¹ Please see your UACCM advisor for degree and graduation information.

² Agreement requirements are guaranteed in accordance with the academic year of initial enrollment at UACCM, not to precede the academic year during which the agreement first took effect. A period of non-enrollment of 12 months or more requires that the student adhere to the agreement revision corresponding with the academic year of re-enrollment.

³ PLEASE NOTE: In order to be eligible for admission to the UCA Family and Consumer Sciences Teacher Education program, UACCM students must earn a "C" or higher in all of the courses listed within the "English/Communication", "Mathematics", and "Family and Consumer Sciences Education Core" categories. A passing score on the Praxis Core Assessment (or satisfactory scores on the ACT or SAT as per Arkansas Department of Education guidelines), is also required. Please see your advisor and/or contact the UCA Family and Consumer Sciences Education department if you have questions about these requirements.

⁴ UCA course is either guaranteed by ACTS (acts.adhe.edu) or by UCA Department Chair approval (if blank, elective credit will be awarded).

⁵ UACCM EDUC 2113 has been approved as equivalent to UCA MSIT 3310, fulfilling UD UCA Core: D, R requirements.

⁶ As per the Arkansas Course Transfer System (ACTS), PSY 2023 will officially transfer to UCA as PSYC 2370. However, the UCA Family and Consumer Sciences Education department will allow PSY 2023 to serve as a substitute for the FACS 2341 course requirement.

⁷ Students completing the AS in Education degree, as shown above, with a minimum 2.7 cumulative GPA, will have satisfied the UCA Lower-Division Core. Upon successful completion of the admission process as outlined here – <http://uca.edu/ocs/admission-requirements/> – students will be eligible for admission to the UCA College of Education.

⁸ In order to receive important communications about transferring to UCA, students are encouraged to create a UCA student account at gopurple.uca.edu. For more information about the 2+2 program, students may also send email inquiries to ucatransfer@uca.edu.

⁹ This agreement requires 120 credit hours: maximum 60 at UACCM and remaining 60 at UCA (40 of which must be upper-division).
