SCI	4410	Concepts in Science		4	

**Total Hours: 123<sup>7</sup>**

<sup>1</sup> Please see your EACC advisor for degree and graduation information.

<sup>2</sup> Agreement requirements are guaranteed in accordance with the academic year of initial enrollment at EACC, not to precede the academic year during which the agreement first took effect. A period of non-enrollment of 12 months or more requires that the student adhere to the agreement revision corresponding with the academic year of re-enrollment.

<sup>3</sup> PLEASE NOTE: In order to be eligible for admission to the UCA Teacher Education program, EACC students must earn a “C” or higher in all general education courses within the “English/Communication” and “Mathematics” categories, as well as in any of the professional education and content track courses taken at EACC. A passing score on the Praxis Core Assessment (or satisfactory scores on the ACT or SAT as per Arkansas Department of Education guidelines), is also required. Please see your advisor if you have questions.

<sup>4</sup> UCA course is either guaranteed by ACTS (acts.adhe.edu) or by UCA Department Chair approval (if blank, elective credit will be awarded).

<sup>5</sup> Students completing the AS in Education degree requirements, as shown above, with a minimum 2.7 cumulative GPA, will have satisfied the UCA Lower-Division Core. Upon successful completion of the admission process as outlined – [uca.edu/ocs/admission-requirements/](http://uca.edu/ocs/admission-requirements/) – students will be eligible for admission to the UCA College of Education.

<sup>6</sup> In order to receive important communications about transferring to UCA, students are encouraged to create a UCA student account at [gopurple.uca.edu](http://gopurple.uca.edu). For more information about the 2+2 program, students may also send email inquiries to [ucatransfer@uca.edu](mailto:ucatransfer@uca.edu).

<sup>7</sup> This agreement requires 123 credit hours as follows: maximum 60 at EACC and remaining 63 at UCA (40 of which must be upper-division).
