<sup>1</sup> Please see your COTO advisor for degree and graduation information.

<sup>2</sup> Agreement requirements are guaranteed in accordance with the academic year of initial enrollment at COTO, not to precede the academic year during which the agreement first took effect. A period of non-enrollment of 12 months or more requires that the student adhere to the agreement revision corresponding with the academic year of re-enrollment.

<sup>3</sup> PLEASE NOTE: In order to be eligible for admission to the UCA Teacher Education program, COTO students must earn a "C" or higher in all of the courses within the "English/Communication" and "Mathematics" categories, as well as in any of the professional education and content track courses taken at COTO. A passing score on all three sections of the Praxis Core exam (or satisfactory scores on the corresponding sections of the ACT or SAT as per Arkansas Department of Education guidelines), is also required. Please see your advisor if you have questions about these requirements.

<sup>4</sup> UCA course is either guaranteed by ACTS (acts.adhe.edu) or by UCA Department Chair approval (if blank, elective credit will be awarded).

<sup>5</sup> Students completing the AS in Liberal Arts and Sciences degree, as shown above, with a minimum 2.7 cumulative GPA, will have satisfied the UCA Lower Division Core. Upon successful completion of the admission process as outlined - [uca.edu/ocs/admission-requirements](http://uca.edu/ocs/admission-requirements) - students will be eligible for admission to the UCA College of Education.

<sup>6</sup> In order to receive important communications about transferring to UCA, students are encouraged to create a UCA student account at [gopurple.uca.edu](http://gopurple.uca.edu). For more information about the 2+2 program, students may also send email inquiries to [ucatransfer@uca.edu](mailto:ucatransfer@uca.edu).

<sup>7</sup> This agreement requires 123 credit hours as follows: maximum 60 at COTO and remaining 63 at UCA (40 of which must be upper-division).
