this guide as well. Such students will need to apply for readmission to UCA once all RN-to-BSN prerequisite requirements have been met. Readmitted students who have completed the 35-hour State Minimum Core will have satisfied the UCA Lower-Division Core as well.
